IN THE HOUSE OF REPRESENTATIVES

*Monday, December 4, 2017*

Mr. TIPTON. Mr. Speaker, I rise today to honor Ms. Paulette Stuart and Mr. Jim Stuart for their work in planning and hosting the National Medal of Honor Society Convention in Pueblo, Colorado.

In 1993, the 103rd Congress of the United States designated Pueblo, Colorado as the Home of Heroes, as it is the home of four recipients of the Congressional Medal of Honor. Since then Jim and Paulette have dedicated much of their time to the Congressional Medal of Honor Society. Both worked tirelessly hosting the National Medal of Honor Society Convention this year in Pueblo, Colorado from September 12 to 16, 2017. This was the second time the National Medal of Honor Society Convention was held in Pueblo, Colorado (September 2000) thanks to Jim and Paulette's efforts.

Jim was born, raised and educated in Pueblo, Colorado. He became an entrepreneur starting Sangray Corporation, which marketed and sold finished ceramic gift products. He retired after running the business for 30 years, and now serves on numerous commissions and non-profit boards. Paulette started her career in Pueblo with the Pueblo Chamber of Commerce where she served as Vice President of the Conventions and Visitors Council. Later, she retired from the Pueblo Chieftain newspaper as Promotions Manager, and now is an advertising and marketing consultant and community volunteer, donating her time with non-profits and civic organizations. For their

dedication and commitment to the Pueblo community, they have been inducted into the Pueblo Hall of Fame.

Mr. Speaker, Paulette and Jim Stuart continue to be advocates for the Medal Of Honor Society, the Pueblo Home of Heroes Association, and veterans across the nation. I'm proud to recognize these engaged civic leaders and valued members of the community for their work on behalf of our heroes and for promoting the City of Pueblo and its wonderful attributes.

Mr. KELLY of Pennsylvania. Mr. Speaker, I rise today in recognition of Laurel Junior-Senior High School in New Castle, Pennsylvania, which was recently honored by the Department of Education as a 2017 National Blue Ribbon School. This award, given to only 342 schools in America this year, is based on a school's overall academic performance as well as its progress in closing achievement gaps among its students.

In her message of congratulations, Secretary DeVos commended the "visionaries, innovators and leaders" who are "preparing every child for a bright future." I am proud to join her in congratulating the teachers and administrators of Laurel, as well as the families of these students for the love and support they provide. Most of all, I congratulate the students themselves for a job well done. They are truly a credit to Pennsylvania's Third District, and to our country. It is an honor to represent them in the People's House.

**TRIBUTE TO CHIEF CARL HOLMES**

**HON. BILL PASCRELL, JR.**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 4, 2017*

Mr. PASCRELL. Mr. Speaker, our nation's fire and emergency services lost an extraordinary leader on Thanksgiving Day. Retired Fire Chief Carl Holmes passed away unexpectedly in Dallas, Texas with his family by his side.

Chief Holmes was a ground breaker, a man of strong convictions who paved the way for African American firefighters to climb the leadership ladder in fire departments across the nation. A veteran of the Oklahoma City Fire Department, Chief Holmes began his career during a time when few opportunities were afforded in the fire service to African Americans. He achieved his ascent to leadership positions by training harder and working longer, a lesson he instilled in others who wanted to follow his path. In 1978, following 27 years of grit and determination, he became the city's first African American Assistant Fire Chief.

In 2016, Chief Holmes was awarded the Mason Lankford Fire Service Leadership Award at the 28th Annual National Fire and Emergency Services Dinner in Washington, DC. He was honored for an incredible career that spanned over 65 years . . . a career that left a profound impact on firefighters of different ethnicities and regions of the country, both career and volunteer. I had the honor of attending the dinner program and witnessing the presentation of the award to Chief Holmes. It was a special event that brought 1,500 national fire service leaders to their feet to pay tribute to a man of incredible courage and character. Chief Holmes was a leader who literally changed the complexion of the fire service as we know it today.

Chief Holmes was a very special person and the consummate fire service professional. He inspired people and demanded the best from them. But more importantly, he taught others about life and what is most important to us all: family and friends. He leaves behind a loving wife, Marcella, and daughter, Carla and

family. He also leaves behind countless fire service professionals who benefited from his teachings. It will be their responsibility to preserve Chief Holmes' legacy and carry forward his teachings.

On behalf of my fellow Co-Chairs of the Congressional Fire Services Caucus, I extend my sympathies to the Holmes family on the passing of a great fire service leader.

**BOULDER CREST RETREAT FOR MILITARY AND VETERAN WELLNESS**

**HON. KYRSTEN SINEMA**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 4, 2017

Ms. SINEMA. Mr. Speaker, I rise today to recognize, welcome and congratulate Boulder Crest Retreat for Military and Veterans Wellness in Sonoita, Arizona.

I have known the team at Boulder Crest for several years. Their work and commitment to veteran and military families is exceptional.

Retired U.S. Navy bomb disposal expert, Master Chief Ken Falke and his wife, Julia, started Boulder Crest after visiting wounded Explosive Ordnance Disposal personnel at Walter Reed National Military Medical Center. They saw a need for a place outside of the hospital where personnel and families could relax and recover. Boulder Crest provides free, short-term retreats for military members, veterans, and their families.

Boulder Crest aims to solve the mental health issues and offers an opportunity to military members, veterans, and their families to recover and heal from combat-related stress and PTSD. During retreats, families stay in private accommodations and participate in recreational and healing activities focused on posttraumatic growth. The first location, in Virginia, has hosted over 3,000 personnel since 2013. As they open their new location in Arizona, I am excited they are expanding to our

state and will be able to help more military members, veterans, and families.

Boulder Crest's Arizona is located approximately 60 miles from Tucson in Sonoita, Arizona on 130 acres of land near Parker Canyon. On the property, there are three homes, a lodge where guests can gather, an archery range, nature trails, a playground, organic garden, bird sanctuary, and fishing pond. Families are able to heal in the comfort of nature.

This organization is able to offer life-changing opportunities thanks to selfless volunteers and generous donors. Each year, tens of thousands of Americans lose their lives to suicide in our country, including an estimated 20 veterans every day. These figures represent one life lost every 72 minutes. Boulder Crest offers military members, veterans, and families as chance to recover and prevents the loss of lives.

I would like to thank Ken and Julia Falke, their team, and all the individuals who make Boulder Crest possible. I am proud Arizona is able to assist in their mission.

**HONORING THE SHIPPENSBURG UNIVERSITY FIELD HOCKEY TEAM**

**HON. LOU BARLETTA**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 4, 2017

Mr. BARLETTA. Mr. Speaker, I would like to recognize the Shippensburg University Field Hockey Team for winning the National Collegiate Athletic Association (NCAA) Division II National Championship title for the second year in a row.

The Shippensburg University Field Hockey Team serves as a beacon of success for Pennsylvania collegiate sports and illustrates the high quality of athletic talent that exists at Shippensburg University. The Shippensburg Raiders have built their program into an athletic powerhouse, winning three of the last five national championships. This year's win was especially impressive as they once again defeated the number-one seated team, the Long Island University Post-Pioneers, with a strong score of 4–1. Upon winning this coveted title for the second consecutive year, the Raiders made university sports history by being the first of the school's teams to successfully defend a national title.

These phenomenal athletes serve as an example for not only aspiring female field hockey players, but for all Pennsylvania youths. Their drive, commitment, and talent are a great source of pride for the university and the community at large. I am honored to represent the Shippensburg University Field Hockey Team and take great pride in their remarkable accomplishment and continued success.

Mr. Speaker, please join me in recognizing the Shippensburg University Field Hockey Team and congratulating these athletes on their well-deserved NCAA Division II National Championship Victory.
