

scope in Executive Order 13551 of August 30, 2010, addressed further in Executive Order 13570 of April 18, 2011, further expanded in scope in Executive Order 13687 of January 2, 2015, and under which additional steps were taken in Executive Order 13722 of March 15, 2016, is to continue in effect beyond June 26, 2016.

The existence and risk of proliferation of weapons-usable fissile material on the Korean Peninsula; the actions and policies of the Government of North Korea that destabilize the Korean Peninsula and imperil U.S. Armed Forces, allies, and trading partners in the region, including its pursuit of nuclear and missile programs; and other provocative, destabilizing, and repressive actions and policies of the Government of North Korea, continue to constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For this reason, I have determined that it is necessary to continue the national emergency with respect to North Korea.

BARACK OBAMA.  
THE WHITE HOUSE, June 21, 2016.
