TRIBUTE TO DR. GREGORY FRITZ

● Mr. WHITEHOUSE. Mr. President, today Dr. Gregory Fritz will be honored by the Mental Health Association of Rhode Island with the Bell Award. This award recognizes a mental health

champion whose work has helped promote the cause of mental health and improved of lives of people living with mental illness.

For over three decades, Dr. Fritz's leadership and advocacy have strengthened our Rhode Island community. He arrived in Rhode Island in 1985 to build a comprehensive pediatric psychiatry service at Hasbro Children's Hospital. Since, Dr. Fritz has become the academic director of Bradley Hospital, the director of Bradley Hasbro Children's Research Center, the director of the Division of Child and Adolescent Psychiatry at Rhode Island Hospital, and the director of the Department of Psychiatry and Human Behavior at the Warren Alpert Medical School of Brown University.

Dr. Fritz is also a national leader in the mental health field, serving as the president of the American Academy of Child & Adolescent Psychiatry. He has used this platform to encourage integration of mental health services into primary care, a key strategy to improving children's access to mental health care, and ultimately, their health outcomes.

It has been my privilege to see up close Dr. Fritz's dedication and drive to improve the lives of children and adults with mental illness. A decades-long effort I led with Senator JACK REED to provide parity in Federal funding for teaching programs at children's psychiatric hospitals would not have been possible without Dr. Fritz. We hit many road bumps along the way, but Dr. Fritz did not stray from the course. He left no stone unturned—and no strategic partner uncalled—in advocating for this change. He noted, quite honestly, in an op-ed published in the Providence Journal, "I am far from dispassionate about this issue."

Dr. Fritz has displayed passion and energy for raising awareness and bringing people together to identify solutions to a range of issues, including mental health parity, addiction and recovery, and workforce training. This is so important for the communities he serves—children and young adults with mental health and substance use disorders—who too often don't have a strong advocate. Thankfully, in Rhode Island, they have Dr. Fritz.

Dr. Gregory Fritz has dedicated his career to improving the lives of children with mental illness, and many have benefited from his leadership. I offer him my congratulations on this well-deserved award, and I look forward to continuing to work alongside him.●
