INTRODUCTION OF THE ARPA-E REAUTHORIZATION ACT OF 2017

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2017

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, today I am very pleased to introduce the bipartisan ARPA-E Reauthorization Act of 2017.

Even though the agency is still relatively young, ARPA-E has already demonstrated incredible success in advancing high-risk, high-reward energy technology solutions that neither the public nor the private sector had been willing or able to support in the past. This was highlighted in a Congressionally mandated National Academies review of the agency released in June. Bipartisan industry leaders like Norm Augustine and Bill Gates have repeatedly called for tripling this agency's budget given the unique role that it is now playing in our energy innovation pipeline.

ARPA-E's impressive track record includes over \$1.8 billion in private sector follow-on funding for a group of 74 ARPA-E projects since the agency's founding in 2009. Equally notable, 56 projects have formed new companies and 68 projects have shown enough promise to result in partnerships with other government agencies for further development. And I'd be remiss if I didn't refer my colleagues to DOE Secretary Perry's March 8th tweet which states, and I quote, "Innovators like the ones supported by our ARPA-E program are key to advancing America's energy economy." I couldn't have said this better myself.

The ARPA-E Reauthorization Act of 2017 authorizes reasonable growth in funding for ARPA-E through 2022. Increased funding for ARPA-E is consistent with the strong and sustained recommendations of many respected industrial and academic institutions and organizations in recent years. The bill also includes a provision which ensures that sensitive proprietary business information collected by ARPA-E remains protected, which will enable even greater private sector engagement in its programs.

I would like to thank my colleagues on both sides of the aisle, including Mr. COSTELLO, Ms. KAPTUR, and Mrs. LOVE, for joining me in introducing this bill, and I hope that all Members will consider supporting this critical investment in our nation's clean energy future.

SUPPORT FOR H. RES. 502

HON. DARRELL E. ISSA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2017

Mr. ISSA. Mr. Speaker, today, the House of Representatives rightfully took action to respond to the impact of Hurricane Harvey, by approving disaster relief through a supplemental appropriations resolution. Unfortunately, I was unable to be present during the earlier vote. Had I been present, I would have voted in favor of H. Res. 502. I am pleased to see the measure passed the House with overwhelming bipartisan support and look forward to the Senate taking similar action to bring much-needed aid to the victims that continue to face the devastating effects of this momentous storm.

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2017

Mr. RICE of South Carolina. Mr. Speaker, I rise today to recognize Bethel United Methodist Church in Marion, South Carolina, for 150 years of service and fellowship. As stated in the first verse of Psalm 133, "How good and pleasant it is when God's people live together in unity!"

Despite what may be heard in the media, faith and God are alive and well in our country. Evil tries to shatter our communities and sow seeds of despair, but to the Devil's dismay our faith in God is resilient.

Thank you for all you do to advance God's message in our community. Through fellowship, community programs, and outreach, Bethel United Methodist Church is doing God's work right here in Marion.

We, people of faith, must ensure that God's message of salvation is heard in every city, state, and country in the world. In faith, hope, and love, we cannot fail. May God continue to bless Bethel United Methodist Church and all those who worship there.

HONORING UNIVERSITY OF MINNESOTA LIBRARIES

HON. KEITH ELLISON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2017

Mr. ELLISON. Mr. Speaker, I rise today in honor of the University of Minnesota Libraries, which has been awarded the 2017 National Medal for Museum and Library Service. Their devotion to innovative and accessible library service has made them one of the nation's standout public research libraries.

Every year, the Institute of Museum and Library Services selects ten institutions that best represent the stewardship of public knowledge. Throughout its 23-year history, the IMLS has only selected three academic libraries for the recognition. This is a fitting recognition of the amount of community-driven work the

UMN Libraries undertakes. As a public research library, their work expands far beyond the University walls to our state's 5.5 million residents and beyond.

As I wrote in my letter of nomination for the University of Minnesota Libraries: I have been moved by the deep commitment the Libraries have shown to our community. Its mission is realized every day through the dedication, creativity, and human kindness represented in the programs and services it provides. It is a shining example of how a public institution can make a great difference in the lives of people within its walls and beyond its borders. I am proud to be associated with the University Libraries and believe it to be an exemplary candidate for this honor.

I am thrilled to congratulate the UMN Libraries for receiving the U.S. government's top honor for library service to the community. I look forward to seeing the way they expand the pursuit of knowledge in coming decades.

DONALD C. SIEGEL

HON. DONALD NORCROSS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2017

Mr. NORCROSS. Mr. Speaker, I rise today to honor Donald C. Siegel, an influential labor advocate for fair and equal working privileges for the American worker. Mister Siegel served 46 years with the International Brotherhood of Electrical Workers (IBEW) and retired as Third District International Vice President for IBEW.

Brother Siegel is a native of West Reading, Pennsylvania across the Delaware River from my Congressional District in Southern New Jersey.

In 1973, Brother Siegel was initiated into IBEW's Reading Local 743 and was ultimately elected to the executive board. Donald Siegel's service would take him to Salt Lake City, Utah and San Jose, California, before returning to his home state of Pennsylvania where he would work at the Limerick Generating Station.

In 1989 Donald Siegel would ascend to the helm of Local 743, overseeing the merger of another local union that dramatically increased the Local's membership. Siegel would eventually assume the role of IBEW international representative before becoming IBEW's Third District International Vice President.

Throughout his career, Brother Siegel has a reputation for tackling the most difficult tasks with the best interests of hardworking men and women at heart.

As he reflects on his storied career, Donald Siegel acknowledges his proudest achievement as building the best staff in any trade union.

the Team Pennsylvania Foundation and the Ben Franklin Technology Developmental Authority.

Mr. Speaker, I ask you to join me in celebrating Donald C. Siegel for his service and his devotion to the International Brotherhood of Electrical Workers.

HONORING HOLTEC

HON. THOMAS MACARTHUR

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2017

Mr. MACARTHUR. Mr. Speaker, I rise today to recognize an important South Jersey business. Holtec International creates and manufactures custom-engineered equipment for energy companies and nuclear reactors. Holtec has been based in South Jersey for over 30 years ago and has a world-class manufacturing facility on the banks of the Delaware River.

Recently, Holtec opened up a new facility in Camden, New Jersey pledging to hire hundreds of people from the surrounding community. Holtec has shown it is invested in the future of the South Jersey community and its people by working with Camden County College to train welders and grow a highly-skilled work force from the local area.

Holtec's investment in Camden brings hope to a struggling city. South Jersey is better off because of Holtec's pledge to the community. One local laborer even said he had been waiting his whole life for this.

I'd also like to recognize the leadership of Holtec's President and CEO Dr. Kris Singh. None of this would be possible without him. Dr. Singh has led this company from its inception and helped it grow into the powerhouse it is today. Because of him, many South Jersey residents will have the opportunity to better their lives.

Mr. Speaker, companies like Holtec that are dedicated to their community should be commended. They help expand our economy, create jobs and improve the lives of so many Americans. I'm grateful for the impact Holtec is having on South Jersey. And I know many of my constituents feel the same way.

Wednesday, September 6, 2017

Mr. DUNCAN of Tennessee. Mr. Speaker, one of my constituents, Pastor Clarence Sexton, has provided years of exceptional service through his devotion to helping others grow in faith.

I want to extend congratulations to Pastor Sexton for reaching the 50th anniversary of his Christian ministry.

Since 1967, he has served others through his work as a pastor with several churches in Tennessee and even one in New Jersey.

He and his wife Evelyn married the same year that he began preaching. They have two sons, Shannon and Matt, and six grandchildren.

Pastor Sexton and his family have devoted the last 25 years of their lives to service at Temple Baptist Church, in my district, in Powell, Tennessee.

When the Sextons arrived at Temple Baptist, the church was averaging fewer than 500 people in attendance. Now, thousands attend weekly.

Using the principles and teachings of the Bible, Pastor Sexton also leads as the President and founder of Crown College, across from Temple Baptist.

His sacrifice, leadership, and Godly ways have helped make our community, state, and Nation better places.

Mr. Speaker, I hope you and my colleagues will join me in recognizing this milestone of service and dedication Pastor Sexton has reached.
