

the Atlantic and Gulf Coasts, and submits maps to Congress recommending that we make Federal subsidies off limits to people who choose to develop those lands.

This is a commonsense, scientific, fiscally conservative way to protect private property and public infrastructure, while also ensuring that taxpayers do not have to foot the bill for risky coastal development. In this time of rising sea levels and increased storm surge brought on by climate change, CoBRA is becoming more and more important every day.

H.R. 6400 would adjust the boundaries of several Coastal Barrier Resources System units in New Jersey, including one that contains an important flood control structure. These changes have been carefully mapped by the Fish and Wildlife Service, and reflect improvements in technology that have allowed us to show with great accuracy which parcels of land do and do not constitute "coastal barrier resources" under the law.

As a result, numerous properties that were originally included by mistake will be removed, and other properties that have been identified as at-risk will be included.

These changes to the C.B.R.S. are protective of private property rights, the environment, and the taxpayers, and I support passage of the bill.

Mr. Speaker, I yield such time as he may consume to the gentleman from New Jersey (Mr. PALLONE), the author of the bill.

Mr. PALLONE. Mr. Speaker, I rise today in support of H.R. 6400.

This bill is extremely important to my constituents, especially those living in Union Beach, New Jersey. Passing this bill will allow the U.S. Army Corps of Engineers to move forward on an important flood control project for Union Beach.

H.R. 6400 would realign the mapping of several New Jersey units of the John H. Chafee Coastal Barrier Resource System. Congressional approval is required for any changes to these maps by the U.S. Fish and Wildlife Service. Over the past year, the Fish and Wildlife Service worked with the Corps to make noncontroversial changes to the mapping, completed its review, and transmitted them to Congress on November 21 of this year.

Until these maps are approved by Congress, Mr. Speaker, the Union Beach flood control project will be in limbo. The Corps cannot sign a project partnership agreement or make other progress until the updated maps are approved.

Union Beach was devastated by Superstorm Sandy, and residents have been waiting far too long for this project to be completed. It was initially authorized by the Water Resources Development Act of 2007 on November 8, 2007, and funding and authorization for the project came from Sandy relief funding in 2013.

Moving forward on this project is a priority for the State of New Jersey, local authorities in Union Beach, and the Army Corps; however, that can only be done if Congress approves the new maps, which it can do by passing H.R. 6400.

Again, passing this bill is vitally important. It is noncontroversial. I want to thank Chairman BISHOP, Ranking Member GRIJALVA, and House leadership for allowing this legislation to be considered under suspension of the rules.

I urge my colleagues to support H.R. 6400. The people of Union Beach have waited long enough to rebuild and protect their community from future storms.

Mr. SABLON. Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, I have no further speakers, and I would like to compliment the gentleman from New Jersey. I do hope he understands that this is his district and I will support his legislation. I would like to have him do the same thing when I bring legislation to the floor that only affects my district.

So, with courtesy to him, I will urge a "yes" vote on this legislation.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. DOLD). The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the bill, H.R. 6400.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

CHICANO PARK PRESERVATION ACT

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3711) to authorize the Secretary of the Interior to conduct a special resource study of Chicano Park, located in San Diego, California, and for other purposes, as amended.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 3711

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Alaska (Mr. YOUNG) and the gentleman from the Northern Mariana Islands (Mr. SABLON) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska.

GENERAL LEAVE

Mr. YOUNG of Alaska. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Alaska?

There was no objection.

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, located in the Barrio Logan community of San Diego, Chicano Park is a 7.4-acre parcel known for its display of nearly 50 vibrant murals depicting the history, culture, and its civil rights movement.

□ 1315

Residents secured the creation of the park in 1970 by protesting the construction of a parking lot on the vacant land the city previously promised for the development of the community park. After successfully taking over the land, artists painted dozens of vibrant murals on the pillars and ramps of the San Diego-Coronado Bay Bridge located in the park, creating the largest concentration of these murals in the world.

H.R. 3711 authorizes the Secretary of the Interior to evaluate the national significance of the park, determine the suitability and feasibility of designating it as a national historic landmark or affiliated area of the National Park Service through a special resource study. The bill prohibits the Secretary from considering any options that result in the Federal acquisition of the park.

I urge adoption of this bill, H.R. 3711.

Mr. Speaker, I reserve the balance of my time.

Mr. SABLON. Mr. Speaker, I yield such time as he may consume to the distinguished gentleman from California (Mr. VARGAS).

Mr. VARGAS. Mr. Speaker, I rise today to ask my colleagues for their support of H.R. 3711, the Chicano Park Preservation Act. Again, I thank the chairman for those kind words about the park. I appreciate it very much.

Ranking member, thank you again for allowing me to be here to support moving this legislation forward.

Chicano Park is a historic park under the San Diego-Coronado Bridge that embodies the spirit of the Hispanic culture in San Diego.

As was said, in the spring of 1970, the Barrio Logan community in San Diego united to advocate for the community park and, with the support of the city and State officials, the park was born. Since then, the park has been transformed by world-renowned muralists who have adorned the freeway pillars with breathtaking murals, sculptures, and architectural pieces that tell the story of the Hispanic community in San Diego.

Chicano Park is home to the largest collection of outdoor murals, 89 of them, in the country, in addition to various sculptures, earthworks, and an architectural piece dedicated to the cultural heritage of the community. The murals are recognized at the local, State, and national levels as historical, cultural, and public art.

This legislation, as was said, authorizes a special resource study of Chicano Park and its murals to evaluate the feasibility of the park becoming a national historic landmark or an Affiliated Area of the National Park Service.

It is also interesting that now the community has taken it on as a community park. Unfortunately, the area has very few parks, and this is one of the places where the community now, since 1970, has been coming and having picnics there with their families, their children, and it has become really a wonderful opportunity for the people that live in the community.

Even more than that, if you go there on a Saturday, you will find artists and different people from throughout the State, and Arizona, and other places coming to look at the murals and to look at the art. It is quite a vibrant area. If you take a look at some of the things that are sold in the area, you will see T-shirts and you will see lots of cultural food. It has become a wonderful place for everyone to come together.

So I appreciate very much the opportunity here, and I thank the ranking member, and especially the chairman, for this opportunity. Again, I encourage them to come to the park. It is not quite as grand as some of the things in Alaska, and I look to going to Alaska some day because I have only seen them in the pictures. Again, I thank you for your kind words about the park.

Mr. YOUNG of Alaska. Mr. Speaker, I have no additional speakers on this legislation. I do urge the passage of the legislation as a classic example of

where people are working together to have a place to rest and save some great art. I congratulate the gentleman for introducing the legislation. So I urge the passage of the legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. SABLON. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, this bill will permit the National Park Service to study and evaluate the Chicano Park for inclusion on the National Register of Historic Places and possibly to become an affiliated site of the agency.

Chicano Park has come to represent not only the civil rights struggles and victories for the residents of the Barrio Logan community, but has become a center for discussions around civil rights movements for all Mexican Americans today.

Today, this space has become a vibrant expression of the history and concerns of the community and, because of their efforts, I know it will continue to remain a relevant site for generations to come. I am glad to see that this community will receive the national recognition it deserves.

I thank my colleague, Congressman VARGAS, for introducing this bill, and I am very pleased to see that we are able to move this through the House expeditiously.

I would also like to, one day, visit Alaska, but at this point in time I urge adoption of this legislation.

Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I would assure both gentlemen, Alaska will welcome you on a visit. I hope to visit both of their communities in the future. The only way we can get things done around here is if we understand your locations, your people, and what you will treasure, as I do in my State of Alaska.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the bill, H.R. 3711, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
