AUTHORIZING DIRECTORS OF VETERANS INTEGRATED SERVICE NETWORKS TO ENTER INTO CONTRACTS TO INVESTIGATE MEDICAL CENTERS

Mr. ROE of Tennessee. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 6435) to authorize the Directors of Veterans Integrated Service Networks of the Department of Veterans Affairs to enter into contracts with appropriate civilian accreditation entities or appropriate health care evaluation entities to investigate medical centers of the Department of Veterans Affairs.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 6435

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. AUTHORITY OF DIRECTORS OF VETERANS INTEGRATED SERVICE NETWORKS TO INVESTIGATE MEDICAL CENTERS OF THE DEPARTMENT OF VETERANS AFFAIRS.

(a) IN GENERAL.—The Director of a Veterans Integrated Service Network of the Department of Veterans Affairs may contract with an appropriate entity specializing in civilian accreditation or health care evaluation to investigate any medical center within such Network to assess and report deficiencies of the facilities at such medical center.

(b) COORDINATION.—Before entering into any contract under subsection (a), the Director of a Veterans Integrated Service Network shall notify the Secretary of Veterans Affairs, the Inspector General of the Department of Veterans Affairs, and the Comptroller General of the United States for purposes of coordinating any investigation conducted pursuant to such contract with any other investigations or accreditations that may be ongoing.

(c) RULE OF CONSTRUCTION.—Nothing in this section may be construed—

(1) to prevent the Office of the Inspector General of the Department of Veterans Affairs from conducting any review, audit, evaluation, or inspection regarding a topic

for which a review is conducted under subsection (a); or

(2) to modify the requirement that employees of the Department assist with any review, audit, evaluation, or inspection conducted by the Office of the Inspector General of the Department.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Tennessee (Mr. ROE) and the gentleman from California (Mr. TAKANO) each will control 20 minutes.

The Chair recognizes the gentleman from Tennessee.

GENERAL LEAVE

Mr. ROE of Tennessee. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Tennessee?

There was no objection.

Mr. ROE of Tennessee. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of H.R. 6435, a bill to authorize the Directors of Veterans Integrated Service Networks, or VISN, of the Department of Veterans Affairs to enter into contracts with appropriate civilian accreditation entities or appropriate health care evaluation entities to investigate VA medical centers.

This bill would allow VISN directors to contract with an appropriate non-VA entity with expertise and civilian accreditation or healthcare evaluation to investigate any medical center within that director's catchment area.

It is no secret that the last few years have been tumultuous for the VA healthcare system, beginning with the access and accountability crisis in Phoenix and across the country in 2014, and continuing to just last week when reports surfaced of potential infectious disease concerns at a troubled VA medical center in Tomah, Wisconsin.

While the committee has an important oversight and investigative responsibility toward VA, as a Federal bureaucracy, VA is all too often charged with policing itself through internal watchdogs like the Office of Medical Inspector and the VA Office of Inspector General. However, despite all of our best efforts, waste, fraud, and abuse still persist and still continue to harm veterans throughout the VA healthcare system.

H.R. 6435 would provide VA regional leadership yet another tool to root out deficiencies within the VA medical facilities while providing VISN directors the ability to work with an experienced, objective entity to assess a given VA medical center's operations and management.

I believe this bill will empower VISN leaders to take a more active role in creating a culture of quality and accountability and lead to the provision of better, safer care to veteran patients.

I am grateful to my friend and colleague Congressman MARKWAYNE
