Mr. MCCARTHY. Madam Speaker, we are adopting this resolution today in honor of Justice Antonin Gregory Scalia.

His passion, his eloquence, his intelligence, and, indeed, his courageous defense of our Constitution was unmatched. He exemplified how principles should be practiced and served as an irreplaceable beacon and guardian of federalism, of the separation of powers, and of liberty throughout his service on the bench.

Our country has not only lost a great man but a profound man, a principled man, and a good man.

I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The resolution was agreed to.

A motion to reconsider was laid on the table.

CONGRATULATIONS TO THE EDEN PRAIRIE GIRLS HOCKEY TEAM

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Madam Speaker, I rise to congratulate the Eden Prairie Girls Hockey Team for winning the Minnesota High School State championship last weekend.

The Eagles prevailed in a tight contest over Maple Grove in the title game when Lauren Eberle scored the game-winning goal in overtime. The 3-2 victory marks the third State title for Eden Prairie in the last 11 years. Eden Prairie was led by goals from Anna Gravelle and Rachel Werdin, along with a strong performance between the pipes by Alexa Dobchuk.

Madam Speaker, it takes commitment, it takes hard work, and it takes teamwork and dedication to achieve a State championship. This is even more especially impressive with the amount of time that these student athletes spend together in their studying, excelling in school, and participating in other extracurricular activities.

Congratulations to the players, to the coaches, to the families, and to the fans of the Eden Prairie Girls Hockey Team. Our community is very proud of you.

GUN VIOLENCE

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, there is senseless gun violence.

Over the past weekend in our community, a young man who was 19 years old, who worked in a pizzeria, was gunned down. The story says that, during this robbery, he attempted to respond to the killer's demands. In spite of that, he was gunned down—murdered.

We have listened to the sad but eloquent comments of our colleagues from Michigan of vicious gun violence—of a person with 11 guns in his home. Yes, as many say, people kill; guns don't—but they use guns to kill.

It is time for this Congress, as many police officers have said to me, to get its hands around the rampage of guns and gun violence, of senseless killings, of bad guys—some good guys—killing people with guns. It is important to close the gun show loophole, to be able to use and to demand science and safety restraints.

I am appalled, but I am outraged. Enough is enough of innocent people being killed by gun violence.

THE HOUSE WILL STOP THE CLOSURE OF GUANTANAMO BAY

(Mr. OLSON asked and was given permission to address the House for 1 minute.)

Mr. OLSON. Madam Speaker, today, our administration announced that they would go against the American people and shut down Guantanamo Bay Cuba, GTMO.

The detainees being held at GTMO are there for one reason—our Constitution.

The administration wants to give the mastermind of the 9/11 attacks, Khalid Sheikh Mohammed, the same constitutional rights he took from nearly 3,000 innocent Americans whom he killed on September 11, 2001. All of the detainees at GTMO were captured by our military on the battleground, not by the police. Khalid Sheikh Mohammed was never told he had the right to remain silent when he was captured. Does he go free? Is there another loophole to his freedom?

Our administration's actions are against the will of the American people and are dangerous. This House and I will stop them.

BOKO HARAM

(Ms. WILSON of Florida asked and was given permission to address the House for 1 minute.)

Ms. WILSON of Florida. Mr. Speaker, tomorrow is Wear Red Wednesday to Bring Back Our Girls.

Right now, many female victims in Nigeria escaped the sexual violence of Boko Haram only to face ill treatment and mistrust in their communities. Even worse, the children who are the result of rape are scorned, deemed born of bad blood.

We must do what we can to ensure that the next generation of Nigerians

is free of Boko Haram. I am pleased I will be joining the Subcommittee on Terrorism, Nonproliferation, and Trade of the Committee on Foreign Affairs tomorrow as it holds a hearing on Boko Haram. I hope the rest of the Congress will also wake up to Boko Haram's atrocities. The girls are still alive, but are still missing.

Please continue to tweet, tweet, tweet #bringbackourgirls and to tweet, tweet, tweet #joinrepwilson.

Remember to wear something red every Wednesday. It can be shoes, a belt, a flower, a tie, a handkerchief, jewelry—anything. Just wear something red. We cannot forget the violence in Nigeria by Boko Haram.

HONORING PENN STATE DANCE MARATHON

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise in recognition of the annual Penn State Dance Marathon, or "THON," which was held over the past weekend on Pennsylvania State University's main campus in Pennsylvania's Fifth Congressional District.

THON is the largest student-run philanthropy in the world, raising funds and awareness for the battle against pediatric cancer.

Since 1977, THON has raised more than \$127 million for the Four Diamonds Fund at Penn State Hershey Children's Hospital. Each year, people from across Pennsylvania and even the Nation gather at the Bryce Jordan Center for THON, including Penn State students, university alum, and the parents and the children who have been impacted by childhood cancer.

To the organizers of this wonderful event, I want you to know just how proud I am of your efforts. It was just announced that this year's dance marathon raised nearly \$9.8 million.

I continue to be amazed by the good works of this student-run organization, and I wish them the best of luck in their planning for next year.

CONGRESSIONAL PATRIOT AWARD

(Mr. LARSON of Connecticut asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LARSON of Connecticut. Mr. Speaker, I rise to commend the Bipartisan Policy Center for establishing the Congressional Patriot Award and naming SAM JOHNSON and JOHN LEWIS as its first recipients.

On March 15, at the Library of Congress, with David Rubenstein presiding, we will talk about their extraordinary lives and their contributions to this institution; wherein, they will be given a medal in their names which forever-

more will be perpetuated by this body where both a Democrat and a Republican will receive this distinguished award based on the patriotism that they provided to their Nation.

I cannot think of two more exemplary figures in this body than SAM JOHNSON, who was nearly beaten to death in the Vietcong and imprisoned for 7 years, 42 months of solitary confinement, and JOHN LEWIS, who was nearly beaten to death by the Alabama police after crossing the Edmund Pettus Bridge.

Please join us at the Library of Congress. We will be here on the floor every day with my co-chair, TOM COLE, to talk about this great event in their honor.

SUPPORTING GUARDIAN HANDS FOUNDATION'S 3RD ANNUAL WALK AGAINST RARE DISEASES

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise tonight to support the Guardian Hands Foundation in its 3rd Annual Walk Against Rare Diseases, taking place this Sunday, February 28th, in Hialeah Gardens.

In the United States, a disease is considered rare if it impacts less than 200,000 people, but there are over 7,000 recognized rare diseases.

So, when taken as a whole, nearly 1 in 10 Americans are living with a rare disease. Nearly 50 percent of those, Mr. Speaker, are children with rare diseases. How tragic.

The Guardian Hands Foundation continues to raise awareness about the unique experiences of South Floridians impacted by rare diseases, and it serves as an important voice of hope and inspiration for families across our area.

So please come and enjoy some wonderful exercise this weekend. Join our community at the 3rd Annual Walk Against Rare Diseases.

REMEMBERING JUSTICE ANTONIN SCALIA

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, today is our first opportunity to remember and honor the life and legacy of Supreme Court Justice Antonin Scalia, with a further tribute tonight by Congresswoman BARBARA COMSTOCK of Virginia.

I am grateful for Justice Scalia's lifetime of service to our country and his dedication to protecting and defending the Constitution. In the nearly three decades he served on the Supreme Court, he was renowned for his brilliant opinion, sharp wit, and engaging debate with attorneys.

His dedication to a strict interpretation of the Constitution never wavered,

and he was beloved by his colleagues on the Court. He promoted the real constitutional intent, for judges to interpret the law, not legislating undermining democracy.

Nominated by President Ronald Reagan in 1986 and confirmed unanimously by the Senate, Justice Scalia was the Court's voice for opinions that upheld conservative values, such as the District of Columbia v. Heller, defending the right to bear arms by the Second Amendment.

Our thoughts and prayers are with his wife, Maureen, their children, and grandchildren.

In conclusion, God bless our troops, and may the President, by his actions, never forget September the 11th in the global war on terrorism.

GUANTANAMO BAY

(Mr. ROONEY of Florida asked and was given permission to address the House for 1 minute.)

Mr. ROONEY of Florida. Mr. Speaker, I rise today in response to President Obama's announcement of his plans to close the Guantanamo Bay detention facility and transfer the detainees to the United States.

We, as a Congress, made our position on the closing of Guantanamo Bay clear when we passed—and the President signed—the defense authorization and appropriations bills for 2016, which explicitly prohibit the President from closing the facility or transferring any of the detainees to the United States.

Additionally, on October 1, I joined 15 of my House colleagues who have served or continue to serve in the military in sending a letter to the Joint Chiefs of Staff requesting that they acknowledge that the execution of any proposal put forth by the President to close GTMO would be in violation of Federal law.

In response to the letter, the Joint Chiefs of Staff confirmed that the "current law prohibits the use of funds to 'transfer, release, or assist in the transfer or release' of detainees from Guantanamo Bay to or within the United States" and that they "will not take any action contrary to those restrictions."

Mr. Speaker, the President's primary function is to enforce the law, not break it. Moving KSM to the United States and availing him to our courts to fulfill personal, political goals is not only irresponsible, but potentially extremely reckless.

AMERICAN HEART MONTH

(Mr. DOLD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DOLD. Mr. Speaker, today I rise to recognize February as American Heart Month.

Heart disease is the leading cause of death in the United States. Every 43 seconds, someone in the United States
