

Kansans live more than half an hour from the nearest neighboring town, communities are stitched together by what they hear on the radio.

For more than 40 years, Tad Felts has been broadcasting high school athletics and reporting north central Kansas news for KKAN-KQMA radio in Phillipsburg, but after several decades chronicling hundreds—or more likely thousands—of sporting events, Tad decided a couple years back it was time to watch a few more games from the bleachers rather than the press box. Now, this month, he will retire from radio altogether.

Tad first started his radio career in Garden City at KIUL as a high school sophomore in 1948, working after school and at night for free. During his time at KIUL, his main duties were cleaning the floors and playing records. While he was a student at Fort Hays State University in 1951, Tad worked at KAYS radio station in Hays and upon graduation at KLOE in Goodland. Tad found his eventual home with the team at KKAN-KQMA in Phillipsburg in 1972.

Given his decades of experience in broadcasting, Tad knows the business well and takes great joy in teaching others. Gerard Wellbrock, the sports director of KAYS radio in Hays and the voice of the Fort Hays State University Tigers said this about Tad: “He was a good mentor, I learned so much from him. The work ethic, how to deal with people, the relations you build with athletic directors and coaches. It’s hard not to like Tad. And you learned a lot about work, and life, just by being around him.”

In gyms across north central Kansas, the KKAN-KQMA banner can be seen at high school basketball games, wrestling tournaments, and State championships. In fact, it is because of Tad’s dedication that the radio station is so often present. Families who can’t make the game in person, often because they are working long hours on the farm, especially appreciate local radio hosts being there because they can still catch the details of the game.

In rural America, entire communities revolve around how the high school sports team is doing. It is a common topic of conversation while standing in the checkout line at the grocery store or while dining at a neighborhood restaurant.

By no means is Tad a one-trick pony, though. Cherished equal to his sports reporting are his updates from the field during wheat harvest season, in which Tad will drive straight up to a farmer in his combine and record an interview from the cab. This is in addition to the full slate of city council and school board meetings, county fairs, and annual parades.

For years, Tad’s knowledge and sunny disposition has greeted folks tuning in to local radio. One former peer of Tad’s said this about the significant impact he has made: “KKAN-KQMA Radio has played an integral

role in the lives of people in the Phillipsburg area, and Tad has always been a driving force behind that station’s programming and its scope of community service.”

His professionalism was recognized by his peers when Tad was inducted into the Kansas Association of Broadcasters Hall of Fame in 2010. Inductees to the hall of fame are selected based upon their contributions to the broadcasting profession, their broadcast career, and their recognition and awards received, and Tad is an extremely deserving recipient.

Today I want to express my gratitude to Tad Felts for helping to strengthen the close bonds of rural communities through his years of faithful service. I want to congratulate him on a job well done for the past nearly six decades. Tad’s been a tremendous friend to me over the years, and his work has served as a bedrock for many of the communities I grew up in and care deeply about.

Tad, I wish you all the best and thank you for everything you have done to improve the lives of so many in our great State.●

MESSAGE FROM THE PRESIDENT

A message from the President of the United States was communicated to the Senate by Mrs. Neiman, one of his secretaries.

PRESIDENTIAL MESSAGE

REPORT ON THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DECLARED IN EXECUTIVE ORDER 13047 OF MAY 20, 1997, WITH RESPECT TO BURMA—PM 48

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Burma that was declared on May 20, 1997, is to continue in effect beyond May 20, 2016.

The Government of Burma has made significant progress across a number of important areas since 2011, including the release of over 1,300 political pris-

oners, a peaceful and competitive election, the signing of a Nationwide Ceasefire Agreement with eight ethnic armed groups, the discharge of hundreds of child soldiers from the military, steps to improve labor standards, and expanding political space for civil society to have a greater voice in shaping issues critical to Burma’s future. In addition, Burma has become a signatory of the International Atomic Energy Agency’s Additional Protocol and ratified the Biological Weapons Convention, significant steps towards supporting global non-proliferation. Despite these strides, the situation in the country continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States.

Concerns persist regarding continued obstacles to full civilian control of the government, the ongoing conflict and human rights abuses in the country, particularly in ethnic minority areas, and military trade with North Korea. In addition, Burma’s security forces, operating with little oversight from the civilian government, often act with impunity. We are further concerned that prisoners remain detained and that police continue to arrest critics of the government for peacefully expressing their views. For this reason, I have determined that it is necessary to continue the national emergency with respect to Burma.

Despite this action, the United States remains committed to working with both the new government and the people of Burma to ensure that the democratic transition is irreversible.

BARACK OBAMA.
THE WHITE HOUSE, May 17, 2016.
