

the time, expense, and hard work required to raise a bushel of corn or soybeans, a ton of sugar beets, or to produce a gallon of milk. Those lessons have been important to me as I have fought for Minnesota producers in the Senate.

Doug has always known how important our farmers and ranchers are to our Nation's food security and, thus, our national security. And he worked hard to ensure that people in Minnesota and across the country knew how critical our producers are to feeding a world with a growing population.

As our Nation increasingly comes to grips with the causes and seriousness of climate change, it is important to point out that Doug was on the leading edge of Minnesota's clean energy transition for several decades. As a State legislator, he was instrumental in making Minnesota a national leader in ethanol production. As a champion for renewable energy, his priority was not only to reduce our reliance on foreign oil and to cut our use of fossil fuels, but also to create badly needed jobs and economic development in rural communities across Minnesota.

Doug has always been a tireless fighter for family farmers, and he pushed hard against the excessive concentration of foreign and corporate power in U.S. agriculture because those forces were pushing food prices up for American consumers. He knew that our Nation's network of family farms have always delivered a safe, abundant, and affordable food supply to the American people, while receiving just 18 cents of every dollar spent on food in this country. That is a pretty good deal by any measure and one that more Americans should appreciate.

So, to Doug, I say a heartfelt thank you for your years of important work, your friendship, and for teaching us all about how important Minnesota farming is to our State, to our Nation, and to the world. Your service has made a positive difference to a generation of Minnesota producers, and the work you have done will continue to serve our State well, long into the future.

I wish you and your wife, Elly, your two sons, and your entire family the best of luck in the future, and I hope you continue to thrive in your well-earned retirement.

Ms. KLOBUCHAR. I thank my colleague for his statement and agree.

Doug Peterson has served the Minnesota Farmers Union for 14 years, the Minnesota State House of Representatives for 12 years, and the Minnesota public education system for 20 years. Whether it has been through writing and advocating legislation, painting on a canvas, or educating students, for nearly 40 years Doug Peterson has been leaving his mark. That is why I am proud to honor him today on his retirement from the Minnesota Farmers Union.

TRAIL OF TEARS NATIONAL HISTORIC TRAIL

Mr. COTTON. Mr. President, in honor of the National Park Service's 100th birthday year, I would like to recognize the Trail of Tears National Historic Trail, which covers nine States and thousands of miles of land and water routes.

The Trail of Tears is rooted in a painful, unfortunate time for our Nation. Following the passage of the Indian Removal Act of 1830, five tribes were forced from their homes and into what is now modern-day Oklahoma. These five major Southeast tribes consisted of Cherokee, Choctaw, Muscogee, Chickasaw, and Seminole Indians. The trail gets its name from the painful trips these individuals took across the country as disease, desertion, and death characterized many of their journeys.

Arkansas is a State full of rich history and heritage. While it is sometimes painful to recall, the Trail of Tears National Historic Trail is a critical part of that history. The National Park Service gave this trail this distinction in an effort to preserve the story of the forced migration of these Native Americans. We must learn from the mistakes of our past so we do not repeat them in the future.

TRIBUTE TO TRAVIS WOOD

• Mr. BOOZMAN. Mr. President, today I wish to congratulate Travis Wood, an Arkansan who is a member of the 2016 World Series Champion Chicago Cubs.

Travis was born in Little Rock, AR. He comes from an athletic family and demonstrated his potential on the baseball diamond early. He gained national notice as a member of Bryant's 15-year-old All-Stars team when he pitched a no-hitter and struck out 17 batters at the Babe Ruth World Series.

Travis played baseball at Bryant High School, where he was a three-time All-State selection and helped lead the Bryant Hornets to the State championship game in his junior season. He went on to win more accolades, including Saline County "Male Athlete of the Year" and the Arkansas Gatorade "Player of the Year" in addition to being named to the Louisville Slugger High School All-American team and the Louisville Slugger "Player of the Year" in Arkansas.

After high school, Travis began his professional baseball career when he was drafted 60th overall by the Cincinnati Reds. He made his major league debut for the Reds against the Cubs at Wrigley Field on July 1, 2010.

Wood was traded to the Cubs in 2011 and was named to the National League All-Star Team in 2013. This season, Travis was an integral part of the Cubs' bullpen, going 4-0 with a 2.95 ERA in 77 appearances.

While he's known for his impressive pitching repertoire, Travis has also had

success in the batter's box throughout his career. That was on full display in game 2 of this year's National League Division Series, when he hit a 393-foot solo homerun against the Giants and helped propel the Cubs to a 2-0 lead in the series.

Travis has continued to impress throughout his professional career, and Arkansas is extremely proud of him. We are so excited for Travis and his teammates, who were able to come back from a 3-1 series deficit to win the World Series, the first time the Chicago Cubs have done so in 108 years.

Travis Wood is a great ambassador for the Natural State, and I am pleased to recognize his achievements. Congratulations, Travis and the entire Chicago Cubs organization, on a historic World Series championship.●

RECOGNIZING THE 30TH ANNIVERSARY OF POST-SECONDARY ENROLLMENT OPTIONS

• Mr. FRANKEN. Mr. President, today I would like to recognize the 30th anniversary of post-secondary enrollment options for high school students and the former Governor of Minnesota, Rudy Perpich, who founded this program.

Mr. Perpich was the longest serving Governor of Minnesota and a proud member of the Democratic farm and labor party in our great State. Since 1986, Minnesota's high school juniors and seniors have had the opportunity to participate in courses at the college level for dual credit and at no cost to the student or their family. The program has even grown now to allow sophomores to participate. This has made the transition between high school and college so much easier and affordable for our students. I have been honored to continue this effort in the Senate as we reformed the Elementary and Secondary Education Act. Schools across the country can now invest in accelerated learning programs, including dual enrollment programs, like post-secondary enrollment options, as part of their efforts to provide students with a well-rounded education.

In 2014, more than 9,000 Minnesota students took advantage of post-secondary enrollment option courses. With the growing cost of college, it is more important than ever that we continue to champion opportunities for students to save. Today I would like to honor Governor Rudy Perpich for investing in the education of our children and working to make higher education more accessible and affordable for all students.●

● Mr. HELLER. Mr. President, today I wish to congratulate Councilman Ron Schmitt, of Sparks, on his retirement. After serving as a member of the Sparks City Council for 15 years, Councilman Schmitt retired on November 14, 2016. It gives me great pleasure to congratulate him on his retirement after many years of hard work and dedication to the city of Sparks.

Councilman Schmitt is an outstanding example of someone who is devoted to improving their community. Upon moving to the Silver State and living in the Sparks area for more than

Before taking on the role as city councilman in 2001, Councilman Schmitt served on the Washoe County Human Services Consortium Advisory Board as member and chair, the Sparks Planning Commission, and the Sparks Citizens Advisory Committee. TRIBUTE TO JANET SNYDER

● Mr. HELLER. Mr. President, today I wish to recognize Janet Snyder for tirelessly supporting Nevada's veterans and military families, particularly military spouses and widows. Mrs. Snyder is dedicated to giving back to the brave men and women who defend our freedom and has contributed greatly to the Las Vegas military community and to the greater good of the Silver State.

Mrs. Snyder understands the many sacrifices military families make on a daily basis. As an army wife, mother of three, grandmother of six, and great-grandmother of five, she stands as a shining example of someone who has devoted her life to the betterment of others, selflessly serving to advocate for the interests of our Nation's heroes and their families each day. Her dedication reminds us all of the importance of thanking the men and women serving this great Nation, as well as their families, for their countless sacrifices.

Since the passing of her husband of 52 years, Mrs. Snyder has provided unwavering support and care for military widows as president of several military wives clubs and support groups. In fact, Mrs. Snyder was recently installed as president of the National Society of Military Widows in October of 2016. The Silver State is grateful and honored to have a Nevadan leading this critical organization. Additionally, Mrs. Snyder is the secretary and acting treasurer of the Society of Military Widows of Southern Nevada Chapter 34 and was also the founding president from 2012 to 2015. Mrs. Snyder is also an active member of multiple religious groups. She was editor of the Military Jewish Chapel Newsletter and directed and participated in many projects with local religious leaders from Protestant, Catholic, and Jewish communities.

Mrs. Snyder is also known for her outstanding advocacy for military widows by fighting against unfair benefit adjustments that negatively impact families of deceased veterans. Specifically, she has played a pivotal role in fighting for legislation, S. 979, to reverse the offset of the Survivor Benefit Plan, SBP, and Dependency and Indemnity Compensation, DIC, programs so that spouses of late military retirees fairly receive their deserved benefits without any deductions. As a cosponsor of this bill in the Senate and as a member of the Senate Veterans' Affairs Committee, I truly admire Mrs. Snyder's commitment to these families and believe she is an extraordinary role model to all Nevadans.

Mrs. Snyder's hard work has not gone unnoticed. I extend my deepest gratitude to Mrs. Snyder for her noble contributions to the Las Vegas military community. Her service to Nevada places her among the most remarkable men and women of the State, and acknowledgement of her dedication is well deserved.
