

highly-educated nursing workforce. Just last year, Title VIII supported more than 61,000 students in almost every state.

Additionally, Title VIII programs create a culturally diverse workforce to make sure that our increasingly diverse patient population is cared for by culturally aware providers. Title VIII programs also prepare nurses to serve the most vulnerable communities and regions, such as rural areas that are in desperate need of providers.

I was disappointed to see that this bill condensed funding for the Title VIII programs into a single-line item. Each of the programs is designed to target specific needs within the nursing workforce and patient population, and that is why it's imperative that we preserve funding for each individual program.

I will continue to advocate for Title VIII Nursing Workforce Development and hope my colleagues will join me in supporting continued funding for the individual programs.

TAIWAN'S NATIONAL DAY

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise to remind my colleagues that October 10th is Taiwan's National Day—also known as Double Ten Day. As this day approaches, I would like to congratulate President Tsai Ing-wen and the people of Taiwan, both on this occasion and on building one of the world's great democracies.

Over the past 30 years, Taiwan has come to embody the same principles we hold dear: constitutional government, democracy, and free enterprise. With its successful, sixth-direct presidential election last year, Taiwan continues to serve as a proud example of democratic success in the Asia-Pacific region. But rather than focusing solely within its own borders, Taiwan has been able to use its immense capabilities to become a leader both in the export of culture humanitarian work, and technical expertise the world over.

Given Taiwan's vibrant democracy, I urge my colleagues and the House as a body to advocate for Taiwan's return to both the World Health Assembly and the International Civil Aviation Organization, as well as its meaningful participation in other international organizations where it cannot be a member. Arguments against Taiwan's inclusion in these bodies belie the immense benefit that Taiwan can provide; Taiwan's omission is a detriment to both to the mission of these organizations and the wider world.

The bond between the United States and Taiwan, cemented by the Taiwan Relations Act and the Six Assurances, remains strong. I reaffirm it today, and again congratulate the people of Taiwan on this important occasion.

THE SISTERS OF CHARITY OF ST. ELIZABETH

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention the extraordinary efforts

and dedication of the Sisters of Charity of Saint Elizabeth, who were honored on Saturday, September 23, 2017 during St. Joseph's Healthcare System's Charity Ball on Ellis Island, where they celebrated 150 years of service to the community.

The Sisters of Charity in the United States were founded by Saint Elizabeth Ann Seton, in the spirit of Saint Vincent de Paul and Saint Louise de Louise de Marillac in Emmitsburg, Maryland, in 1809 by Mother Mary Xavier Mehegan. After the establishment of the Convent Station in 1860, Mother Mehegan swiftly established educational programs amongst other community outreach programs and institutions to address and assist with services to the public. In 1886, the Sisters established St. Joseph's Hospital in Paterson, NJ.

During the 1860's, the Sisters of Charity of Saint Elizabeth had difficulty gathering funds for the fledgling hospital. The Sisters petitioned the city for its support and reached out within the community, such as, local factories, workers, owners, and some of the wealthier residents in the community for financial assistance. They farmed their land to feed the patients and would sell the remainder in order to support their hospital. They depended on the generosity and kindness of the community to help the infirmed citizens find comfort and care. Through all of this dedicated hard work, support and effort, the Sisters slowly expanded the hospital and began to build the large healthcare system that we know today.

Throughout the majority of St. Joseph's history, charismatic and determined women guided the hospital, turning challenges into opportunities. In 1875, Sister Mary Clare Reilly became the first of several influential leaders who would shape the essence of St. Joseph's.

A champion for the hospital for more than four decades, "Mother Clare" as she was called, was renowned for her strength of judgement, business sense, and ability to be flexible and progressive.

In more recent times, we appreciate the significant contributions that Sister Jane Frances Brady made to the success of St. Joseph's. Sister Jane remains an icon in The State of New Jersey as a passionate advocate for the needs of the sick and the poor. Sr. Jacqueline Burns, SC, also a dynamic leader and immediate past Chairperson of the Boards of Trustees of SJHS, led the integration of the Healthcare System and revitalization of our organization.

The Sisters provide an inspirational leadership presence throughout St. Joseph's Healthcare System, with 30 sisters ministering within SJHS. Today, the sisters sponsor one college, two academies, three hospitals and one women's center. The Sisters of Charity of Saint Elizabeth remain focused on the heart of their calling: service and advocacy through their work including research and dialogue on major issues of social and global significance.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to recognizing and commemorating individuals who have dedicated their lives to serving the people. The Sisters of Charity of Saint Elizabeth's commitment to public service is truly commendable.

Mr. Speaker, I ask that you join our colleagues to celebrate the long record of service to their community by the Sisters of Charity of Saint Elizabeth.

HONORING THE MEMORY OF PATRICK AWOSOGBA AND SUPPORT OF CHILDREN'S CARDIOMYOPATHY AWARENESS MONTH

HON. BONNIE WATSON COLEMAN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mrs. WATSON COLEMAN. Mr. Speaker, I rise today to honor the memory of Patrick Awosogba and in support of Children's Cardiomyopathy Awareness Month.

Patrick Awosogba was an avid baseball player and a graduate of East Brunswick High School. In 2015, Patrick tragically passed away while playing pick-up basketball during his freshman year at Rutgers University from an undiagnosed case of hypertrophic cardiomyopathy. Hypertrophic cardiomyopathy is a chronic and degenerative heart disease that thickens the heart muscle, causing an irregular heartbeat and which can tragically lead to death. Patrick was a beloved son and brother and cherished member of his community.

September is Children's Cardiomyopathy Awareness Month. Cardiomyopathy is one of the leading causes of sudden death in young people, and the primary cause of heart transplants in children over the age of one. Knowing your family's history and heart health, and discussing it with your doctor, can help determine whether your child is at risk. The mortality rate for pediatric cardiomyopathy exceeds that of all childhood cancers combined, and yet there is a shocking lack of both awareness and research on this terrible disease.

Children's Cardiomyopathy Foundation, based in my home state of New Jersey, is a leading nonprofit which provides resources and support to families struggling to care for their children suffering from this condition. They work to raise awareness for the potentially fatal disease. Along with their grassroots network of families, they also advocate for research and policies that help those suffering from pediatric cardiomyopathy.

I urge my colleagues to join me in remembering the life of Patrick Awosogba and in raising awareness for pediatric cardiomyopathy.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 28, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Detective 1st Lieutenant Mary Kapp for over 33 years of distinguished service to the Michigan State Police Department. She has worked tirelessly to help keep Michigan communities safe through her career as a law enforcement officer.

Lieutenant Kapp has served in the Michigan State Police Department since the 1980s. She has served in various capacities at the Michigan State Police Department, including as commander of the Monroe Post, as administrative leader of the Monroe Area Narcotics Team and Investigative Services, as a law enforcement officer overseeing Detroit casinos and as leader of the Downriver Area Narcotics Organization. The initiatives and programs implemented by Lieutenant Kapp has helped to make Michigan communities safer to live and work in.

Throughout her tenure, Kapp has been a tireless advocate for drug reform and community outreach, especially to high school students. She was named the 2016 Prevention Person of the Year by the Michigan Prevention Association, in honor of her work collaborating with local organizations and coalitions. Successful programs ran by Kapp include the Downriver Anti-Trafficking Coalition, Stop Underage Drinking and Drugs Coalition, and regular visits to local high school classrooms. Kapp is committed to educating community members about substance abuse and aided the department in collecting over 990 pounds of prescription drugs in 2016. She has performed the critical work of ensuring that Michigan residents remain safe at great personal risk. She is loved in our community, and her hard work and expertise will be missed.

Mr. Speaker, I ask my colleagues to join me in honoring Detective 1st Lieutenant Mary Kapp for her service to the state of Michigan. She has helped make the community safer through her work and outreach.
