

Although her husband's transfer relocated Mrs. Johnson away from Capitol Hill and back to her home town of Memphis, Tennessee, for three years, she returned to the Hill in 1989. For the next decade, she served as Executive Assistant and Clerk for the Education and Labor Committee Democrats. In 1999, she became the Chief Administrative Officer and Clerk for Democrats on the Judiciary Committee—a position she held for twelve years.

In 2013, Mrs. Johnson joined the Financial Services Committee and has remained the Chief Administrative Officer and Clerk until her retirement today.

From my time on the Judiciary Committee and as Ranking Member of the Financial Services Committee I have personally come to know Anita Johnson. She is a tireless and relentless worker, an excellent multi-tasker, doing whatever it takes to accomplish tasks both large and small. When everyone else is stressed because of the pressure, she remains calm.

She is a true professional, whose expertise, integrity, dedication and commitment have served as an example to her peers and colleagues. Her willingness to go the extra mile, her insights and opinions have been extremely valuable to the successful undertakings of each office she has served—especially my own.

She has flawlessly maintained budgets totaling millions of dollars, ensured the smooth running of each office in which she worked; skillfully clerked dozens of markups, and provided valuable assistance to myself, other Members, and staff.

Prior to her time on the Hill, Mrs. Johnson was an educator teaching at Wooddale Senior High School (Memphis, TN); Hazelwood Senior High School (St. Louis, MO); Ivanna Eudora Kean High School (St. Thomas, USVI); and, Savannah Area Vocational Technical School (Savannah, GA). Additionally, Anita has been a member of the Washington Performing Arts Society Men and Women of the Gospel for years; and, has performed at the Kennedy Center, Carnegie Hall; TNT's "Christmas in Washington"; and, the Kennedy Center Honors. With the Trinity Choir at Alfred Street Baptist Church, Alexandria, Virginia, Anita has also performed in Austria, Italy, Germany, Paris, Brussels, and Amsterdam.

On behalf of the Financial Services Committee, its staff, and this distinguished body, we would like to thank Anita for her commitment to the U.S. House of Representatives and her exemplary service to this nation. Her humility, integrity, generosity, loyalty, sense of humor and professionalism will be sorely missed. She has served as a cherished colleague, mentor and friend to many present and former Hill staff members. We wish her the best of luck and extend to her our deepest gratitude as she leaves Capitol Hill.

NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2018

SPEECH OF

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 12, 2017

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2810) to authorize appropriations for fiscal year 2018 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes:

Mr. BLUMENAUER. Mr. Chair, I will vote against H.R. 2810, the National Defense Authorization Act (NDAA) for Fiscal Year 2018 (Roll no. 378). I commend the House Armed Services Committee for tackling some difficult issues, but I remain concerned about several components of the bill, including its lack of fiscal discipline and use of budget gimmicks.

There are provisions of this legislation that I support. I am pleased this bill includes a provision expressing the sense of Congress that climate change is a direct threat to the national security of the United States. The bill would also support a 2.4 percent military pay raise and would require the Pentagon to report to Congress any attempts by Russian actors to hack the Defense Department's system.

However, by authorizing a total of \$621.5 billion in base budget authority, exceeding the \$549 billion cap set in the 2011 Budget Control Act, and using \$10 billion in Overseas Contingency Operations (OCO) funding for base defense requirements, Congress and the administration are misusing budget mechanisms to pad their accounts in an era of fiscal uncertainty. The bill puts off making tough decisions about our defense spending.

The legislation also keeps intact funding for several unnecessary weapons programs and undermines key international nuclear non-proliferation efforts. The bill authorizes full

funding for the Air Force's next generation air-launched cruise missile, known as the Long-Range Standoff weapon (LRSO), even though Secretary of Defense Mattis has stated numerous times that he is skeptical we actually need it. I offered an amendment to keep funding for the LRSO at FY17 levels until the administration submits a Nuclear Posture Review to Congress, but it was unfortunately not accepted.

The bill also requires the Department of Defense to develop a missile system that, if tested or deployed, would violate U.S. obligations under the Intermediate-Range Nuclear Forces (INF) Treaty. I offered an amendment to prohibit this system's development until military experts, diplomats and our NATO allies certify that they agree with this approach, but this amendment too was rejected.

Additionally, the legislation caps funding for nuclear weapon dismantlement at \$56 million for FY19 through FY21, making us less safe.

Beyond nuclear weapons and treaties, the legislation maintains a prohibition on transferring detainees in Guantanamo Bay detention facility to the United States and bars the construction or modification of facilities within the U.S. to house detainees for another year. It's past time that we closed this military prison. We can safely and securely imprison anyone we need to without the extraordinary expense of this recruiting tool for ISIS.

The bill also prohibits a new round of base realignment and closure (BRAC), rejecting the Department of Defense's request for flexibility to implement BRAC for the sixth year in a row.

The best way to support our troops is to fight for common-sense budgeting and spending these sums out properly.

She was also involved in economic development initiatives, including the establishment of the Dearborn Town Center and the redevelopment of the Warren Avenue and Dix-Vernor business corridors. into a thriving community that effectively serves the needs of the city's residents.

Ms. Hubbard's commitment to public service and the City of Dearborn helped improve the quality of life for the community while driving economic development in the area. As a lifelong resident of Dearborn, Ms. Hubbard's deep ties to the area allowed her to effectively engage with her constituents and address pressing issues facing the city at large. She was a tireless advocate during her career with the City Council who remained personally engaged with city's residents throughout her life, and her passion for public service will be missed. It is my hope that the city will continue to build on Ms. Hubbard's outstanding legacy.

RECOGNIZING DEPUTY SILVIO
DEANGELO IV AND OFFICER
MATTHEW CAVANAGH

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 17, 2017

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise today to recognize Deputy Silvio DeAngelo IV of the Delaware County Sheriff's Office and Officer Matthew Cavanagh of the Glenolden Borough Police Department. These men saved the life of my staffer and friend Joseph Campisi when he suffered a heart attack on April 19th, 2015.

Joe had just finished a game of basketball at the L.A. Fitness in Springfield, PA when he suddenly collapsed. Fortunately, Deputy DeAngelo and Officer Cavanagh happened to be finishing a workout at that very moment. Despite being off-duty and having never used a defibrillator on a live person before, they immediately sprang into action. Their training came through in the clutch and they were able to resuscitate him before the EMTs arrived. Thanks to their heroism and decisive action, Joe's heart was beating again in less than two and a half minutes.

After 8 days in a coma, open heart surgery, five weeks in the hospital, and another six months of recovery, Joe was once again able to rejoin my staff. Now, more than two years since his heart attack, I am happy to say that Joe has made a full recovery. Looking at him today, you would never know he came within an inch of death.

Without the bravery and quick-thinking of Officer Cavanagh and Deputy DeAngelo, my friend Joe would not be here today. Mr. Speaker, I ask that you and my other distinguished colleagues join me in thanking these two law enforcement officers. They represent the very best the First District of Pennsylvania has to offer.
