STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. VITTER:

S. 3120. A bill to apply the provisions of the Patient Protection and Affordable Care Act to Congressional members and members of the executive branch; to the Committee on Homeland Security and Governmental Affairs.

Mr. VITTER. Mr. President, I rise today to discuss a really outrageous abuse of power on the part of Members of this body, Members of the House, Washington officials in general. While imposing ObamaCare on everyone else, officials in Washington have largely exempted themselves from ObamaCare's most inconvenient aspects through yet another illegal Obama Executive action that created the Washington exemption from ObamaCare.

Unfortunately, this is not a new practice on the part of the Washington elite. Washington lawmakers often create or support exemptions for themselves from the laws they pass on everyone else. This undemocratic practice dates back to the 19th century at least—the Civil Service Act of 1883; the Fair Labor Standards Act of 1938, coming into the 20th century; the Freedom of Information Act of 1966. The list goes on and on.

As the late Representative Henry Hyde is famously quoted as saying
