HONORING MR. DON STRAIT

HON. ELIZABETH H. ESTY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES Thursday, September 28, 2017

Ms. ESTY of Connecticut. Mr. Speaker, I rise today to honor Don Strait, a champion for Connecticut's environment, who recently retired after 25 years as the President of Connecticut Fund for the Environment. As President, Don has played a crucial role in numerous achievements in environmental protection and conservation in our state, and his work will benefit generations to come.

Since 1992, Don has been Executive Director and President of Connecticut Fund for the Environment, which later merged with Save the Sound. His tireless work in our state with local, state, and federal leaders has led to substantial victories for protection and conservation of our air, land, and water. The organization helped protect thousands of acres of land in western Connecticut vital to recreation and wildlife, and has ensured enactment of landmark climate policies, clean car laws, and environmental regulations vital for our public health.

Don facilitated the organization's merger with Save the Sound in 2004 and brought his track record of success to the group's expanded focus on both Connecticut's and the Long Island Sound's environmental quality. Connecticut Fund for the Environment/Save the Sound has been instrumental in reforming sewage management around the Sound, water quality monitoring, and the successful fight against the planned Broadwater gas plant.

What's more, Don has generously shared his time and expertise to support the crucial work of other leading groups in our state. He cofounded the Connecticut League of Conservation Voters to mobilize environmentally conscious citizens and has served on boards of Restore America's Estuaries and the State Environmental Leadership Program.

Mr. Speaker, Don Strait has been a dedicated and visionary leader for Connecticut. Present and future generations in our state owe him a great deal for protecting our world, and I am lucky to call him a friend. Therefore, it is fitting and proper that we honor him here today.

RECOGNIZING MR. ROBERT NEWLEN

HON. MAC THORNBERRY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES Thursday, September 28, 2017

Mr. THORNBERRY. Mr. Speaker, today I rise to recognize and thank Mr. Robert Newlen, Deputy Librarian of Congress, for more than 40 years of dedicated service to the Library of Congress. Prior to his current position, Mr. Newlen served in a wide variety of leadership roles within the Congressional Research Service and the Law Library, as well as Chief of Staff.

Throughout his distinguished career, Mr. Newlen received various awards and recognitions. I know, however, what he has valued the most is the opportunity to serve and to

promote the value of knowledge with Members of Congress, staff, and countless others.

The Library of Congress is a great gift to this country and to all who benefit from this treasury of learning. Robert has devoted his career to building up this institution in every way possible. And, at a time when truth sometimes seems elusive, he and his colleagues strive to make accurate information the foundation of what we do.

Mr. Newlen will leave this week to pursue other opportunities, but I have no doubt that his spirit of service will go with him. On behalf of all of us who have benefitted directly or indirectly from his work, I offer my sincere gratitude.

IN RECOGNITION OF THE 65TH ANNIVERSARY OF AVENUES

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES Thursday, September 28, 2017

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor Avenues' 65th anniversary, which will be celebrated on September 28, 2017. For over six decades, Avenues has served disabled Pennsylvanians throughout Schuylkill, Carbon, Northumberland, Lebanon and Luzerne Counties.

Avenues was originally founded as United Cerebral Palsy of Schuylkill County in 1952 by a group of sixty parents whose children had special needs. The group's prime focus was addressing the lack of local medical care and educational services for their children. On September 12, 1952, the founders filed an application for a charter to become a member of United Cerebral Palsy. The organization was incorporated in November that year as United Cerebral Palsy of Schuylkill County.

Today, Avenues is responsible for planning, promoting and assisting the establishment, maintenance and operation of training centers or clinics for the education, social and physical betterment of those with Cerebral Palsy and similar disorders. Its aid has supported a wide array of research in the prevention and treatment of developmental disabilities and handicaps. It sponsors various educational campaigns for the general public to raise awareness about the requirements of and problems facing special-needs clinics. Avenues is a great wealth of information to its clients and their parents, families and friends.

It is an honor to recognize Avenues as it celebrates its 65th anniversary. I am grateful for the assistance it provides to people across its service area which includes Counties in my congressional district. May its staff and volunteers be able to continue their work helping Pennsylvanians with disabilities for many, many years to come.

Emily schedules and plans the monthly "Biz Mix" networking event; finding a location, obtaining food and drink sponsors and advertising the events. Emily also owns a local business, Cibo Meals. This meal-delivery service brings fresh, creative, and environmentally-responsible vegetarian meals around Northwest Denver using reusable Mason jars.

I applaud Emily Green for being the recipient of this well-deserved honor by the City of Wheat Ridge, and I congratulate her on her success.

H.R. 3354, TITLE VIII NURSING WORKFORCE DEVELOPMENT AMENDMENT

HON. SUZANNE BONAMICI

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Ms. BONAMICI. Mr. Speaker, I rise today in support of my amendment to highlight the importance of each of the individual Title VIII Nursing Workforce Development Programs, including Advanced Education Nursing; Nursing Workforce Diversity; Nurse Education, Practice, and Retention; and the Nurse Faculty Loan Program. Title VIII programs are a critical lifeline for America's nursing workforce and the patients they serve.

Demand for healthcare services provided by nurses continues to grow, so we should be expanding not cutting programs that maintain a highly-educated nursing workforce. Just last year, Title VIII supported more than 61,000 students in almost every state.

Additionally, Title VIII programs create a culturally diverse workforce to make sure that our increasingly diverse patient population is cared for by culturally aware providers. Title VIII programs also prepare nurses to serve the most vulnerable communities and regions, such as rural areas that are in desperate need of providers.

I was disappointed to see that this bill condensed funding for the Title VIII programs into a single-line item. Each of the programs is designed to target specific needs within the nursing workforce and patient population, and that is why it's imperative that we preserve funding for each individual program.

I will continue to advocate for Title VIII Nursing Workforce Development and hope my colleagues will join me in supporting continued funding for the individual programs.

TAIWAN'S NATIONAL DAY

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES Thursday, September 28, 2017

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise to remind my colleagues that October 10th is Taiwan's National Day—also known as Double Ten Day. As this day approaches, I would like to congratulate President Tsai Ingwen and the people of Taiwan, both on this occasion and on building one of the world's great democracies.

Over the past 30 years, Taiwan has come to embody the same principles we hold dear: constitutional government, democracy, and free enterprise. With its successful, sixth-direct presidential election last year, Taiwan continues to serve as a proud example of democratic success in the Asia-Pacific region. But rather than focusing solely within its own borders, Taiwan has been able to use its immense capabilities to become a leader both in the export of culture humanitarian work, and technical expertise the world over.

Given Taiwan's vibrant democracy, I urge my colleagues and the House as a body to advocate for Taiwan's return to both the World Health Assembly and the International Civil Aviation Organization, as well as its meaningful participation in other international organizations where it cannot be a member. Arguments against Taiwan's inclusion in these bodies belie the immense benefit that Taiwan can provide; Taiwan's omission is a detriment to both to the mission of these organizations and the wider world.

The bond between the United States and Taiwan, cemented by the Taiwan Relations Act and the Six Assurances, remains strong. I reaffirm it today, and again congratulate the people of Taiwan on this important occasion.

THE SISTERS OF CHARITY OF ST. ELIZABETH

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES Thursday, September 28, 2017

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention the extraordinary efforts

and dedication of the Sisters of Charity of Saint Elizabeth, who were honored on Saturday, September 23, 2017 during St. Joseph's Healthcare System's Charity Ball on Ellis Island, where they celebrated 150 years of service to the community.

The Sisters of Charity in the United States were founded by Saint Elizabeth Ann Seton, in the spirit of Saint Vincent de Paul and Saint Louise de Louise de Marillac in Emmitsburg, Maryland, in 1809 by Mother Mary Xavier Mehegan. After the establishment of the Convent Station in 1860, Mother Mehegan swiftly established educational programs amongst other community outreach programs and institutions to address and assist with services to the public. In 1886, the Sisters established St. Joseph's Hospital in Paterson, NJ.

During the 1860's, the Sisters of Charity of Saint Elizabeth had difficulty gathering funds for the fledgling hospital. The Sisters petitioned the city for its support and reached out within the community, such as, local factories, workers, owners, and some of the wealthier residents in the community for financial assistance. They farmed their land to feed the patients and would sell the remainder in order to support their hospital. They depended on the generosity and kindness of the community to help the infirmed citizens find comfort and care. Through all of this dedicated hard work, support and effort, the Sisters slowly expanded the hospital and began to build the large healthcare system that we know today.

Throughout the majority of St. Joseph's history, charismatic and determined women guided the hospital, turning challenges into opportunities. In 1875, Sister Mary Clare Reilly became the first of several influential leaders who would shape the essence of St. Joseph's.

A champion for the hospital for more than four decades, "Mother Clare" as she was called, was renowned for her strength of judgement, business sense, and ability to be flexible and progressive.

In more recent times, we appreciate the significant contributions that Sister Jane Frances Brady made to the success of St. Joseph's. Sister Jane remains an icon in The State of New Jersey as a passionate advocate for the needs of the sick and the poor. Sr. Jacqueline Burns, SC, also a dynamic leader and immediate past Chairperson of the Boards of Trustees of SJHS, led the integration of the Healthcare System and revitalization of our organization.

The Sisters provide an inspirational leadership presence throughout St. Josephs Healthcare System, with 30 sisters ministering within SJHS. Today, the sisters sponsor one college, two academies, three hospitals and one women's center. The Sisters of Charity of Saint Elizabeth remain focused on the heart of their calling: service and advocacy through their work including research and dialogue on major issues of social and global significance.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to recognizing and commemorating individuals who have dedicated their lives to serving the people. The Sisters of Charity of Saint Elizabeth's commitment to public service is truly commendable.

Mr. Speaker, I ask that you join our colleagues to celebrate the long record of service to their community by the Sisters of Charity of Saint Elizabeth.

HONORING THE MEMORY OF PAT-RICK AWOSOGBA AND SUPPORT OF CHILDREN'S CARDIO-MYOPATHY AWARENESS MONTH

HON. BONNIE WATSON COLEMAN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES $Thursday,\,September\,28,\,2017$

Mrs. WATSON COLEMAN. Mr. Speaker, I rise today to honor the memory of Patrick Awosogba and in support of Children's Cardiomyopathy Awareness Month.

Patrick Awosogba was an avid baseball player and a graduate of East Brunswick High School. In 2015, Patrick tragically passed away while playing pick-up basketball during his freshman year at Rutgers University from an undiagnosed case of hypertrophic cardiomyopathy. Hypertrophic cardiomyopathy is a chronic and degenerative heart disease that hickens the heart muscle, causing an irregular heartbeat and which can tragically lead to death. Patrick was a beloved son and brother and cherished member of his community.

September is Children's Cardiomyopathy Awareness Month. Cardiomyopathy is one of the leading causes of sudden death in young people, and the primary cause of heart transplants in children over the age of one. Knowing your family's history and heart health, and discussing it with your doctor, can help determine whether your child is at risk. The mortality rate for pediatric cardiomyopathy exceeds that of all childhood cancers combined, and yet there is a shocking lack of both awareness and research on this terrible disease.

Children's Cardiomyopathy Foundation, based in my home state of New Jersey, is a leading nonprofit which provides resources and support to families struggling to care for their children suffering from this condition. They work to raise awareness for the potentially fatal disease. Along with their grassroots network of families, they also advocate for research and policies that help those suffering from pediatric cardiomyopathy.

I urge my colleagues to join me in remembering the life of Patrick Awosogba and in raising awareness for pediatric cardiomyopathy.
