

a champion for children, and one of the kindest souls you could ever meet.

For thirty-six years Robin drove the St. Paul Public Library bookmobile. She was the “bookmobile lady” to thousands of children who were able to explore their interests, new ideas, and the world because Robin’s bookmobile came to their neighborhood.

Robin also became the president of AFSCME 1842 where she served as a committed advocate for workers, public employees, and political candidates who were willing to invest in community services to meet the needs of families and children.

From my first campaign for Congress in 2000 I was honored to have Robin as a friend and supporter. She helped organize a Women of Labor effort and was never shy about speaking her mind or helping behind the scenes. Robin was all about getting results without worrying about getting credit.

Robin Madsen was a true friend and a strong woman who I admired and respected greatly. My prayers and condolences are with Robin’s children, grandchildren and countless friends.

Robin will be missed.

HONORING THE LIFE OF DELEGATE LACEY E. PUTNEY

HON. BOB GOODLATTE

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 11, 2017

Mr. GOODLATTE. Mr. Speaker, I, along with my colleagues, Representatives ROBERT

J. WITTMAN, H. MORGAN GRIFFITH, DAVE BRAT, THOMAS A. GARRETT, Jr., and SCOTT TAYLOR, rise today to honor the life and service of Lacey E. Putney, a dear friend and the longest-serving state legislator in Virginia’s history.

Born on June 27, 1928, Lacey passed away on August 26, 2017, at the age of 89. He was born and raised in Big Island, Virginia, and remained a well-respected member of the community his entire life. After earning his undergraduate degree in 1950 from Washington and Lee University, Lacey enlisted in the United States Air Force where he served for four years. He later graduated from the Washington and Lee University School of Law and went on to practice law for more than 55 years in Bedford.

Lacey was first elected to represent the 19th District in the Virginia House of Delegates in 1961. During his time in office, he held many important leadership positions, including Chairman of the House Appropriations Committee, Chairman of the Privileges and Elections Committee, and as acting Speaker of the House in 2003. Lacey was a true force in the state legislature, and he knew how to get things done. Anyone who worked with him witnessed that firsthand, and his hard work can be seen throughout western Virginia. He was instrumental in establishing the Virginia Tech Carilion School of Medicine and Research Institute in Roanoke and the Virginia Horse Center in Lexington, creating the National D-Day Memorial in Bedford, and restoring Thomas Jefferson’s Poplar Forest. He led many successful legislative initiatives during his tenure, including the creation of the Virginia Tuition Assistance Grant program, the Virginia Retirement System, and the Virginia community college system. In 2013, Lacey retired from public service after 52 years. It was only fitting that upon his passing Lacey lie in state in the rotunda of the State Capitol.

Lacey’s legacy is one of service, kindness, and action. He was trusted by the people he represented and respected by his colleagues. He exemplified the role of a citizen legislator and set an example for all of us through his passion for serving his fellow Virginians. We are honored to have known Lacey Putney over the years, and the Commonwealth of Virginia is better because of individuals like him. With his passing, Virginia lost one of its greatest treasures.

We offer our condolences to his beloved wife, Carmela, as well as the entire Putney family. Our prayers are with them as they mourn this loss and celebrate his life. May God give them comfort and peace. While he may be gone from this earth, there is no doubt that his legacy will live on.

TRIBUTE TO JERRY KLECZKA

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 11, 2017

Ms. MOORE. Mr. Speaker, I rise today to pay tribute to Jerry Kleczka. He was a true public servant and legislator. He passed away on October 8, 2017. He was 73 years old.

Jerry Kleczka grew up on the south side of Milwaukee. He graduated from Don Bosco High School, attended the University of Wisconsin-Milwaukee for two years, worked as an

accountant and served in the Wisconsin National Guard. Jerry Kleczka was elected to the Wisconsin State Legislature at age 24 where he served in both the Assembly and Senate. In 1984, he won a special election to replace Clement Zablocki in Congress and served for over two decades until his retirement in 2005. I succeeded Jerry Kleczka in the 4th Congressional District and appreciate his kindness in assisting me through the transition to Washington. He gave me a gift of African cloth from one of his trips that I cherish to this day.

While in Congress, Jerry Kleczka served on the powerful House Ways and Means Committee; he formed a warm and lasting friendship with Representative JOHN LEWIS during that tenure. He twice voted against going to war—the Gulf War in 1991 and the invasion of Iraq in 2003. Some of his signature legislation included support for seniors and preventing “drive-through” baby deliveries when insurance companies forced some women to leave hospitals too soon after giving birth.

Jerry Kleczka was a serious, hard-working legislator with a strong work ethic. He took pride in being the guy from the south side of Milwaukee.

When my alma mater, Marquette University began an internship program in Washington, D.C., in 1984 for students interested in careers in government and public service, Kleczka was a strong supporter. Jerry Kleczka donated his campaign funds of \$300,000 to endow what became in 2005 the Kleczka Internship Program. He was awarded an honorary doctorate of law degree in 2005 by Marquette University. Many of the interns serving in my office were members of this program; this is Jerry Kleczka’s lasting legacy to the entire community.

Upon his retirement, Jerry moved to Middleton. Middleton was Bonnie’s, his wife of 39 years, hometown. He lived quietly and was busy with hobbies that included gardening, woodworking and remodeling projects.

Mr. Speaker, Jerry Kleczka was a valued member of Milwaukee, the 4th Congressional District, and the entire State of Wisconsin. I applaud and value his stewardship. I urge you and my colleagues in the U.S. House of Representatives to join me in a salute to the late Jerry Kleczka.

IN HONOR OF QUEENS COLLEGE'S 80TH ANNIVERSARY

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 11, 2017

Ms. MENG. Mr. Speaker, I rise today along with my colleague, The Honorable JOSEPH CROWLEY, to recognize the 80th anniversary of Queens College, an institution of higher education in Queens that provides an exemplary education to nearly 20,000 students annually. Queens College opened its doors on October 11, 1937, and ushered in the first class of students to the first public college in Queens. On the first day of classes, Queens College President Paul Klapper remarked, "We are the pioneers of a new institution. We have no history to look back to, but we can look forward to progress."

Mr. Speaker, I believe that President Klapper would be proud to see the remarkable progress that Queens College has made. The Princeton Review has continuously commended the college for offering a world-class education by an illustrious faculty for an affordable price. It is no wonder that it places in the top 1 percent of colleges that successfully move its students from the bottom-fifth income distribution percentile to the top-fifth income distribution percentile. In its eighty years, 160,000 students have become alumni. Some have earned Pulitzer Prizes, Emmy Awards, becoming CEOs, or achieved scientific breakthroughs. As an alumnus himself, I know that Congressman CROWLEY is proud to join me in commending Queens College for its steadfast commitment in ensuring that students reach their potential.

Queens College has not only cultivated a reputation for investing in student success, but also for being one of the most diverse colleges in the country. Students who are currently enrolled are from 170 countries and speak over 110 languages. Queens College offers 69 undergraduate programs in the arts and sciences. In its eighty years of operations, the college has become a cultural hub for students to pursue and achieve academic success in Queens.

I am proud to stand with Congressman CROWLEY to commemorate Queens College's 80th anniversary. I look forward to seeing what the future will bring for this trailblazing beacon of higher education.
