

and thank him for all the years of amazing service to Westchester.

**CELEBRATING GRACE BROWN ON  
RECEIVING A SILVER CONGRES-  
SIONAL AWARD MEDAL**

**HON. JACKIE WALORSKI**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mr. WALORSKI. Mr. Speaker, I rise today to honor Grace Brown of Granger, Indiana, on receiving a Silver Congressional Award Medal for her dedicated service to our community and her outstanding personal growth.

Grace stands out not only because of her hardworking Hoosier spirit, but also because of her dedication to setting and achieving goals of personal growth and public service. Grace is driven, talented, and compassionate, and at her young age she has already left a positive mark on her community. I look forward to learning of the amazing accomplishments that I am certain lie ahead for Grace.

The Congressional Award recognizes the best of America by honoring individuals who have achieved goals that build character, foster community service, and strengthen personal development and citizenship.

Grace exemplifies these qualities and much more. She has shown great commitment to bettering the lives of others through her dedicated public service. She has built on her talents and developed new skills by teaching and taking part in dance classes. She has shown a genuine interest in learning about different cultures and exploring new environments, organizing and leading a five-day Expedition to Hocking Hills, Ohio. And she has given back to her community, spending more than 200 hours collecting and distributing food for local families in need.

Through all of this, Grace has shown an exceptional understanding of the importance of civic engagement. She has taken on huge responsibilities and demonstrated the power of a dedicated and inspired young mind.

Mr. Speaker, I am inspired by Grace's example and grateful for young Hoosiers like her. I ask my colleagues to join me in extending Grace our congratulations and best wishes.

**CLEAR LAKE REGIONAL MEDICAL  
CENTER DESIGNATED LEVEL II  
TRAUMA CARE**

**HON. PETE OLSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mr. OLSON. Mr. Speaker, I rise today to congratulate Clear Lake Regional Medical Center of Houston, TX, for being designated by the State of Texas for Level II Trauma Care.

Clear Lake has a trauma program with round-the-clock staff and in-house trauma surgeons and specialists to treat patients no matter the time or injury. To be considered a Level II Trauma Center, the medical center must have comprehensive trauma care with 24/7 availability with all essential specialties,

personnel and equipment. Clear Lake had to undergo extensive site reviews and evaluations to meet this designation. This will significantly increase the number of lives that can be saved.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Clear Lake Regional Medical Center for being designated as Level II Trauma Care. We all benefit from their commitment to quality healthcare and we thank them for their hard work to keep Houstonians healthy.

**IN HONOR OF I CARE I CURE  
FOUNDATION**

**HON. DEBBIE WASSERMAN SCHULTZ**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mrs. WASSERMAN SCHULTZ. Mr. Speaker, it's my privilege to recognize the tremendous and meaningful work of the I Care I Cure Childhood Cancer Foundation. The I Care I Cure Foundation was founded by my constituents and friends Beth and Brad Besner in honor of their son, Ian, who was diagnosed with T-Cell Acute Lymphoblastic Leukemia in 2006, one week before his eleventh birthday. Just four months after his diagnosis, Ian tragically passed away.

It is so sad to see someone suffer from cancer but it hurts the most when it is a child. The harsh reality of children's cancer treatment is that it lasts longer than treatment for adults. Fighting cancer is devastating for children due to painful treatment, absence from school, and isolation from friends and family.

Childhood cancer research is significantly underfunded and we must rely on organizations such as this one to help put research dollars to work. Over the past 10 years, the I Care I Cure Foundation has helped fund research and projects at the Miami Children's Hospital, the Cincinnati Children's Hospital, and the National Cancer Institute just to name a few.

The good news is that researchers are making advances daily in the field of cancer treatment. And the better news is that there are organizations such as the I Care I Cure Foundation to help lead the way to gentler yet more cutting edge therapies.

The Besners' work has helped ease the suffering that far too many children and families must endure.

I thank Beth, Brad and their I Care I Cure family for the support they give to so many so that more children may celebrate their twelfth birthday, their twentieth birthday, and each and every day healthy and cancer free.

**HONORING MRS. BARBARA  
WHELTON**

**HON. PETER WELCH**

OF VERMONT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mr. WELCH. Mr. Speaker, I rise today to honor Mrs. Barbara Whelton of Rutland, Vermont. Barbara is retiring from a distinguished career after nearly a half century of devoted public service.

Mrs. Whelton has worked in various capacities for government agencies across the country. From 1970 to 1975, she worked for both the United States Attorney's Office for the District of Rhode Island and the United States Marshals Service, assisting with the Service's nascent Witness Protection Program. Following a stint in the Audit Agency for the United States Air Force in Great Falls, Montana, Mrs. Whelton went to work for the United States Secret Service as a Contact Representative from 1975 to 1980.

In 1980, Mrs. Whelton and her husband, Master Chief (U.S. Navy, Ret.) Paul Whelton, relocated to Rutland, Vermont where he was posted as a Deputy U.S. Marshal. Upon their arrival, Mrs. Whelton served as a legal assistant in the United States Attorney's Office for the District of Vermont. Except for a brief turn in the private sector, Mrs. Whelton served in our U.S. Attorney's office for twenty-four years before she was asked to become the judicial assistant to Vermont's sole judge on the United States Court of Appeals for the Second Circuit, the Honorable Peter W. Hall.

Mrs. Whelton has been Judge Hall's judicial assistant for the past thirteen years. She has worked tirelessly to ensure that chambers ran smoothly and that Judge Hall and his clerks were fully supported in handling their robust caseload. I can say with confidence that without Mrs. Whelton's determined efforts, the administration of justice would not have been as efficient or exacting.

I know Barbara's colleagues will miss her sharp wit, her quiet determination, her devotion to duty, her professionalism, and most of all, her friendly demeanor.

So, Mr. Speaker, I ask the House of Representatives to join me today in recognizing Mrs. Whelton's many contributions to our country and the states and communities she served during her exceptional career. I wish her many years of health and happiness in her well-earned retirement.

**HONORING JEFF KOHN**

**HON. ELIOT L. ENGEL**

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mr. ENGEL. Mr. Speaker, I rise today to honor an active member of the Westchester community, Mr. Jeff Kohn, who is being honored this year by the Westchester Jewish Council (WJC) at the organization's 41st Annual Anniversary Gala.

Jeff has been an active member in the Westchester Jewish community for a long time. He and Martha are members of Temple Shaaray Tefila Bedford Corners, where he currently serves as President. Prior to that, he was a board member at the Temple for more than a decade, and Martha has also served actively as co-chairperson of the Caring Community committee. Outside of the Temple, Jeff is also quite active. He currently serves as an officer of the Westchester Jewish Council and serves on a whole host of other non-profit boards focused on education. He serves on the advisory board at NYU Law School; Cornell University's School of Industrial & Labor Relations; and the George Washington University Law School, from which he graduated in 1984. Jeff has since been honored by the school with their Distinguished Alumni Award.

A lawyer by trade, Jeff is Managing Partner of O'Melveny & Myers LLP's New York office, where he practices labor and employment law. In 2011, he received his first Warren Christopher Values Award, in recognition of individuals who epitomize the values that guide the firm. Jeff currently Chairs the firm's Values Award Committee and works on the firm's scholarship program, which provides financial support to deserving students from five New York City public high schools.

In both a personal and professional capacity, Jeff Kohn has always worked to improve his community. The WJC couldn't have picked a more deserving honoree for their annual Gala, and I want to congratulate Jeff and thank him for all of his amazing work.

**PRESIDENT TRUMP'S FIDUCIARY  
DUTY RULE**

**HON. JOE WILSON**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mr. WILSON of South Carolina. Mr. Speaker, President Donald Trump on Friday released a Presidential Memorandum on the Fiduciary Duty Rule and I am grateful that President Trump has directed the labor secretary to thoroughly study this harmful rule.

Under the Obama Administration, the Department of Labor released a burdensome fiduciary rule that increased the cost of financial planning reducing retirement advice for American families.

Families all over the country are struggling to save for their retirement and I applaud the President's swift action to study the harmful effects of this rule. I am confident a study will result in a delay or revision of this ridiculous regulation of 1023 pages to define a profession.

I will continue to advance legislation calling for a delay of two years to give Congress and the Administration time to reassess the regulation. While I will continue to advance legislation, any delay would be a victory for hard-working American families struggling to save for retirement creating jobs.

In conclusion, God Bless Our Troops and may we never forget September 11th in the Global War on Terrorism.

**HONORING DONNA SALAMON**

**HON. ELIOT L. ENGEL**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mr. ENGEL. Mr. Speaker, I rise today to honor a member of the SAR team who has utilized her time and talents to transform the academy through the arts, Ms. Donna Salamon.

Donna is a uniquely talented artist who has spent countless hours over the last 12 years transforming the Academy's open spaces into gallery walls and museum-worthy displays. She has a passion to elevate Jewish education. With her strong connection to Eretz Israel, she has created projects that incorporate science, literature, history, and most importantly, Jewish values, through art. Her

portfolio includes the design and production of a 720-square-foot mosaic mural, "Do What is Right and Good," depicting the core elements of the SAR experience on the Academy field wall. The mural was a 10-month project featuring 75,000 tiles, 12 iconic images, signatures from every child (804) in the Academy, and the work of more than 1,000 volunteers.

Donna makes SAR celebrations come alive—life-size educational games based on history curricula for Yom Yerushalayim, a year-long "Science is the Story," science, history and art program, including life-size dioramas and culminating in a Riverdale restaurant gallery showing. She also makes props for the Celebrate Israel Parade, banners for 'theme of the year,' stunning alphabet/middot paintings for the graduation ceremony produced by art elective students she leads, backdrops for such milestone events as the Siddur and Chumash plays, and sets for drama productions.

When not working to improve SAR, Donna loves spending time with her family. She and her husband, David, live in Riverdale with their three beautiful children, Yedidya, Yonatan, and Yaakov.

Congratulations to Donna on being this year's SAR Michael Schreck Memorial Community Service Award honoree.

**IN HONOR OF LOUDOUN COUNTY  
HIGH SCHOOL VOLLEYBALL  
STATE CHAMPIONSHIP**

**HON. BARBARA COMSTOCK**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize a school in my District who was recently crowned as state champion in volleyball. The Loudoun County High School Raiders Volleyball team, led by Athletic Director Bruce Sheppard, Head Coach Sherrilyn Hanna, and Assistant Coaches Julianne Hanna, Cayla Hamrick, and Amy Ging, was one of several teams who won state titles in a variety of sports from Virginia's 10th Congressional District. I am proud of their hard work in achieving this goal. They practiced long hours as a team, and this extraordinary achievement shows how far dedication, hard work, and commitment to teamwork can take a group as they played against some of the best competition in the nation.

The state final brought perhaps the biggest challenge of the season, as the Raiders faced the Jamestown Eagles, a team they had played in the state final three times in the last four years; a team that was returning all starters but their libero from last year's state runner-up squad. After dropping the first set and overcoming a major deficit in the third set, the Raiders turned the tide, dominating the fourth set and taking the match for a record setting 5th consecutive state title, and their ninth state title in the last ten years.

The Loudoun County High School Raiders Volleyball team has made Virginia's 10th Congressional District proud and they have represented us well. Winning a state championship attests to their impressive athletic ability, unselfish mentality, and determination to succeed. I commend them for their tireless dedication to both their school and their team-

mates, without neither of which this could have been possible. It takes a delicate combination of superior skill and many hours of practice to win a state title. Loudoun County High School Volleyball has certainly earned this honor and the lessons learned over the years will valuably serve them as they continue on in their lives.

Mr. Speaker, I ask that my colleagues join me in honoring the Loudoun County High School Raiders for winning 9 state volleyball titles in the last 10 years and representing Virginia's 10th Congressional District with such distinction. I wish them all the best in their future endeavors.

**COMMENDING THE MEDICAL  
STAFF OF THE GEORGE WASHINGTON  
UNIVERSITY HOSPITAL**

**HON. JOHN H. RUTHERFORD**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 7, 2017*

Mr. RUTHERFORD. Mr. Speaker, I wish to commend the medical staff of The George Washington University Hospital who cared for me during my stay in January.

On the evening of January the Eleventh I suffered an allergic reaction and was taken to The George Washington University Hospital for treatment. During my stay, I was cared for by an incredible medical team. I offer my most sincere gratitude to Dr. Mayce Haj-Ali for her insight and swift action to treat the allergic reaction I suffered.

I also wish to commend the incredible nursing staff who cared for me: Andrea Gavurin, Megan Johnson, Alelcunda M'mari, Ophelia Hunter, Mary Synder, Christina Gale, Danielle Sier, Chaquonna Watson, Crystal Nyguyen, Perla Adames-Castillo, Mamta Jazier, and Jaquece Mudd. In particular, I want to acknowledge Andrea, Megan, and Alelcunda for their continued diligence in looking after me to make sure I made a quick and full recovery. I owe this entire group a debt of gratitude. It is because of their care that I was able to recover and return to work representing the people of Florida's Fourth Congressional District.

The Bureau of Labor Statistics states that more than 2.5 million nurses work in the United States. These women and men provide and coordinate patient care, educate individuals about their health conditions, and provide advice and emotional support to patients and their family. I am grateful, not only for the nurses who recently took care of my needs, but for all nurses across the U.S. who work diligently to ensure the health of their patients. I ask my colleagues to take a moment to remember these individuals who work in the nursing profession and the care they provide to the American people.
