#### HONORING THE NEW TECHNOLOGY HIGH SCHOOL

##### HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, January 30, 2017*

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor New Technology High School, which is celebrating its 20th Anniversary of providing innovative educational and career opportunities to students in Napa, California.

New Technology High was established in 1996 by local business people and community educational leaders as a place where students would learn the skills necessary to compete in the changing technological and global economy. This vision has been achieved and expanded over the past 20 years, resulting in an innovative, award-winning educational community. New Technology High School is recognized as a California Distinguished School, a California Gold Ribbon School and a New Tech Network National Demonstration Site.

The school offers a curriculum using innovative administrative and educational models including project and problem-based learning, easy access to technology resources and a focus on student-centered culture and outcomes. Students regularly work in teams to prepare for real life collaborative projects in the technology sector. New Technology High is providing students the important skill set that they will use to tackle the cyber, climate, business and global challenges we face.

In addition to providing exceptional educational opportunities to their own student body, New Technology High offers programs serving 13 schools in the Napa Valley Unified School District. This outreach has led to the creation of the New Tech Network, which helps 180 schools across the country implement innovative models.

Mr. Speaker, for the past 20 years, New Technology High School has been a leader in education reform in the Napa Valley, Northern California, the United States, and globally. It is therefore fitting and proper that we honor the school here today.

#### COMMEMORATING THE 2017 NATIONAL CATHOLIC SCHOOLS WEEK

##### HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Monday, January 30, 2017*

Mr. LAHOOD. Mr. Speaker, today, I recognize Catholic schools and parishes in our nation as we celebrate National Catholic Schools Week. As we approach this celebration, I am excited to announce that this year's theme is "Catholic School: Communities of Faith, Knowledge, and Service," which resonates

with my District that is home to twenty-eight Catholic schools. Parochial education strives to instill faith, community involvement, and commitment in the classroom to shape each generation of students into well-educated, compassionate members of our communities. For forty-three years, Catholic schools have taken part in this tradition, which provides a time to reflect on and commemorate their contributions to education.

There are over two million students enrolled in the 6,525 Catholic schools across the United States that serve urban, suburban, rural, and inner-city communities. This past year, 37 Catholic schools were designated the Blue Ribbon from the U.S. Department of Education, exceeding academic standards, closing achievement gaps, and establishing progressive teaching methods. In addition to this prestigious award, Catholic schools exceed graduation rates throughout the country and extensively focus on college preparatory classes with 85.7 percent of their students attending a four-year college after graduation.

As a proud graduate of St. Anne Grade School in East Moline, Illinois and Spalding Catholic High School in Peoria, Illinois, I am honored to co-sponsor legislation supporting National Catholic Schools Week. The religious values and foundation of faith instilled through Catholic schools has strengthened my relationship with God and informed my daily life with lessons of faith. I am also thankful that our three sons have the opportunity to attend Catholic schools and become immersed in the Catholic faith, quality education, and community service that they provide.

This week is a time to reflect on and celebrate all the contributions of the National Catholic Education Association and the impact their schools provide to our communities. I look forward to continuing to support Catholic schools and carrying out God's mission of faith, service, and knowledge. During National Catholic Schools Week, I extend my sincere blessings to the Catholic schools across the nation and I am honored to promote their successes.

#### CELEBRATING THE 100TH BIRTHDAY OF MRS. LARLIE HENRY DIXON

##### HON. ADRIANO ESPAILLAT

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, January 30, 2017*

Mr. ESPAILLAT. Mr. Speaker, I rise today to recognize the celebration of Mrs. Larlie Henry Dixon's 100th birthday. With nearly a century passing, Ms. Dixon has dedicated her life to Second St. John Baptist Church, the City of New York, and her lifelong contribution to her community.

Mrs. Larlie Henry Dixon, the third eldest of eight siblings, was born on January 28, 1917 to Lloyd & Sarah Henry in Dawson, GA. The family later moved to Largo, Florida where many of her family still reside.

She married Boisey Dixon on November 17, 1935. They were the parents of one daughter, Larlie Jean, who regrettably predeceased her. The family migrated to New York in search of better opportunities in the mid-forties when Larlie entered the work force.

Larlie, known for her candor and directness, had a strong work ethic and always worked

hard to support herself, her daughter and ultimately a granddaughter. She was the housekeeper for a prominent lower Manhattan family for decades. She is still to this day in touch with the family whose son and daughter credit Larlie with helping raise them and are effusive in their genuine love and affection for her.

Mrs. Dixon has been a member of the Second St. John Baptist Church since 1970. A great financial supporter of the church through the years, she proudly served on the Mother's Board where she enjoys mentoring and guiding the young women of the church. She also loved attending Sunday Church School until her later years, but continues to attend the 11 am Worship Service practically every Sunday.

Larlie Dixon is surrounded by family and friends who love and help care for her. She has two granddaughters, Jackie and Jazmine (both of Atlanta); many, many nieces and nephews, grandnieces and grandnephews, spiritual daughter, Berlina Whitaker; Pastor and his wife Reverend Robert and Mrs. Dorothy Jones; Harvey and Dr. Margaret Walker, neighbors; her entire Second St. John Baptist Church family and her three caregivers, Carmelle, Margaret & Antoinette.

Mr. Speaker, I am honored to have had the time to recognize and celebrate the tremendous life of Mrs. Larlie Henry Dixon and her 100th birthday celebration.

#### NO TAXPAYER FUNDING FOR ABORTION AND ABORTION INSURANCE FULL DISCLOSURE ACT OF 2017

SPEECH OF

##### HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 24, 2017*

Ms. McCOLLUM. Madam Speaker, I rise in strong opposition to H.R. 7, a bill that makes it harder for women to access comprehensive reproductive health care, including safe and legal abortion. It is outrageous that, in 2017, women still have to fight for our right to make basic health care decisions.

Under the Hyde and Helms Amendments, no federal dollars fund abortion. H.R. 7 would codify these unjust limitations and in fact goes much further by restricting women's access to comprehensive health care even when no federal funding is involved.

Most egregiously, H.R. 7 provides no exception for abortion in cases where a woman's health is at risk. By providing no "health of the mother" exception, this legislation callously disregards the well-being of American women.

H.R. 7 makes it impossible for women, especially low and moderate-income women, to access comprehensive health care on Healthcare.gov or state insurance exchanges.

This would deny access to safe and legal abortion to American women.

This legislation prevents women serving our country in the military from receiving comprehensive health care through their military or veterans' health care.

H.R. 7 punishes small business owners who offer comprehensive health care to their female employees, even when it comes entirely from private funds.

Finally, this legislation directly attacks the rights of women in the District of Columbia by making it harder for them to access safe and legal abortion.

Every woman should be able to make her own decision about her health care without interference from either the government or her employer. Regardless of her income or her insurance policy, each woman should be able to access quality health care services that are right for her and her family.

Instead of restricting access to critical health services and threatening the health and economic security of women and families, President Trump and Congressional Republicans should be supporting affordable, quality health care as a basic right for all Americans.

This past weekend, I stood with millions of women across the United States, including 100,000 in Minnesota, marching to demand our voices be heard and our health care be protected. My constituents can count on me to keep standing up and speaking out against President Trump and Republicans' attacks on women's rights and women's health.

#### LEGISLATION TO STOP TRUMP ADMINISTRATION FROM DENYING HUMANITARIAN RELIEF TO REFUGEES WHO ARE LAWFULLY ENTITLED TO ENTER THE UNITED STATES

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, January 30, 2017*

Ms. JACKSON LEE. Mr. Speaker, I, a senior member of the House Homeland Security and Judiciary Committees today am giving the following statement in response to the Executive Order issued by the President regarding admission of refugees to the United States:

Today, I am introducing the Universal Security of American Values Act of 2017 (USA Values Act of 2017), which declares the Executive Order issued by the President on January 27, 2017 to be null and void and of no force and legal effect. In addition, USA Values Act prohibits the issuance or implementation of any Executive Order that has the effect of abridging any of the privileges and immunities of Americans or would discriminate against any person seeking entry to the United States on the basis of race, sex, sexual orientation and identity, place of birth, place of residence, ethnicity, religion, age, or statuses that pose no undue health threat to the general population.

As Americans we are best when we are true to the values we hold dear, beginning with fidelity to the Constitution and the laws of the United States. The executive order issued last

Friday by President Trump is a radical departure from these principles and I call upon him to rescind this order immediately.

This Executive Order has affected 67,000 refugees thoroughly vetted by an 18 to 24 month screening process, many of whom have been separated from their families despite processing the proper paperwork.

I agree with President Barack Obama's statement that he "fundamentally disagrees with the notion of discriminating against individuals because of their faith and religion.

Arbitrarily excluding Muslims from our country will not make us safer and makes a mockery of our reputation the world's most welcoming nation.

America is a country founded by persons escaping religious persecution. We must be ever vigilant to ensure we remain the land religious liberty. Innocent lives are being put at risk as a result of a political theater and reactionary policies of the current Administration without even going through the normal review and clearance process.

'The USA Values Act,' which affirms the nation's core values, compliments the 'Statute of Liberty Values Act', (SOLVE Act) introduced today by my colleague Congresswoman ZOE LOFGREN of California and sponsored by me and more than 125 Members of the House which bars ethnic and religious discrimination against refugees.
