SUBMITTED RESOLUTIONS

SENATE RESOLUTION 432—SUPPORTING RESPECT FOR HUMAN RIGHTS AND ENCOURAGING INCLUSIVE GOVERNANCE IN ETHIOPIA

Mr. CARDIN (for himself, Ms. CANTWELL, Mrs. MURRAY, Mr. MARKEY, Mr. COONS, Mr. MENENDEZ, Mr. LEAHY, Mr. FRANKEN, Mr. DURBIN, Ms. KLOBUCHAR, Mr. RUBIO, and Mr. BROWN) submitted

the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 432

Whereas the first pillar of the 2012 United States Strategy Toward Sub-Saharan Africa is to strengthen democratic institutions, and the United States Agency for International Development Democracy, Human Rights, and Governance Strategy states that strong democratic institutions, respect for human rights, and participatory, accountable governance are crucial elements for improving people's lives in a sustainable way;

Whereas the third pillar of the 2012 United States Strategy Toward Sub-Saharan Africa is to advance peace and security, including supporting security sector reform;

Whereas democratic space in Ethiopia has steadily diminished since the general elections of 2005;

Whereas elections were held in 2015 in which the ruling Ethiopian People's Revolutionary Democratic Front claimed 100 percent of parliamentary seats;

Whereas the 2014 Department of State Human Rights Report on Ethiopia cited serious human rights violations, including arbitrary arrests, killings, and torture committed by security forces as well as restrictions on freedom of expression and freedom of association, politically motivated trials, harassment, and intimidation of opposition members and journalists;

Whereas the Government of Ethiopia has repeatedly abused laws such as the 2009 Anti-Terrorism Proclamation to limit press freedom, silence independent journalists, and persecute members of the political opposition;

Whereas laws such as the 2009 Charities and Societies Proclamation have been used to restrict the operation of civil society and nongovernmental organizations in Ethiopia across a range of purposes, particularly those investigating alleged violations of human rights by governmental authorities;

Whereas the case of the "Zone 9 Bloggers", whose arrest, detention, and trials on terrorism charges brought international attention to the restrictions on press freedom in Ethiopia, is indicative of the coercive environment in which journalists operate;

Whereas the Ethiopian Human Rights Council reports at least 102 protestor deaths, and according to Human Rights Watch, Ethiopian security forces have killed at least 200 peaceful protesters in the Oromia region, and that number is likely higher;

Whereas state sponsored violence against those exercising their rights to peaceful assembly in Oromia and elsewhere in the country, and the abuse of laws to stifle journalistic freedoms, stand in direct contrast to democratic principles and in violation of Ethiopia's constitution; and

Whereas, during President Barack Obama's historic visit to Addis Ababa in July 2015, Prime Minister Hailemariam Desalegn expressed his government's commitment to deepen the democratic process and work towards the respect of human rights and improving governance, and noted the need to step up efforts to strengthen institutions: Now, therefore be it

Resolved, That the Senate—

(1) condemns—

(A) killings of peaceful protesters and excessive use of force by Ethiopian security forces;

(B) arrest and detention of journalists, students, activists and political leaders who exercise their constitutional rights to freedom of assembly and expression through peaceful protests; and

(C) abuse of the Anti-Terrorism Proclamation to stifle political and civil dissent and journalistic freedoms;

(2) urges protesters in Ethiopia to refrain from violence;

(3) calls on the Government of Ethiopia—

(A) to halt the use of excessive force by security forces;

(B) to conduct a full, credible, and transparent investigation into the killings and instances of excessive use of force that took place as a result of protests in the Oromia region and hold security forces accountable for wrongdoing through public proceedings;

(C) to release dissidents, activists, and journalists who have been jailed, including those arrested for reporting about the protests, for exercising constitutional rights;

(D) to respect the right to freedom of peaceful assembly and guarantee freedom of the press and mass media in keeping with Articles 30 and 29 of the Ethiopian constitution;

(E) to engage in open and transparent consultations relative to its development strategy, especially those strategies that could result in people's displacement from land; and

(F) to repeal proclamations that—

(i) can be used as a political tool to harass or prohibit funding for civil society organizations that investigate human rights violations, engage in peaceful political dissent, or advocate for greater political freedoms; or

(ii) prohibit or otherwise limit those displaced from their land from seeking remedy or redress in courts, or that do not provide a transparent, accessible means to access justice for those displaced;

(4) calls on the Secretary of State to conduct a review of security assistance to Ethiopia in light of recent developments and to improve transparency with respect to the purposes of such assistance to the people of Ethiopia;

(5) calls on the Administrator of the United States Agency for International Development to immediately lead efforts to develop a comprehensive strategy to support improved democracy and governance in Ethiopia;

(6) calls on the Secretary of State, in conjunction with the Administrator of the United States Agency for International Development, to improve oversight and accountability of United States assistance to Ethiopia pursuant to expectations established in the President's 2012 Strategy Toward Sub-Saharan Africa; and

(7) stands by the people of Ethiopia, and supports their peaceful efforts to increase democratic space and to exercise the rights guaranteed by the Ethiopian constitution.

SENATE RESOLUTION 433—RECOGNIZING LINEMEN, THE PROFESSION OF LINEMEN, AND THE CONTRIBUTIONS OF THESE BRAVE MEN AND WOMEN WHO PROTECT PUBLIC SAFETY, AND EXPRESSING SUPPORT FOR THE DESIGNATION OF APRIL 18, 2016, AS "NATIONAL LINEMAN APPRECIATION DAY"

Mr. TILLIS submitted the following resolution; which was considered and agreed to:

S. RES. 433

Whereas the profession of linemen is steeped in personal, family, and professional tradition;

Whereas linemen are often first responders during storms and other catastrophic events, working to make the scene safe for other public safety heroes;

Whereas linemen must work high atop power lines 24 hours a day, 365 days a year, to keep electricity flowing;

Whereas linemen play a vital role in the economy of the United States by maintaining and growing the energy infrastructure of the United States;

Whereas linemen must often work under dangerous conditions while separated from their families to keep schools and businesses open;

Whereas linemen put their lives on the line every day with little recognition from the community regarding the danger of their work; and

Whereas April 18, 2016 would be an appropriate date to designate as “National Lineman Appreciation Day”: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the efforts of linemen in keeping the power on and protecting public safety; and

(2) supports the designation of “National Lineman Appreciation Day”.

SENATE RESOLUTION 434—SUPPORTING THE DESIGNATION OF APRIL 2016 AS “PARKINSON’S AWARENESS MONTH”

Ms. STABENOW (for herself and Mr. ISAKSON) submitted the following resolution; which was considered and agreed to:

S. RES. 434

Whereas Parkinson’s disease is a chronic, progressive neurological disease and is the second most common neurodegenerative disease in the United States;

Whereas there is inadequate data on the incidence and prevalence of Parkinson’s disease, but the disease affects an estimated 500,000 to 1,500,000 individuals in the United States;

Whereas according to the Centers for Disease Control and Prevention, Parkinson’s disease is the 14th leading cause of death in the United States;

Whereas every day Parkinson’s disease greatly impacts millions of individuals in the United States who are caregivers, family members, and friends of individuals with Parkinson’s disease;

Whereas the economic burden of Parkinson’s disease is an estimated \$14,400,000,000 each year, including indirect costs to patients and family members of \$6,300,000,000 each year;

Whereas although research suggests that the cause of Parkinson’s disease is a combination of genetic and environmental factors, the exact cause and progression of the disease remains unknown;

Whereas an objective test or biomarker for diagnosing Parkinson’s disease does not exist;

Whereas a cure or drug to slow or halt the progression of Parkinson’s disease does not exist;

Whereas the symptoms of Parkinson’s disease vary from person to person and include tremors, slowness of movement, rigidity, difficulty with balance, swallowing, chewing, and speaking, cognitive impairment, dementia, mood disorders, and a variety of other nonmotor symptoms;

Whereas volunteers, researchers, caregivers, and medical professionals are working to improve the quality of life for individuals with Parkinson’s disease and the families of those individuals; and

Whereas developing more effective treatments for Parkinson’s disease and providing access to quality care to individuals with Parkinson’s disease requires increased re-

search, education, and community support services: Now, therefore, be it

Resolved, That the Senate—

(1) designates April 2016 as “Parkinson’s Awareness Month”;

(2) supports the goals and ideals of Parkinson’s Awareness Month;

(3) continues to support research to develop more effective treatments for Parkinson’s disease and to ultimately find a cure for the disease;

(4) recognizes the individuals with Parkinson’s disease who participate in vital clinical trials to advance the knowledge of the disease; and

(5) commends the dedication of organizations, volunteers, researchers, and millions of individuals in the United States working to improve the quality of life for individuals with Parkinson’s disease and the families of those individuals.
