

IN CELEBRATION OF JAMES W. PARISH AS 2017 AVIATION PROFESSIONAL OF THE YEAR

### HON. THOMAS J. ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Mr. THOMAS J. ROONEY of Florida. Mr. Speaker, I rise today to celebrate the accomplishments of James W. Parish, executive director of the Punta Gorda Airport, who was recently recognized as the 2017 Aviation Professional of the Year by the Florida Department of Transportation.

Every year, the Florida Department of Transportation honors one executive member of the aviation community with the title of Aviation Professional of the Year. The recipient is selected based on the management and logistical organization of their airport, as well as the safety and technological advancements that take place under their watch.

Mr. Parish earned this award because of the impressive progress that the Punta Gorda Airport has made under his leadership and his overall contributions to the Charlotte County community. During his tenure in Punta Gorda, Mr. Parish elevated the airport from one that only served the general aviation community to one that now offers commercial services and has brought over \$200 million dollars into the local economy while serving over 1 million customers. Under his guidance, the airport has modernized and streamlined its safety protocols while still maintaining a low-cost business model.

Mr. Speaker, I would like to congratulate Mr. Parish and thank him for all that he has done for the Punta Gorda community. He is truly deserving of the Aviation Professional of the Year award, and I am honored to represent him in Congress.

CELEBRATING THE 50TH ANNIVERSARY OF F. GAVIÑA & SONS, INC.

### HON. LUCILLE ROYBAL-ALLARD

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Ms. ROYBAL-ALLARD. Mr. Speaker, I rise today to recognize F. Gaviña & Sons, Inc., a coffee company located in my 40th Congressional District of California, in the city of Vernon. The company, one of America's largest family-owned coffee companies and the nation's largest privately held minority roaster, celebrates their 50th anniversary in 2017.

The history of this coffee company is a story about family. Brothers José María and Ramón Gaviña left their native Basque region of Spain in 1870, in search of a better life. They settled in the fertile mountains of southern Cuba and planted the seeds of what would become Gaviña Coffee.

Don Francisco Gaviña was born on the family coffee estate, Hacienda Buenos Aires. As a boy, he worked in the fields with his own father, watching and learning the secrets of growing quality coffee. He spent hours upon hours helping sow the seeds and urging the little plants to grow.

The family left Cuba in 1959, and arrived in Los Angeles in 1963, where they put down roots. The family later leased a 1,100 square foot building in Vernon and purchased a small roaster from Bob's Big Boy restaurant. By June 1967, when they founded F. Gaviña & Sons, Inc., they were roasting, packing and selling Café Gaviña Espresso.

In the beginning, they focused on producing Cuban-style coffee, but eventually expanded into other coffees that appealed to Middle Eastern and Vietnamese coffee drinkers. About 35 years later, Gaviña's retail brand, Don Francisco's Coffee, had become the top selling coffee in Southern California, behind Folgers and Maxwell House.

The family began selling their coffee to a small group of McDonald's restaurants in 1983. In 2005, Gaviña created a stronger blend that resulted in a double-digit increase in the chain's coffee sales.

According to the Los Angeles Times, by 2010, F. Gaviña & Sons, Inc. had become a \$114 million business and was roasting 40 million pounds of coffee a year. A fifth of their revenue was coming from making and packaging private label coffees for McDonald's, 7-Eleven, and Costco stores. Gaviña coffee brands were being sold in 20 states, and in stores like Ralph's, Walmart, and Vons / Safeway.

Don Francisco's sons, Paco, Pedro, and José, and his daughter, Leonor Gaviña-Valls, grew up on the plantation and learned about coffee in the fields. Along with their own children, they still personally select beans, cup samples as they arrive, and oversee the specialty coffee roasting and production every day. They do all of this so that their customers and guests can be ensured a wonderful cup of coffee every time, from first sip to final drop.

Today, they carry on the dream in their 240,000-square-foot eco-friendly, state-of-the-art coffee roasting facility, just a few blocks from their original 1,100 square foot building. Gaviña Coffee employs more than 250 people, and services businesses of all sizes—from

mom and pop shops to multinational accounts. The company offers four leading U.S. coffee brands: Gaviña Gourmet Coffee, Don Francisco's Coffee, Café La Llave Espresso, and José's Gourmet Coffee.

In honor of their 50th anniversary, Gaviña Coffee created a special Anniversary Blend which is roasted in Los Angeles and uses beans grown on the award-winning Carmen Estate in Panamá by a third generation coffee-growing family. The Anniversary Blend, which entered the market on June 19, 2017, comes in a commemorative tin with a 10-ounce bag of ground coffee. Flavor notes in the new blend include caramel, honey, and ripe fruit with a chocolatey finish.

Fifty years have brought many changes to the original company, but one thing remains the same: Members of the Gaviña family still run the day-to-day operations of the company, with a new generation of Gaviñas poised to continue the pursuit of a great cup of coffee.

Gaviña Coffee's 50th anniversary celebration includes: the opening of their first brick and mortar store in downtown Los Angeles, named Don Francisco's Coffee, Casa Cubana; the special anniversary blend; reaching the goal of 100% zero-waste-to-landfill; a continued commitment to leaving a greener coffee footprint through their Direct Impact™ Initiative, which is based on four core pillars of dedication to farmers, sustainable sourcing, environmental sustainability, and social stewardship; continuing to donate coffee to local shelters and missions; and continuing to support organizations such as the Komen Race for the Cure, Avon Walk 39, Children's Miracle Network Hospitals (CMNH), EnrichLA and the International Women's Coffee Alliance.

Mr. Speaker, I ask my colleagues to please join me in raising our coffee cups to the Gaviña family and F. Gaviña & Sons, Inc. as we celebrate their 50 years of success. We look forward to the next 50 with great anticipation.

HONORING NICHOLAS HROMALIK

**HON. JARED HUFFMAN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Mr. HUFFMAN. Mr. Speaker, I rise today to recognize a dedicated member of my staff, Nicholas (Nick) Hromalik, who is leaving this week after serving in many capacities over the past six years.

Nick graduated from the University of California, San Diego, in 2009, but he began on the path of public service even earlier, working as an intern for Senator DIANNE FEINSTEIN and then-Mayor of San Francisco Gavin Newsom while still in college. After graduation, he traveled to Washington to intern for my predecessor in Congress, Lynn Woolsey, and was soon hired to work for the Green the Capitol Initiative at the CAO. In that role, he helped to make the operations of the Capitol complex more sustainable and led outreach efforts to Member offices. Nick was called home to California upon that program's defunding, joining my team for the first time.

Drawing on his deep Petaluma roots, Nick built relationships across the North Bay, meeting with community leaders and learning about local issues. Starting as a volunteer, he ultimately became the field director of my newly-announced campaign for Congress. On a break from the campaign, Nick also spent some time in my Assembly district office in

San Rafael that year, where he helped constituents with casework, and served as a liaison to organized labor and Sonoma County elected officials.

After my election to Congress in November 2012, Nick returned again to Washington, this time as one of my first hires in this office. Since my swearing-in in 2013, Nick has served California's second Congressional district with distinction, staffing me on issues as diverse as health care, agriculture, trade, energy, and education.

In the six years I have had the pleasure of working with him, Nick has never lost sight of our mission—to solve problems and make a positive difference—and he has maintained deep connections to California that have served him well in his career. He has championed causes that needed a champion, from special education to clean energy, and he has maintained his good humor and dedication throughout.

My family, my staff, and I all wish him and his fiancée Colleen Kilbride all the best as they travel to Chicago for the next step in their careers.

RECOGNIZING THE OPENING OF  
THE NEW STONEGATE CHRISTIAN  
ACADEMY CAMPUS

**HON. KENNY MARCHANT**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Mr. MARCHANT. Mr. Speaker, I rise today to recognize and congratulate StoneGate Christian Academy on the opening of their new school campus, located in Irving, Texas.

Founded in 1976 as a ministry of the Shady Grove Church in Grand Prairie, Texas, StoneGate Christian Academy was built to foster the educational and spiritual needs of the prospering communities that made up its congregation.

In 2008, the Academy's board of directors faced the tremendous hardship of having to relocate their campus to two separate buildings, neither of which possessed the facilities to adequately host StoneGate Christian Academy's growing student body. By the grace of God, StoneGate Christian Academy continued to grow for the next nine years. During this time, StoneGate leased practice venues for its sports teams, band, choir, and drama programs, in order to ensure its students access to their sports and award-winning fine arts programs.

In 2014, word began to spread that the Lakewood Baptist Church in Irving, Texas, was considering selling its property. After two years of discussion and prayer, Lakewood Baptist Church's board of directors reached a decision to sell the property to StoneGate Christian Academy in December of 2016. For the next seven months, StoneGate worked tirelessly to raise enough funds to complete the purchase of its new academy campus, which includes a schoolyard, auditorium, and gym. Through the tireless efforts of alumni, students, parents, teachers, and staff, StoneGate Christian Academy now has adequate facilities to support its growing student body and sustain this growth well into the future.

Today, StoneGate serves as one of the most affordable private Christian schools in

North Texas, providing an outstanding education to its students and teaching valuable lessons about community service and civic duty.

Mr. Speaker, I am honored to recognize StoneGate Christian Academy and congratulate them on the opening of their new campus in Irving, Texas. I ask all my distinguished colleagues to join me in congratulating StoneGate Christian Academy for this monumental achievement.

HONORING NEW MILFORD  
VILLAGE FAIR DAYS

**HON. ELIZABETH H. ESTY**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Ms. ESTY of Connecticut. Mr. Speaker, I rise today to celebrate the 50th Anniversary of the annual New Milford Village Fair Days, sponsored and organized by the New Milford Chamber of Commerce. Village Fair Days is the highlight of the summer in New Milford, and the festival brings thousands of people together for two days of shopping, eating, and playing on the town's village green.

Since its inception in 1967, New Milford Village Fair Days has grown to be the largest annual event in New Milford. Bob Hanna, the Chair of the Fair, planned a special way for the community to commemorate five decades of the festival. This year, fairgoers can make a wish and donate to a local nonprofit of their choice at the Wishing New Milford Well.

Village Fair Days brings together our community to enjoy live entertainment and games, as well as to connect with local businesses and nonprofit groups. The Kids Fun Run is a fun part of the fair that helps children join in the fun and get active. The New Milford Farmers Market also participates in the fair and helps local farmers meet with thousands of neighbors. I would like to recognize the volunteers who have made Village Fair Days possible for the past five decades. Volunteers' love for their town and willingness to dedicate their time to make this event possible show the strength of our community in New Milford.

Mr. Speaker, New Milford Village Fair Days has brought together our neighbors each summer for five decades. Thanks to the event's sponsors, organizers, and volunteers, we can look forward to the annual event for many years to come. Therefore, it is fitting and proper that we honor New Milford Village Fair Days here today.
