

is to secure Alabama's wild and natural wonders and to save them from development.

After leaving public life, Martin remained active, engaged and involved in his community. I would regularly see Congressman Martin around the Gadsden area as he always had a lot of advice for his congressman.

Martin is survived by his wife, Pat, two sons Douglas Martin, Jr. and Richard H. Martin, and one daughter, Annette Graham Martin, along with many grandchildren and great-grandchildren.

James Martin's remarkable life and legacy will live on for many generations. It is my honor and privilege to recognize him and his accomplishments and have this statement included in the RECORD of the Congress in which he served, a tribute to his service, his love for his state and country and his faith in his creator.

**CELEBRATING THE ACCOMPLISHMENTS OF STAFF SERGEANT JAMES HARRELL, U.S. MARINE CORPS**

**HON. JOHN R. CARTER**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 2, 2017*

Mr. CARTER of Texas. Mr. Speaker, I rise today to celebrate the accomplishments of Staff Sergeant James Harrell, U.S. Marine Corps, who served his country and continues to selflessly serve his fellow veterans and his community following his retirement. He is a fitting recipient of a Congressional Veteran Commendation.

SSG Harrell served six years in the United States Marine Corps, including two tours in Vietnam. During his service, SSG Harrell was a recipient of numerous awards and recognitions, including the Marine Combat Action Ribbon. After being Honorably Discharged, SSG Harrell returned to Texas where he rose to become the Assistant Chief Deputy for Williamson County's Sheriff's Department.

SSG Harrell's love for his country is matched only by his commitment to his fellow service members. After recognizing the needs of our county's less fortunate veterans, SSG Harrell joined his good friend Major Barry Richard, United States Air Force, Retired to help over twelve Williamson County veterans by rebuilding homes, bringing them up to code, doing repairs, and more for over five years. Together, they've made real and lasting impacts on the lives of their fellow veterans.

SSG Harrell serves his fellow men with the same dedication, honor, and humility with which he defended his country. He exemplifies what it means to be an American, consistently placing his country and fellow men before himself. I thank and commend SSG Harrell, a passionate leader with a servant's heart, for his dedication and service.

**RECOGNIZING THE 100TH ANNIVERSARY OF THE NAVY PIER**

**HON. DANNY K. DAVIS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 2, 2017*

Mr. DANNY K. DAVIS of Illinois. Mr. Speaker, I rise to recognize the 100th anniversary of the Navy Pier and commemorate the beginning of the Pier's second century as a public community resource and treasured Chicago landmark. After 100 years of significant impact, Navy Pier has been reimagined and adopted the new mission: Navy Pier is the

People's Pier, Chicago's lakefront treasure, welcoming all and offering dynamic and eclectic experiences through partnerships and programs that inspire discovery and wonder; Navy Pier opened to the public in 1916 and originally named "Municipal Pier No. 2; Navy Pier was built under nationally-known architect Charles Sumner Frost, based on Daniel Burham's "Master Plan of Chicago." Municipal Pier was the first of its kind to accommodate both the commercial shipping industry and recreation and entertainment for the public drawing over 3 million visitors annually.

In 1917 it was adapted to house several regiments of soldiers, Red Cross, and "Home Defense" units and served as a barracks during World War I. It was officially renamed Navy Pier in 1927 as a tribute to the Navy personnel who were housed at the Pier during the conflict. From 1941 to 1947, the Pier was leased to the U.S. Navy as a naval training center for 60,000 recruits. One of those pilots who qualified for military service was President George H. W. Bush.

Navy Pier was the original home to the University of Illinois at Chicago from 1946 to 1965, and more than 100,000 students attended classes during that time. Dubbed 'Harvard on the Rocks,' the University shared the space with the Chicago Police Department's Traffic Division, the North Pier Terminal Company, and several military detachments. The Pier was designated a Chicago historic landmark in 1977; between the years of 1978 through 1982, Navy Pier was host to ChicagoFest, a summer music festival full of food, fun, and festivities. ChicagoFest eventually grew to become the Taste of Chicago, drawing millions of guests to the Pier and spurring millions of dollars in economic impact.

The Pier re-opened in 1995 following a \$150 million redevelopment having improvements made to nearly every aspect of the three-quarter mile long public Pier. Since that renovation, year-round entertainment, shopping, dining, attractions and exhibitions have positioned the Pier as one of the most unique settings in the world; in July of 2011, Navy Pier, Inc., the newly formed nonprofit entity entrusted with the operation and redevelopment of Navy Pier put forth The Centennial Vision, a framework for reimagining Navy Pier as a unique public space and cultural mecca. The Centennial Vision's purpose is not only to expand the Pier's audience, but to enrich the experience of its guests. The Vision, divided into two phases, establishes a framework befitting Chicago, a world-class city, with a vibrant architectural, cultural, and recreational landscape and includes a 30-year Sustainable Master Plan to address the Pier's long-term environmental impact.

With the completion of the Centennial Vision's "Phase 1" in 2016, a record 9.26 million guests enjoyed new amenities such as the state of the art Centennial Ferris Wheel, Chicago-centric food experience, redesigned south dock promenade with increased access to the waterfront and recreational boat experiences, and over 245 free public arts and cultural programs.

As the Pier now enters "Phase 2" of the redevelopment with extensive plans to upgrade the built environment and Pier structures such as the Family Pavilion and Crystal Garden. In 2017, with the completion of 13-acre Polk Bros Park, the new Chicago Shakespeare Theater and expanded Chicago, Children's

Museum, the Pier projects to see attendance increase by as much as 26 percent as guests enjoy innovative, free public programming, participatory arts, cultural showcases, and the Pier's sustainable, recreational footprint; and the Pier currently employs over 3,000 individuals, is home to 77 businesses and 5 nonprofit organizations. The redevelopment is expected to generate 1,565 permanent and 1,659 temporary jobs across the city.

I am honored to represent Navy Pier and congratulate Marilynn Gardner, President & CEO; Patrick Sheehan, Chief Development and Strategy Officer, the Board of Directors and the multitude of individuals working that make the Pier a fascinating and enjoyable destination. Enjoy this landmark celebration and always remember, "To accomplish great things we must not only act, but also dream; not only plan, but also believe."
