

is also the founder of Girls in STEM. Miss Cross is a role model to her peers, and I am thankful to have such an ambitious Nevadan representing our State at this prestigious event.

Miss Krolicki attends George Whitell High School and serves her peers in a number of student activities. She is president of her senior class, a member of the student issues committee, president of the National Honor Society and Key Club, and captain of the varsity soccer team. I am grateful that Miss Krolicki served the State of Nevada as an intern in my office last summer. She is truly an inspiration to her peers and future generations of Nevadans.

Both students are shining examples of what hard work and determination can accomplish. They should be proud of their selection in this competitive process. Today I ask my colleagues to join me and all Nevadans in congratulating both Miss Cross and Miss Krolicki in this achievement and in wishing them well as they represent Nevada at USSYP 2016.●

TRIBUTE TO TINA QUIGLEY

● Mr. HELLER. Mr. President, today I wish to recognize Tina Quigley for all of her hard work and dedication to the State of Nevada. Ms. Quigley has gone above and beyond in her role with the Regional Transportation Commission of Southern Nevada, RTC, bringing efficient transportation methods to the region and driving economic development.

Ms. Quigley was raised in Petaluma, CA, and initially planned to have a career in aviation. After graduating with a bachelor's degree in aviation business and planning from Embry Riddle Aeronautical University, she moved to Las Vegas and began working for former Clark County director of aviation Bob Broadbent at McCarran International Airport. Ms. Quigley began her career with RTC in 2005, accepting the position of deputy general manager. In 2012, she was selected to lead the commission as general manager.

Since accepting the position, Ms. Quigley has led numerous projects at RTC that have greatly benefitted the State. These projects have led to vast improvements to the area's transit system, bringing greater accessibility to the local community and the many tourists traveling throughout the region. Under her leadership, RTC launched a transit pass program for university students and staff, eight new rapid transit and express bus routes, and a residential route. The commission has also added hundreds of new bus shelters, three transit terminals with commuter parking lots, and a platinum LEED-certified transit hub in Las Vegas. As a result of her successful initiatives, RTC was named one of the most efficient transit providers in the Nation.

She has also served as a voice to the Nevada legislature, advocating on behalf of southern Nevada's transpor-

tation and infrastructure needs. Recently, Ms. Quigley spearheaded work within the State to move forward on the future Interstate 11, I-11. I am proud to have led the way in Washington, DC, on legislation including the extension of I-11, which was signed into law. Developing critical infrastructure in our State is the first step toward long-term job growth and sustainability, and I am thankful to have Nevadans like Ms. Quigley working as an ally in the fight to complete this initiative.

Over the last decade, Ms. Quigley has demonstrated an unwavering commitment to bringing southern Nevada the transportation and infrastructure tools it needs. The Silver State is fortunate to have Ms. Quigley working to build a greater and more accessible Nevada. I ask my colleagues and all Nevadans to join me in thanking Ms. Quigley for her many contributions to our State. I wish her well as she continues her efforts to address southern Nevada's transportation needs.●
