

That is when they cease the violence against the United States. We can release the prisoners unless war crimes have been committed. Then at that point, as in Nuremberg, you try them for their war crimes. This President is jumping the gun. They are still at war.

Muslim leaders in the Middle East and Africa have asked me: Why is it you don't understand that radical Islamists, the Muslim Brotherhood, have been at war with you since 1979, and you are helping them? Iran is the greatest supporter of terrorism. You are helping them more than you are willing to help us. What is wrong with you?

The answer is: We have turned away from the Creator, the source of our rights and our blessings.

I believe God exists. For those who think that maybe he does, maybe they are agnostic.

If God exists, the question is: Does he love us more than he loved Jerusalem?

Because, if he doesn't, it is doubtful we have more than 4 or 5 years to go.

Mr. Speaker, I yield back the balance of my time.
