WOMEN'S HISTORY MONTH

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, I rise today to mark the start of Women's History Month and to honor all of the women who have shaped our country's history. So many women have shattered glass ceilings along the way, like my friend Dolores Watkins Ennis, one of the first African American secondary schoolteachers in my hometown of Flint, Michigan.

While this month we celebrate all of the great achievements of women like Dolores, let us not lose sight of the barriers that women still face in this country.

Women make up almost half of all workers. Working mothers are the primary breadwinners for many American families, yet the fight for justice, for equal rights and greater opportunity is far, far from over.

We need to promote policies that mean greater opportunity for women and their families, like commonsense sick leave and making child care more affordable. As a Nation, we have to make sure that women who are doing the same work as men get equal pay for that work.

This country is a place where we should be building an economy that works for everyone, meaning all families. We owe it to our mothers, to our daughters, and to our granddaughters.

WOMEN'S HISTORY MONTH

(Ms. SCHAKOWSKY asked and was given permission to address the House for 1 minute.)

Ms. SCHAKOWSKY. Mr. Speaker, I rise today to celebrate Women's History Month by highlighting the exemplary life of Frances E. Willard.

Frances Willard earned her place in history by pioneering the temperance movement, breaking barriers in the field of education and leading the movement to obtain women's right to vote. Her suffrage arguments hinged on her feminist interpretation of Scripture. She said: "God sets male and female side by side throughout His realm."

Although Frances was born in Churchville, New York, in 1839, she quickly made her way to my hometown of Evanston, Illinois, where, among other things, she was the first woman college president in the country to confer degrees, the second president of the national Woman's Christian Temperance Union, and a founder of the National Council of Women.

In 1905, the great State of Illinois chose to honor her memory by making her the first woman whose statue appears in the National Statuary Hall Collection. That statue still stands today—just a few feet from us—where

she is now a constant reminder of the powerful role of women in American history.

This Women's History Month, let us honor the lives of women like Frances Willard who came before us to create equality for women by helping to give us the right to vote, and let's do it by expanding that role.

When women succeed, America succeeds.

LYDIA MARIA CHILD

(Ms. CLARK of Massachusetts asked and was given permission to address the House for 1 minute.)

Ms. CLARK of Massachusetts. Mr. Speaker, the district I serve, the Fifth District of Massachusetts, is home to women who have shaped our Nation's history. I would like to celebrate one of those extraordinary women in celebration of Women's History Month.

When you hear the song, "Over the River and Through the Woods," you are hearing the words of Medford native Lydia Maria Child, a 19th century novelist, poet, abolitionist, Native American rights activist, and women's rights advocate who pioneered early progressive activism with her groundbreaking work.

In her fight for justice and equality, she wrote one of the earliest American historical novels, the first comprehensive history of American slavery, and the first comparative history of women.

As we celebrate Women's History Month and continue to strive for equality and justice for all women, we take great pride in celebrating the contributions of Lydia Maria Child and the other women leaders who have shaped our great country.

GENERAL LEAVE

Mr. MILLER of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. MILLER of Florida. Mr. Speaker, I yield myself such time as I may consume.

I do rise today in proud support of H.R. 2814, to name the Department of Veterans Affairs CBOC in Sevierville, Tennessee, the Dannie A. Carr Veterans Outpatient Clinic.

I thank the bill's sponsor, my colleague and friend, Congressman PHIL ROE from Tennessee, for recognizing an American hero through this legislation today.

Specialist Fourth Class Dannie Arthur Carr was born in June of 1947 in Sevierville, Tennessee. During the Vietnam war, Specialist Carr served with distinction in the United States Army.

It is only appropriate that his service and his life also be recognized by designating the VA community-based outpatient clinic in Sevierville, his hometown, the Dannie A. Carr Veterans Outpatient Clinic.

H.R. 2814 satisfies the committee's naming criteria and is supported by the entire Tennessee congressional delegation, veterans service organizations, including The American Legion, AMVETS, the Veterans of Foreign Wars, the Paralyzed Veterans of America, and Blinded Veterans Association.

I understand that the resolutions in support of this action and in honor of Specialist Carr have also passed the municipalities of Pittman Center, Sevierville, Pigeon Forge, Gatlinburg, and Sevier County in Tennessee.

Once again, this bill is sponsored by my good friend from Tennessee, Dr. ROE. He himself is an Army veteran and a senior member of the House Committee on Veterans' Affairs. I am grateful to him for his hard work and advocacy on behalf of our Nation's veterans through his bill and through his valuable participation on our committee.

I urge all of my colleagues to join me in supporting H.R. 2814.

Mr. Speaker, I reserve the balance of my time.

Ms. BROWN of Florida. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of this legislation to name the community-based outpatient clinic in Sevierville, Tennessee, after Mr. Dannie A. Carr.

Specialist Four Dannie Arthur Carr was born on June 30, 1947, and was originally from Tennessee. He served his country in the Vietnam war as a member of the U.S. Army and as an infantryman in B Company, 2nd Battalion, 7th Cavalry Regiment, 1st Cavalry Division.

Dannie was a 1-year veteran of the Army when his tour began on November 5, 1968. On July 3, 1969, he was killed from artillery fire under hostile conditions in Tay Ninh Province, South Vietnam. He was only 22 years old. He was awarded the Bronze Star for Valor and the Purple Heart.

SP-4 Carr is buried at Zion Grove Cemetery in Tennessee, and each year he is memorialized on the Vietnam Veterans Memorial on panel 21W, line 50.

Dannie was just one of the many young men who fought and died for the freedom we hold most dear. Naming this facility is just one small way we can honor his memory and make sure that his sacrifice for our Nation will never be forgotten.

I want to take this opportunity to thank all of the Vietnam veterans. When they came home from Vietnam 40 years ago, we as a Nation did not properly recognize them, and we should have. Today we are finding that the largest portion of our veterans who are committing suicide are our Vietnam veterans.

Many of those men and women were not integrated into the VA health system; yet if they could get the treatment that they need, we could reduce the incidences of suicide, which number about 22 a day. Of this number, only three of these veterans are in the VA health system.

It is our time for all of us to soldier up. We need to ensure that all of our veterans are enrolled in the VA system. So if you know a veteran, make sure to encourage him or her to register and actively seek help at the VA. If you know a veteran who served during the Vietnam conflict, make sure you let that veteran know that our country loves them and we really appreciate their service.

Saying "God bless America" means that God has blessed America with the service of the Vietnam veterans.

Mr. Speaker, I reserve the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, I yield such time as he may consume to the gentleman from Tennessee (Mr. ROE), a very important person to our committee. Dr. ROE is an Army veteran himself from the First District of Tennessee, Johnson City.

Mr. ROE of Tennessee. Mr. Speaker, I thank both Chairman MILLER and Ranking Member BROWN for their kind remarks.

It is a great honor to be here today, Mr. Speaker, as I rise to support H.R. 2814, which honors the sacrifice of a Vietnam war hero and names the VA clinic in Sevierville, Tennessee, after Specialist Four Dannie Arthur Carr.

Four Specialist Carr was an unmarried soldier who was killed in action and left no children to carry his name. I can think of no higher honor than to lend his name forever to the Veterans Affairs facility in his hometown.

The son of a Baptist minister and World War II veteran, Carr was born in June of 1947 in Sevier County, Tennessee. He attended Gatlinburg-Pittman High School, where he was a star basketball player.

□ 1245

Carr entered the United States Army at the age of 20 in 1967 and proudly served B Company, 2nd Battalion, 7th Cavalry, 1st Division. In combat, Carr displayed valor, having been awarded two Purple Hearts and a Bronze Star. He was killed in action by artillery fire on the day before Independence Day, July 3, 1969, at age 22.

The heroism of Specialist Carr is well known and held in high regard throughout Sevier County. All the local municipalities have approved resolutions supporting the naming of this Veterans Affairs community-based outpatient clinic after Carr.

In Tennessee, aptly nicknamed the Volunteer State, we hold a proud history of volunteerism in military service and ensure that the legacy of those who fought and died for this country is preserved.

Naming this facility after Dannie Carr will do exactly that, preserve the

legacy of an American patriot who bravely gave his life at such a young age.

Mr. Speaker, I would like to note that this bill does not remove anyone's name from the VA clinic in Sevier County. The facility I propose naming after Carr is a vacant medical facility that, through the leadership of Sevier County Mayor Larry Waters and Sevierville Mayor Bryan Atchley, we were able to secure a lease to the Department of Veterans Affairs for a whopping \$1 per year. It is not currently named after another soldier. Specialist Carr is an obvious top choice when considering this honor.

I urge my colleagues to preserve the legacy of this brave American soldier, Specialist Dannie A. Carr, taken from this Earth at such a young age, and pass this legislation.

Ms. BROWN of Florida. Mr. Speaker, I yield myself such time as I may consume.

I would like to acknowledge that there are 1,000 Delta Sigma Theta visiting with us on the Hill today during Women's History Month.

I want to thank the families and thank the leadership for bringing this bill naming to us today, Mr. Dannie A. Carr.

I want to once again thank the Vietnam veterans for their service to this country. God has blessed America with their service.

I yield back the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, again I urge all of my colleagues to support this legislation.

I yield back the balance of my time. The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. MILLER) that the House suspend the rules and pass the bill, H.R. 2814.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

CAMP PENDLETON MEDAL OF HONOR POST OFFICE

Mr. RUSSELL. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 136) to designate the facility of the United States Postal Service located at 1103 USPS Building 1103 in Camp Pendleton, California, as the "Camp Pendleton Medal of Honor Post Office".

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 136
