### OLDER AMERICANS ACT REAUTHORIZATION ACT OF 2016

Mr. GARDNER. Mr. President, we wish to highlight an issue of importance to Colorado and its community of senior citizens. Earlier this month, Congress passed the Older Americans Act Reauthorization Act of 2016 and sent it to the President for his signature. This reauthorization ensures that a wide range of social and nutritional services directed to assist senior citizens is not disrupted. While the reauthorization improves the status quo for the State of Colorado, we continue to have concerns about the disproportionate level of funding going to our State in comparison to the rest of the country.

Mr. BENNET. I agree with my colleague from Colorado. In an attempt to protect certain States with guaranteed funding levels, in 2006 Congress changed the Older Americans Act funding formula to ensure States received a guaranteed funding level based on senior populations. Due to Colorado's growing senior population and this provision from 2006, Colorado saw massive cuts during sequestration, when other States did not.

Mr. GARDNER. Instead of allowing the funding to go to States with growing senior populations, the hold-harmless funding formula in the current reauthorization continues the disproportionate trend by preventing funding in States with lower senior populations from going to States with growing levels of senior citizens. While we are supportive of the services provided by the Older Americans Act, Congress's priority should be ensuring the stability of the programs that millions of seniors around the country depend upon.

Mr. BENNET. We believe that, moving forward, it is imperative that steps are taken in future reauthorizations to safeguard services for all seniors regardless of their State of residence. It is our hope that as Congress continues to address issues that are important to all senior citizens, we find a path forward to address the issue we have raised here today.

### ADDITIONAL STATEMENTS

#### TRIBUTE TO BRIGADIER GENERAL TAMHRA HUTCHINS-FRYE

• Mr. BOOZMAN. Mr. President, today I wish to congratulate Tamhra Hutchins-Frye on her recent promotion to brigadier general in the Arkansas Air National Guard.

Brigadier General Hutchins-Frye was born in Bakersfield, CA, and entered the Air National Guard in November 1984 as an airman first class. She received her commission in August 1989 through the Academy of Military Science in Knoxville, TN, and has held various assignments in the 188th Fighter Wing in Fort Smith, AR, the 189th Airlift Wing at the Little Rock Air Force Base, and Arkansas Air National Guard and Joint Force Headquarters at Camp Robinson in North Little Rock.

She was deployed to Kabul, Afghanistan, in support of Operation Enduring Freedom as the chief of staff of the North Atlantic Treaty Organization's Afghanistan Transformation Task Force and then the Headquarters International Security Assistance Force, where she helped lead the transformation of the Government of the Islamic Republic of Afghanistan as it transitioned to self-rule.

Tamhra earned a bachelor of science in elementary education from Arkansas Tech University in 1983 and a master of arts in human resource management from Webster University in 2012. She has also completed numerous trainings and programs during her time in the Air National Guard.

As a dedicated member of the Air National Guard, Hutchins-Frye has been awarded the Legion of Merit and a Bronze Star. She is also an active member of her community and takes a proactive role in giving back and investing in the lives of others as displayed by her roles as cochairman of the Women's Foundation of Arkansas's Girls of Promise and as a member of the board of directors of Heart of Arkansas United Way, among other types of service.

It is also important to note that Brigadier General Hutchins-Frye is the first woman to obtain this rank in the

Arkansas Air National Guard. By virtue of this latest achievement in her impressive and distinguished career, she serves as role model for many, including the young women in our Armed Forces, of how hard work and professionalism can lead to historic and ground-breaking achievements.

I offer my sincere congratulations to BG Tamhra Hutchins-Frye on this momentous occasion, and I applaud her continued commitment and dedication to our Nation's readiness. I know she will continue to make Arkansas proud in this new chapter of her career.●

#### RECOGNIZING THE BENTONVILLE POLICE DEPARTMENT

• Mr. BOOZMAN. Mr. President, today I wish to celebrate the 100th anniversary of the Bentonville Police Department, which was established on May 9, 1916, when community leaders adopted an ordinance to create the Office of Watch to protect its 2,000 citizens.

As the community grew, so did the need to increase police personnel. In 1951, community leaders approved expanding the department by adding a chief of police, two patrolmen, and the first patrol car. A lot has changed with the Bentonville Police Department in the last century. Today there are 99 men and women in the police department providing services that extend beyond the description of the 1916 department, and they are doing things only imagined at that time.

The talents and abilities of the men and women serving in today's department are put to good use to protect the 44,000 Bentonville residents. They work tirelessly to ensure the public is safe as members of investigative units, forensic analysis teams, K9 teams, a bomb squad, a bicycle team, a SWAT team, and a crisis negotiations team. Their commitment to the community is exemplified by the numerous programs and outreach efforts they offer to the people of Bentonville.

The wide range of calls members of the Bentonville Police Department respond to shows the need for preparation and training. These officers are

among the most visible public servants and risk their lives to protect the community.

I offer my congratulations on this milestone and thank Bentonville Police Chief Jon Simpson and the officers and staff who serve and protect the citizens of Bentonville for their service to the community. They have made Bentonville one of the safest communities in Arkansas and in the United States.●

#### TRIBUTE TO AL RANKINS, SENIOR

● Mr. COCHRAN. Mr. President, I am pleased to commend Al Rankins, Sr., of Greenville, MS, for his service and contributions to the State of Mississippi while serving as the 80th president of the Delta Council. Since its founding in 1935, this important organization has grown into a widely respected economic development collaborative representing the business, professional, and agricultural interests of the Mississippi Delta region. I am grateful to Delta Council for its continuous role in meeting the economic and quality of life challenges in this unique part of our country.

Al Rankins' tenure as council president began in May 2015, and he has been a notably strong advocate for the Delta Council's role in water resources development. His effective leadership on flood control issues affecting the alluvial floodplain has served the area well. His former service as a local public official has provided him a unique perspective on the needs of proper access to healthcare, workforce readiness, educational progress, and important matters related to transportation infrastructure in this rural, predominantly agricultural region.

A native of Washington County, MS, Mr. Rankins graduated from Simmons High School in Hollandale, MS, and later received a bachelor's degree in criminal justice from Mississippi Valley State University. Prior to his contributions as president of Delta Council, Mr. Rankins served his community as a law enforcement officer, an elected county official, past president of 100 Black Men of the Mississippi Delta, and active participant in the local Boys and Girls Club. Mr. Rankins' dedication to the future of the delta and all of those who live there is laudable. I am pleased to join the people of my State in commending Al Rankins and sharing our appreciation with his wife, Mary, and their children, CeCelia, Alfred, Jr., Ansel, and Anthony, as the 81st annual meeting of the Delta Council organizational membership convenes.●

#### 40TH ANNIVERSARY OF THE IMMIGRANT AND REFUGEE COMMUNITY ORGANIZATION

● Mr. WYDEN. Mr. President, this year marks the 40th anniversary of the Immigrant and Refugee Community Organization, IRCO, a nonprofit organiza-

tion that serves the many immigrant and refugee communities that come to Oregon seeking a new and better life.

Since its founding in 1976, IRCO has been helping individuals and families who come to the United States with few resources and little support. Established by refugees, for refugees, the organization has a long track record of providing vital housing, healthcare, and employment services. IRCO staff offer peer-to-peer assistance and culturally specific services through programs like the Asian Family Center and Africa House. IRCO served more than 28,000 people in 2015 alone, helping these new Oregonians integrate into communities across our State while maintaining an important connection to their rich heritage and traditions.

Beyond offering immediate support for those starting a life in the United States, IRCO has also become an advocacy arm for Oregon's immigrants and refugees. Its leadership development programs have graduated many individuals who have worked with key decisionmakers to pursue change in Oregon and beyond.

As many in this Chamber know, I am the son of immigrants who fled Nazi Germany to avoid persecution. The act of helping immigrants and refugees resettle, to become contributing Americans, is close to my heart. I know firsthand how this country thrives by harnessing the ideas, energy, and hard work of those who come to our shores—in fact, I stand here today as the proof. That is why I will continue to do what I can to support organizations, like IRCO, working day-in and day-out to ensure everyone gets a fair shot at success.

I conclude by congratulating IRCO on 40 years of tremendous service and by wishing all of its staff, volunteers, and partners continued success in the years to come.●
