

Joel Davis had an older brother, Josh, who is a member of the Watertown City Police Department. Josh cites his brother as one of the most important role models in his life, and the reason he chose a career in law enforcement. Though Joel was considered the more serious of the two brothers, he also loved a good joke and to laugh—he loved to dance to music and have fun.

Trooper Davis also loved sports and grew up playing every sport imaginable with his family and friends. In his spare time, he volunteered as a coach and commissioner of a youth baseball league, and has had a lasting impact on the lives of the many young athletes he worked with.

This past Saturday, thousands of officers attended the services for Trooper Joel Davis. We will not forget Trooper Davis and the ultimate sacrifice he made. Our hearts mourn with his family, friends, and the entire law enforcement community.

IN RECOGNITION OF ANTHONY
COLACCHIO

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 20, 2017

Mr. KEATING. Mr. Speaker, I rise today in sincere recognition of Anthony Colacchio and his commendable dedication in starting a wheelchair curling program at the Cape Cod Curling Club, as well as his dedication to serving wheelchair athletes.

Anthony has always been passionate about volunteering his time, money, and efforts to helping those who are differently-abled. He is a nationally-certified wheelchair trainer, has convinced the Grand National Curling Committee to set aside money to assist wheelchair curlers, accompanied the United States Paralympic Team to the Paralympic Games in Sochi, Russia in 2014, and will be accompanying the team again during the 2018 Games in Pyeong Chang, South Korea. Anthony and his wife, Mary, have also been invaluable in the ongoing expansion to make the Cape Cod Curling Club in Falmouth, Massachusetts handicap accessible.

Anthony's renowned work with the wheelchair curling community has roots much closer to home. After seeing his brother, who was in a wheelchair, sidelined from sport, Anthony saw curling as a golden opportunity to bring together all athletes in a common arena as equals. Anthony's work has come with sacrifice—dedicating so much of his time to the sport, he has missed special occasions with family but they have remained supportive throughout his tireless work.

Anthony's volunteerism does not end at the edge of the ice. He is involved in Neighborhood Falmouth, a local chapter of a national movement that promotes community residence for older Americans. Anthony regularly takes seniors to their doctors' appointments, providing vital transportation so they can access the health services they need. Additionally, he is on the board of directors for USS *Donner* Reunion, an organization that provides information and holds reunions for former shipmates of the USS *Donner*, a dock landing ship that served in the U.S. Navy from 1945 to 1970.

Anthony and Mary host an annual banquet in July known as the International Bonspiel. This year marks the 48th year of the banquet, and attendees will include veterans of the wheelchair curling community from South Korea, Slovakia, Canada, and the United States. Anthony's selfless commitment to both wheelchair athletes and the sport of curling has touched innumerable lives in the United States and around the world. For these efforts he is being recognized this year at the Bonspiel dinner.

Mr. Speaker, I am proud to honor Anthony Colacchio for his dedication to the sport of curling and creating an equal playing field for people of all abilities. I ask that my colleagues join me in thanking him for his work and wishing him all the best as he continues his important efforts.

Dr. Dobbs' career as an educator is marked by a stalwart commitment to students across Idaho, particularly in Twin Falls. IN THE HOUSE OF REPRESENTATIVES

Thursday, July 20, 2017

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Allied Clean Fuels Plaza upon the occasion of their Grand Opening Celebration. This fuel service center is the first business in Northern California to specialize in offering clean fuel options for all types of vehicles.

In addition to the traditional three grades of unleaded and diesel gasoline offered by most service stations throughout the country, the Plaza offers a broad range of fuels and energies which address the ecological issues of the twenty-first century. These fuels include E-85 ethanol, diesel exhaust fluid (DEF), renewable hydrocarbon diesel, Propane Autogas and six fast-fill compressed natural gas (CNG) dispensers. The Plaza also features the option to recharge electric cars with a state of the art Tesla Supercharger Station. The Supercharger is capable of charging, eight Tesla vehicles simultaneously in just 20 minutes.

The Allied Clean Fuels Plaza is addressing the serious issue of climate change by making cleaner sources of energy available to our community. The station is already equipped to offer Liquefied Natural Gas (LNG) and Hydrogen to meet the demands of our community as these fuels become more popular. The Plaza represents the first of the types of businesses we will need to protect the vitality of our environment for future generations.

While the Plaza is looking toward the future, they are firmly rooted in the history and values of our community. They are affiliated with Allied Propane Service, which has been operating in Northern California for 50 years. Their emphasis on clean fuel reflects the desires of members of our community to be responsible consumers. Their full service Circle K convenience store sells sandwiches, soups and regional cheeses from local vendors, and they offer premium wines from Napa and Sonoma, the best wine in the world.

Mr. Speaker, the Allied Clean Fuels Plaza is an innovative, responsible and impressive new service station in my community. Stan Teaderman is the driving force behind the Plaza and is an important member of our community who works hard to benefit the environment and support many charitable causes. Therefore, it is fitting and proper that we honor them here today and wish them the best of success.

RECOGNIZING LT. COLONEL TED
BALLARD**HON. JOE WILSON**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 20, 2017

Mr. WILSON of South Carolina. Mr. Speaker, I am grateful to honor a true American hero who has continued to make a difference in the lives of many throughout his life. Lt. Colonel Arthur "Ted" Ballard Jr. was born in Spartanburg, South Carolina in 1932. He is a graduate of Spartanburg Senior High School, Spartanburg Junior College, and attended Clemson University.

In 1954, Ted joined the U.S. Air Force as an Aviation Cadet and received his silver pilot's wings and commission the following year. In 1955, he married the love of his life, Ruth. Their son, Kevin, was born in 1959.

In June of 1966, Ted was deployed to the Korat Air Force Base in Thailand to begin flying combat missions over Vietnam. On September 26, 1966, during his 68th mission, Ted's F-105 was shot down by ground fire, forcing Ted to eject the aircraft over enemy territory just north of Hanoi. He suffered a broken left leg and was captured and interned by the North Vietnamese. Ted remained as a prisoner of war for six years, spending time in the infamous "Hanoi Hilton."

Upon his release in March of 1973, Ted returned to the United States and underwent medical treatment and recovery until August of that year. He and his wife decided to finish their undergraduate degrees after his return. Ted went on to earn a master's degree and serve on the faculty of the USAF War College before retiring in 1975. He and his wife moved back to Spartanburg, South Carolina, where Ted became the instructor for the Air Force Junior ROTC program at Gaffney High School. He retired in 1997 after teaching for 22 years.

Sadly, Ted lost his son in 2009 and his wife in 2015. Upon his wife's death, Ted established the Dr. Kevin Dale Ballard 1980 Endowed Scholarship Fund at Wofford College, in South Carolina, in memory of both his brilliant son and loving wife. The scholarship will be awarded to a deserving Wofford College student studying science, technology, or medicine for the first time this fall.

On May 7, 2017, Ted was presented the Order of the Palmetto, South Carolina's highest civilian honor, by Governor Henry McMaster for his admirable service to the citizens of South Carolina.

A truly remarkable man, Ted continues to share the extraordinary story of his life, his time as a POW, and his time in the armed forces. He has made South Carolina and our nation proud.
