**HON. HENRY CUELLAR**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Mr. CUELLAR. Mr. Speaker, I rise today to commemorate the life of Alberto Patricio Cardenas of Laredo, Texas, who proudly served the people of Laredo in public and higher education for nearly forty-four years.

Alberto Patricio Cardenas was born on March 17th, 1937 in Laredo, Texas. After graduating from high school at the age of 16, Alberto began his studies at The Agricultural and Mechanical College of Texas where he would successfully graduate in four years with a degree in history and as a member of the Corps of Cadets.

After college, Alberto began a 13-year career with the Laredo Independent School District, where he taught students at Urbahn Elementary, Lamar Middle School, Nixon High School, and Martin High School. He earned his Master of Education degree from Texas A&M University and thereafter was recruited to be a faculty member of Laredo Junior College where he would meet the love of his life, Maria de la Luz.

Mr. Cardenas spent the next 31 years serving as a counselor and eventually Director of the Counseling and Assessment Center at Laredo Community College. He influenced thousands of students by helping them navigate their degree plans, personal challenges, and by teaching multiple courses. He also raised money for scholarships, organized school floats for parades, and counseled student organizations.

Mr. Cardenas lived a long and service filled life. Not only was he an accomplished educator, but a dedicated community leader. He served in the United States Air Force Reserve, on the Board of Directors and as President of the Laredo Boys & Girls Club, as President of the Laredo Chapter of the International Good Neighbor Council, and on the Laredo-Webb County Child Welfare Board. He also was a member of the Equestrian Order of the Holy Sepulcher of Jerusalem for 15 years, achieving the rank of Knight Commander with Star.

Above all, Alberto was a committed husband and father to Maria de la Luz (Lucy) Rodriguez and their three children Cristina Doda, Alberto Jr., and Maradelle Lilliam.

Mr. Speaker, I am honored to have the opportunity to recognize and honor Alberto Patricio Cardenas for his many years of service to the city of Laredo.

IN MEMORY OF FIRST SERGEANT  
MARGARET BARKER

**HON. J. LUIS CORREA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Mr. CORREA. Mr. Speaker, I rise today in memory of First Sergeant Margaret Barker, an honored veteran who passed away just last week. Sergeant Barker was a highly-respected service woman and a loved community member, and she would have been 100 years old this August.

Raised in Boston, Massachusetts, Sergeant Barker was the third eldest in a family of nine children. When World War II broke out, Sergeant Barker felt called to serve this nation she loved and enlisted in the Women's Army Auxiliary Corps in 1942.

She was sent out to Angel Island just off the coast of San Francisco and moved on to Fort McDowell, where she served until the War ended as a First Sergeant in charge of one of the first all-female, all-black companies in the Army. In 2015, Mrs. Barker traveled to Washington, D.C. with 19 other World War II veterans to view the national war memorial and be honored, and she was the only woman in the group.

Sergeant Barker was a trailblazer and a maverick, serving with grace and distinction in a time when forces were still segregated and gendered. Her devotion to duty and her Company earned her the nickname "Top" in the Military, a name usually given to Sergeants for their commitment to especially caring leadership. This is just one instance of her selflessness, and how highly she valued those around her. Sergeant Barker was known for her warmth and resilience, which is reflected in the close relationships she shared with her family.

After serving in the Military, Mrs. Barker returned to her home in Boston, where she then married longtime friend, Vernon Barker, who was a fellow service member. Together, they decided to move to California, where they started their family and made their home in our community.

Mr. Speaker, please join me in honoring and remembering Sergeant Margaret Barker, whose strength and steadfastness identifies her as a role model to us all. Her generous and always kind spirit will live on in the hearts and lives of everyone she touched, and I extend my deepest condolences to her children, Gail and Beverly, and the rest of her family. May God bless her soul and her family.

#### CELEBRATING THE 100TH BIRTHDAY OF DR. MARY R. STAUFFER

##### HON. LUCILLE ROYBAL-ALLARD

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 28, 2017*

Ms. ROYBAL-ALLARD. Mr. Speaker, I rise today to recognize Dr. Mary R. Stauffer on her upcoming 100th birthday, which will be celebrated on August 27, 2017, in Downey, California.

Born in Toledo, Ohio on August 26, 1917, to Amelia and Reverend Henry Schuh, Mary Ruth Schuh was raised in a home of three generations of Lutheran ministers. At age six, she started teaching Sunday school. Her early teaching experience and involvement with the church introduced her to a lifelong interest in education and philanthropy.

Mary loved reading and studying, and in 1935, she was the class valedictorian of Bexley High School, near Columbus, Ohio. With a scholarship, she attended Capital University, a Lutheran College. By working as an unpaid assistant for a pathologist at White Cross Hospital, she gained invaluable experience and a glowing recommendation for medical school. She graduated summa cum laude from Capital University in 1939.

Mary was admitted to Ohio State University Medical School, where she was one of just five women in a class of 75. She graduated top of her class on April 15, 1943. Concurrent with her MD, she earned her MS in Pathology by applying the first electron microscope in the U.S. to biological research.

On December 18, 1943, she married a co-resident in pathology, Dr. Floyd (Dal) Stauffer, a scholar and an athlete. Dal was commis-

sioned into the Navy on their wedding day and reported to duty in Bremerton, Washington, on January 1, 1944. In Bremerton, Dr. Mary completed her residency, but just when she opened her own practice, Dal was transferred to Pensacola, Florida. In 1953 after Dal completed his service in the Navy, the family moved, and settled in Downey, California.

After briefly working as a physician for the Los Angeles Unified School District, Dr. Mary Stauffer opened her own OB-GYN practice and in 1954 joined the Downey Community Hospital Medical Staff. As her practice grew, she always kept Tuesday and Thursday afternoons open for her five children's activities.

Dr. Mary Stauffer was one of the first obstetricians to offer expecting mothers an educational program. Based on Grantly Dick-Read natural childbirth (before Lamaze), she developed a series of three lectures. The third was held with spouses at her home and included an 8-mm film of her delivering twins. In 1976, after delivering babies for 23 years in Downey, she transitioned into general practice.

In 1972, Dr. Mary was chosen Chief of Staff at Downey Community Hospital. In 1987, with a donation of \$100,000, she was the first physician to qualify as a member of the Founders Gallery of the hospital. She hoped to be the first of many.

Dr. Mary's other honors include the 1983 Ohio State Medical School Alumni Achievement Award, the 1997 Distinguished Service Award from Capital University, and the 2007 Delta Kappa Gamma Chi State Distinguished Public Service Award. She was also named California State "Woman of the Year" in 1998 by California State Senator Betty Karnette and in 2010 by State Senator Hector De La Torre, and was a 2012 Downey High School Hall of Fame Honoree. In 2007, Dr. Mary was one of the founding directors of the Columbia Memorial Space Center. Later she rescued an *Apollo* capsule from unclaimed freight to become the center's welcoming icon. In 2014, the Downey Unified School District renamed West Middle School the Mary R. Stauffer Middle School.

In 1993, her passions for education and philanthropy came together in the Mary R. Stauffer Foundation, a private educational foundation she established to give back to Downey, the community where she had had a successful medical practice. On June 30, 1997, at nearly 80 years old, Dr. Mary retired from her medical practice and became the full-time CEO of her educational foundation. Since starting the foundation almost 25 years ago, she has donated well over \$5 million for innovative educational projects in the Downey Unified School District and scholarships for Downey students. Among the projects that the foundation helped with initial startup funds are Academic Olympics for middle schools; Project Lead the Way; Robotics Clubs; and Character Counts, a city-wide program.

The foundation invites teachers annually to propose grants for creative projects, such as a Cooking Cart with lessons in math and science. Other projects have become traditions and encourage use of local resources, such as the Autry Museum and the Mission Control Program at the local Space Center.

In the 2016–17 school year, over 800 students received these now-traditional merit awards: Junior 4.0 GPA; Scholar-Athlete for students who have lettered in a sport with a 3.5 GPA (created by Dal, Mary's late hus-

band); and the Stauffer Scholar award to start a college savings plan for 4.0 GPA 6th and 7th graders. In the same year, 90 students received scholarships to attend community college or trade school.

Dr. Mary's favorite saying is "be the best you can be." Her decision that the Mary R. Stauffer Foundation will continue in perpetuity will carry on her legacy of helping to make Downey students the best they can be.

On Sunday, August 27th, the community will celebrate Dr. Mary's birthday at the Columbia Memorial Space Center. A full program will commemorate this momentous occasion with local school projects throughout the facility, special guests, and, of course, a birthday cake. Light refreshments will also be provided by the culinary arts students of the local Downey schools.

Congratulations to Dr. Mary Stauffer and her family: sons Jim and John; daughters Dorothy Knight, Judi Saunders, and Janet Suzuki; granddaughters Dawn Martens, Diane Saunders, Katherine Rieth, Mary Owens, Jessica Stauffer, and Jordan Nichols; and great grandsons Phoenix Rieth and Quillan Owens.

Mr. Speaker, I ask my colleagues to please join me in thanking Dr. Mary R. Stauffer for her many years of enriching the lives of others so they can be the best they can be, and wish her a very Happy 100th Birthday.
