#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. DAINES (for himself, Mr. NELSON, and Ms. KLOBUCHAR):

S. 3402. A bill to protect consumers from deceptive practices with respect to online booking of hotel reservations, and for other purposes; to the Committee on Commerce, Science, and Transportation.

Mr. DAINES. Mr. President, the travel and tourism industry plays a significant role in the U.S. economy. Travel and tourism contributed over \$480 billion to the U.S. GDP last year. In Montana, tourism is one of our leading industries. Every year, visitors spend over \$3 billion in our state which supports jobs and reduces taxes for Montana residents.

The development of the online marketplace has made it easier than ever for travelers to do research, plan trips, and make reservations online. Online platforms allow customers to compare thousands of brands in one place. As a result, the number of hotel reservations made online has surged over the past several years. There are now up to 480 bookings every minute. As the number of online bookings has increased, there has also been an increase in the number of online booking scams.

Illegitimate reservation sellers pose as hotel websites, leading consumers to believe they are booking directly with the hotel, when in fact they are booking with an unrelated third party. Transactions on these sites can result in additional hidden fees, loss of expected loyalty points, or even confirmation of reservations that were never made. One study found that as many as 15 million bookings a year are affected by fraudulent websites.

That is why I am proud to introduce the Stop Online Booking Scams Act of 2016 with my colleague Senator NELSON. The bill requires third party sites to disclose that they are not affiliated with the hotel, providing clarity and transparency to consumers booking online. It also empowers state attorneys general to pursue cases on behalf of consumers who have been scammed. Providing clear disclosures that reveal the true identity of websites will give confidence to the millions of consumers who make reservations online every year. I ask my colleagues to join me in cosponsoring this much needed legislation.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:

S. 3402

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. SHORT TITLE.

This Act may be cited as the “Stop Online Booking Scams Act of 2016”.

#### SEC. 2. FINDINGS; SENSE OF CONGRESS.

(a) FINDINGS.—Congress finds the following:

(1) The Internet has become an important channel of commerce in the United States, accounting for billions of dollars in retail sales every year.

(2) Hotel reservation transactions can be easily made online and online commerce has created a marketplace where consumers can shop for hotels, flights, car rentals, and other travel-related services and products across thousands of brands on a single platform.

(3) Consumers should have the utmost clarity as to the company with which such consumers are transacting business online.

(4) Actions by third party sellers that misappropriate brand identity, trademark, or other marketing content are harmful to consumers.

(5) Platforms offered by online travel agencies provide consumers with a valuable tool for comparative shopping for hotels and should not be mistaken for the unlawful third-party actors that commit such misappropriation.

(6) The misleading and deceptive sales tactics companies use against customers booking hotel rooms online have resulted in the loss of sensitive financial and personal information, financial harm, and headache for consumers.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) consumers benefit from the ability to shop for travel-related services and products on the innovative platforms offered by online travel agencies;

(2) sellers on the Internet should provide consumers with clear, accurate information and such sellers should have an opportunity to compete fairly with one another; and

(3) the Federal Trade Commission should revise the Internet website of the Commission to make it easier for consumers and businesses to report complaints of deceptive practices with respect to online booking of hotel reservations.
