RECOGNIZING THE LIFE OF
LOUISE LITTLE

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize the life of Louise Little, a native of Morganton who passed away on June 30.

Louise was born and raised in our home of northeast Georgia. After graduating from Sacred Heart College, she moved back to the area to care for her friends and loved ones as a lab technician at the Rockford Clinic.

With a passion for service, Louise used her time away from work to immerse herself in her community. She was actively involved in the Lions Club, where she received numerous awards for her dedication and selflessness towards others.

On the political front, Louise was a leader who encouraged women to get more involved in politics. Her commitment to women earned her the position of president at her local chapter of the National Federation of Republican Women.

Between that and her work with the local Republican party, she encouraged others to speak out and share their ideas. She believed that every voice matters and that every individual has the power to make a difference.

Mr. Speaker, northeast Georgia is grateful for Louise Little. This woman lived a life committed to helping others. She was determined to make her community and country a better place for everyone.

While I'm sad to see the story of such an outstanding woman come to a close, I am thankful that Mrs. Little's legacy will carry on among her neighbors.

HONORING THE LIFE OF MARION
WALSINGHAM

HON. NEAL P. DUNN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. DUNN. Mr. Speaker, I rise today to honor the memory of Marion Walsingham, a pillar of the Bay County, Florida community who recently passed away at the age of 94.

Marion and her husband, Alvin, opened "Alvin's 5 and Dime" in St. Andrews in 1950. The store later became "Alvin's Island Stores," with locations on Panama City Beach, Destin, Fort Walton, Pensacola Beach, Orange Beach, Alabama, and Gulf Shores, Alabama.

Marion was an active member of St. Andrew United Methodist Church, the founding member of the Panama City Beach Women's Club, and a member of the first Library Committee to bring a Public Library to Panama City Beach. She was instrumental in starting the first Chapter of the Order of the Eastern Star in Panama City Beach, working her way through the leadership within the Chapter, and eventually serving as the Chairman of the Cancer Fund from 2009 to 2010.

Aside from her work in the community, Marion enjoyed spending time traveling with her grandchildren and supporting her great-grandchildren at local events.

Mr. Speaker, please join me in honoring a life well-lived. Marion Walsingham dedicated her life to the Bay County community and we will forever be grateful.

INTRODUCTION OF THE
BIKESHARE TRANSIT ACT OF 2017

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. BLUMENAUER. Mr. Speaker, America is in the middle of a bikeshare revolution. More than 100 communities have bikeshare systems, supporting a network of 4,800 stations and over 42,000 bikes. Since 2010, riders have taken more than 88 million trips, with the number of trips and systems increasing each year.

Today, my community is celebrating the one-year anniversary of its BIKETOWN bikeshare launch. In the last year, more than 75,000 Portlanders and visitors have taken hundreds of thousands of trips, covering more than half a million miles and removing untold numbers of automobiles from city streets. The system's success has already led to its expansion, giving more communities access to efficient, carbon-free transportation.

The increased commercial investment around bikeshare stations and networks is driving economic development across the country. Systems are opening in communities of all sizes from Los Angeles and Cleveland to Topeka and Birmingham. While some existing bikeshare programs received federal dollars to develop their systems, the lack of an established funding source has proved an impediment to many other projects. Since the term "bikeshare" is not defined in U.S. code or described by law as a form of transit, existing bikeshare systems and departments of transportation are forced to operate in a gray area, creating challenges for funding, maintaining, and administering these programs.

Today, I am introducing the Bikeshare Transit Act, legislation that will eliminate this gray area by defining bikeshare in statute and making bikeshare systems eligible to receive funding to enhance related public transportation service or transit facilities. The bill allows federal funding to be used for acquiring or replacing bikeshare-related equipment and constructing bikeshare facilities. Bikeshare systems will also be listed as eligible projects under the Congestion Mitigation and Air Quality (CMAQ) Improvement Program.

The Bikeshare Transit Act will remove significant barriers facing new and existing bikeshare projects applying for federal funding while underscoring that bikeshare programs drive economic development and are an important part of bringing choice and adding value to America's transportation system.

RECOGNIZING THE ACHIEVEMENTS
OF RACHEL HECK

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. COHEN. Mr. Speaker, I rise today to recognize Rachel Heck who made Memphis proud over the weekend at the U.S. Women's Golf Open. At 15 years of age, Rachel was the youngest player in the 2017 U.S. Women's Open field.

Rachel Heck is a sophomore at St. Agnes Academy with a stellar 4.7 GPA and has already committed to attend Stanford University. She was selected to be the USA Today high school golfer of the year and The Commercial Appeal's High School Golfer of the Year. Rachel qualified for the U.S. Women's Open on her first attempt, taking one of two spots in the Braselton, Ga., sectional qualifier.

Last September, Rachel won the TSSAA Division II-AA girls state title. In June, she won the 2017 Rolex Girls Junior Championship. She's No. 3 in the Golfweek/Sagarin Junior Rankings and is ranked second by the American Junior Golf Association.

Rachel Heck finished her first appearance at the U.S. Women's Open at 2-over-290. Overall, Rachel posted rounds of 72-74-72-72 while battling difficult conditions throughout, including heavy rains on Thursday and Friday. She finished 33rd in a six-way tie and placed 3rd amongst amateurs.

Rachel Heck is one of the greatest, if not the greatest, Memphis golfers ever. Dr. Carey Middlecoff (born in Hall, TN) won the U.S. Open Championship in 1949 and the Masters Tournament in 1955 and Shaun Micheel (born in Orlando, FL) won the PGA Championship in 2003, but Rachel is a native, born and raised in Memphis.

I joined thousands of Memphians watching Rachel, who had one of the best human interest stories of the tournament. I wish her the

best as she continues her golf career at St. Agnes and at Stanford University.

**HONORING THE LIFE AND LEGACY
OF MRS. LORI ANN GLASSER**

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. HASTINGS. Mr. Speaker, I rise today to honor the life and legacy of Mrs. Lori Ann Glasser, whom we sadly lost on July 18, 2017. Lori was a constituent and friend of mine, and I will miss her dearly. My thoughts and prayers are with her family and friends in this undoubtedly difficult time.

Lori contributed greatly to the growth of Democratic politics in Florida, specifically in Broward County. She was the president of the Sunrise Regular Democratic Club, and the past president of the Council of Democratic Club Presidents for Broward County. She held that position for 5 years, becoming the longest serving president in that organization's history. She was also the past president of the Gold Coast Women's Democratic Club of Broward County, and the Broward Democratic Party Area Leader for Sunrise, Plantation, North Lauderdale, and Tamarac.

She was an elected Florida Delegate representing the 20th and 23rd Congressional Districts at every Democratic National Convention from 1992 to 2008, and proudly served on numerous boards and committees both political and civil.

Lori's contributions to our community will be remembered for years to come. She is survived by her husband, Craig Glasser of Sunrise, Florida, and her son. May their faith bring comfort to them in their time of grief, and know that Lori's spirit and loving memory will always live on.

**RECOGNIZING THE NATIONAL
IMMIGRATION LAW CENTER**

HON. LUIS V. GUTIÉRREZ

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. GUTIÉRREZ. Mr. Speaker, I rise today to recognize the National Immigration Law Center for its leadership and decades-long commitment to defending and advancing the rights of immigrants with low income.

On July 25th, the Coalition on Human Needs will rightfully honor the National Immigration Law Center as one of its Human Needs Heroes for the year. Since 1979, NILC has grown to be one of the premier immigrants' rights organizations, strategically using a combination of litigation, policy, communications, and alliance-building strategies to effect social change.

During my years in office, I have been proud to work with NILC to advance fair and moral immigration policies. During a debate that all too often plays to fear rather than fact, NILC works to make sure that policymakers remember the humanity of immigrants, their irreplaceable contributions to our economy and culture, and the real effects these laws have on their lives. By defending immigrants' rights

to due process, fair treatment as workers, and preventing racial profiling, NILC has benefited our communities and strengthened our democracy.

I have been proud to work with NILC on many important bills and advocacy efforts. Over the years, we have worked tirelessly to keep families together through deportation defense. We have fought to reverse cuts to immigrant families' welfare benefits. We have put our heads together to draft smart, fair, and humane Comprehensive Immigration Reform and DREAM legislation to make immigration legal again and to protect young immigrants. We have advocated for immigrants' health by creating legislation that would allow undocumented immigrants to obtain healthcare through the Affordable Care Act. Today, we continue to work together to protect our country's immigrant community that is under the threat of mass detention, deportation, and overall criminalization of immigrants. Together, we have not and we will not back down from this threat. I am proud to be an ally of NILC, and I applaud them in their tireless commitment to creating fair and just immigration policies.

The National Immigration Law Center has been a trusted source of policy on the intersection of poverty and immigration, an unyielding voice for making sure the debate on immigration reflects the lives of those that it affects, and a staunch defender of immigrant rights. It is my honor today to recognize the National Immigration Law Center for its dedication and skill, as well as to thank them for all that they have done on behalf of immigrants.

**HONORING THE SERVICE OF
JUDGE DAMON J. KEITH**

HON. JOHN CONYERS, Jr.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 19, 2017

Mr. CONYERS. Mr. Speaker, I rise to recognize a great public servant and a brilliant jurist, Judge Damon J. Keith. Throughout his 50 years on the federal bench, Judge Keith has steadfastly and courageously protected the constitutional and civil rights of all Americans, and I am pleased that he will be honored tonight in a special event at the Supreme Court celebrating his outstanding career, and his service to the United States.

Judge Keith was born on the Fourth of July in 1922. From an early age, he stood out as a scholar and an athlete. He graduated from Northwestern High School in Detroit, where he excelled in track and he went on to become the first in his family to earn a college degree, graduating from West Virginia State College in 1943. After serving in the U.S. Army for three years, he continued his education and earned his law degree from Howard University Law School in 1949.

Judge Keith started his legal career in Detroit with the African-American law firm of Loomis, Jones, Piper & Colden, and he was one of six Detroit attorneys invited to the White House in 1963 by President John F. Kennedy to discuss the role of lawyers in the civil rights struggle.

In 1967, he was appointed to the federal bench by President Lyndon Johnson, becoming only the second African-American to sit on the U.S. District Court for the Eastern District of Michigan, and in 1975, he rose to become Chief Judge of that court. During his tenure on the District Court, Judge Keith delivered several key civil rights rulings on such important issues as school desegregation, employment and housing discrimination, and affirmative action.

In 1971, Judge Keith issued a landmark civil liberties ruling in *U.S. v. Sinclair*, which found wiretap surveillance absent a court order in domestic security cases to be unconstitutional. This case came to be known as the "Keith decision" and it was unanimously upheld by the United States Supreme Court. His ruling is also widely acknowledged as contributing to passage of the Foreign Intelligence Surveillance Act in 1975, which placed important restrictions on government surveillance of Americans.

In 1977, President Jimmy Carter appointed Judge Keith to the United States Court of Appeals for the Sixth Circuit, where he has served with distinction. He took senior status in 1995, but he continues to be a vital member
