IN RECOGNITION OF THE 150TH ANNIVERSARY OF ST. JOHN'S LUTHERAN CHURCH

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Ms. MATSUI. Mr. Speaker, I rise today to recognize the 150th Anniversary of St. John's Lutheran Church. As the church's congregation celebrates this valued center of worship, I ask all my colleagues to join me in honoring this historical place in Sacramento.

The first service at St. John's Lutheran was held on September 29th, 1867, when Pastor Matthais Goethe led the church's first members in prayer. Two months later, 23 founding members signed St. John's Lutheran's first charter. Although the building itself has been relocated twice, once in 1873 and again in 1912, it has remained a vibrant meeting place for both the faithful and other members of our Sacramento community.

Today, St. John's is more beloved than ever by its community. The congregation is renowned for geniality and generosity, and the church welcomes all who would take communion, worship, or simply observe with open arms. Despite its venerable age, this Sacramento institution shows no sign of slowing down.

Mr. Speaker, as our community celebrates the 150th Anniversary of St. John's Lutheran Church, I ask all my colleagues to join me in honoring this staple of the Sacramento area and all it has provided to the community.

TRIBUTE TO JOYCE CHAPMAN

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Joyce Chapman of Des Moines, Iowa, for her being named one of *dsm Magazine's* 2017 "Sages Over 70."

The "Sages Over 70" award honors those community leaders who continue to serve as mentors and leaders when others have retired. Joyce dedicated 55 years to West Bank in Des Moines, where she became the first female executive vice president, established the bank's foundation which provides grants to charities, and served as a mentor to other women in the banking industry. Today, women make up half of the officers of the bank to which she devoted so many decades. She was also honored to be the first female president of the West Des Moines Chamber of Commerce. One of the many words of advice she offered to the magazine was to "show up each day to contribute and make a difference."

Mr. Speaker, I am proud to recognize Joyce for being named a "Sage Over 70" by *dsm Magazine*, and applaud her for her service to her community. I ask that my colleagues in the United States House of Representatives join me in congratulating Joyce for this outstanding achievement and in wishing her nothing but the best.

Thursday, December 14, 2017

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Mark B. Ihde, who served as Sheriff of Sonoma County for seven years and worked as the Chief Operating Officer of the local chapter of Goodwill Industries until he passed away on November 14, 2017 at the age of 69.

Mark was born in Santa Rosa, California to Maurice and Louise Ihde. He had tremendous respect and admiration for his parents. He inherited his optimism and leadership style from his father. Mark was a loving husband to Barbara and a proud father, grandfather and great-grandfather.

A graduate of Mt. Whitney High School, in Visalia, California, Mark was a track and field athlete and a tuba player in the marching band. He earned his Associate Degree in Criminal Justice from the College of the Sequoias and studied Law Enforcement Administration at Sacramento State University. He was an FBI Academy graduate in Executive Development and Leadership.

Mark had a successful 27-year career with the Sonoma County Sheriff's Department, where he served as Sheriff from 1990 to 1997. As Sheriff, Mark restored public trust in the department, adopted a community policing model and improved collaboration with local police departments.

Mark worked as a consultant and served on many boards, including the local chapter of

Goodwill Industries. The board drafted him to become their Chief Executive Officer in 2017. Following his prostate cancer diagnosis, he continued to work for Goodwill, organizing work meetings in his home within a week of his passing. He led Goodwill to become a thriving local business, more than doubling the number of stores.

Mr. Speaker, Mark B. Ihde had a passion for life, adventure and community. He was a loving, generous and kind man, known for his great smile and quick wit. It is fitting and proper that we remember him here today.

RECOGNIZING KENNY BARMAN

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Mrs. BUSTOS. Mr. Speaker, I rise today to congratulate Kenny Barman on his retirement as a Clover Township Trustee. For 44 years, Mr. Barman has demonstrated a strong commitment to improving his community.

Over the course of his elected service, Mr. Barman focused on keeping roads and equipment in good condition. During his time as a trustee, he was able to witness many positive changes in the community such as the building of a new township building. The Woodhull Municipal Building is now a shared structure with the village and township—another important project carried out during his tenure. Mr. Barman also helped the township through some tough times. During the snowstorm of 1979, many residents were left housebound for up to a week while area roads were closed for days. Mr. Barman gathered funds to purchase special equipment to plow the roads. He was a true public servant through times good and bad.

Mr. Speaker, it is my pleasure to recognize Kenny Barman for his longtime commitment to serving his community. Mr. Barman has undoubtedly had a positive impact on the citizens of Clover Township. I congratulate him on a well-earned retirement and wish him the very best in his future endeavors.

HONORING THE LIFE AND LEGACY OF ANDRE LACY

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor the life and legacy of Indianapolis businessman, Andre Lacy, an icon in the Indianapolis community. Andre was born and raised in Indianapolis and graduated from nearby Shortridge High School in 1957. Andre's grandfather H.J. Lacy founded their family business, U.S. Corrugated Fiber Box Company, in 1912. Andre spent most of his career working, leading and transforming U.S. Corrugated into the successful distribution company it is today. Andre's first experience in the family business was at age nine. After his father's unexpected death in 1959, Andre, while still in college, came home to help his mother Edna with day-to-day operations. Andre graduated in 1961 with a Bachelor's Degree in Economics from Denison University in Ohio and

his professional career began as an analyst at U.S. Corrugated Fiber Box Company. In 1972 under Andre's direction, U.S. Corrugated was renamed Lacy Diversified Industries (LDI) to reflect its expanded interests. LDI has made several dozen acquisitions since 1972 and while it has since sold many of its holdings LDI still owns OIA Global, UltiMed Inc., and an office building on the Circle in downtown Indianapolis. Andre served as the Chief Executive Officer of LDI from 1983 until his retirement in 2006 and was the Chairman of the Board from 1991 until his passing.

Andre's remarkable career as a transformative figure both within his family business and in his community is truly unmatched. Andre served as a board member for several companies including Patterson Companies, Inc., Ethyl Corporation, Albemarle Corporation, Tredegar Corporation, First Colony Insurance Co., IPALCO, National Bank of Indianapolis, and Merchants National Bank. He has held leadership positions with numerous civic organizations including as a trustee at Rose-Hulman Institute of Technology, board member of the Community Leaders Allied for Superior Schools and The Nature Conservancy of Indiana. Andre is a former chairman of the 500 Festival, Indiana Chamber of Commerce, and the United Way of Central Indiana, where he and his late wife, Julia, were Meridian Society members. Meridian Society members are the movers and shakers of our community. They lead the charge in improving the lives of thousands of people in Central Indiana through their leadership, dedication and generous gifts of \$25,000 or more annually. In 2016, Andre and Julia donated more than \$25 million dollars to Butler University's Business School, which now bears his family's name. This is the largest gift from an individual or family in the history of Butler University. In addition to his monetary donation, Andre donated his time and expertise to both the faculty and students at Butler University. From 2009 until his passing, Andre served as chairman of the Indiana State Fair Commission and was the driving force in the \$63 million renovation of the Indiana State Fairgrounds Coliseum. Andre and Julia donated \$2 million dollars to jumpstart this campaign.

In October of 2017, he was inducted into the Indiana Academy for lifetime achievement and contributions throughout the state by The Independent Colleges of Indiana. He was recently recognized as the 2017 Indiana Philanthropy Awards recipient by the Indiana Chapter of The Association of Fundraising Professionals.

Typically, the Sagamore of the Wabash honor is given for wisdom, public commitment, and a concern for the well-being of others. Andre embodied this award to the fullest, as he has been recognized as a Sagamore of the Wabash by Governors Roger Branigan, Robert Orr and Mitch Daniels. The Sagamore of the Wabash is the highest honor an Indiana governor can bestow.

In November of 2017 Andre was awarded the Whistler Award by The Greater Indianapolis Progress Committee. The annual Whistler Award recognizes individuals who, outside the regular duties of their chosen professions, have brought together the public and private sectors for civic improvement in Indianapolis. Andre's name will be added to a limestone and granite monument located in the Charles L. Whistler Memorial Plaza at the City Market in downtown Indianapolis.

Andre's legacy as a brilliant business and community leader will live on through his countless contributions to the Hoosier State. Andre had a well-known passion for motorcycling and adventure seeking. He tragically passed away at the age of 78 following a motorcycle crash on a private tour of Botswana. He lived his life to the fullest and chased his dreams and passions with such great vigor. Andre was a great son of Indianapolis, a leader in Indiana, who deeply loved our country. He will be missed by me and so many. I want to extend my most heartfelt condolences to his three sons, J.A., Mark, and Peter, and their families in their time of mourning as they carry on the Lacy Family legacy.

TRIBUTE TO DON BLUMENTHAL

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Don Blumenthal of West Des Moines, Iowa, for being named one of *dsm Magazine's* 2017 "Sages Over 70."

The "Sages Over 70" award honors community leaders who continue to serve as mentors and leaders when others have retired. Don grew up in his father's scrap-iron yard company, and launched several businesses over his career beginning in 1964 with Steel Warehousing, Inc. Don and his wife, Margo, are just as well-known through their philanthropic efforts in the Des Moines area, supporting organizations such as Youth Emergency Services and Shelter, United Way of Central Iowa, Varsity—The Children's Charity, Animal Rescue League of Iowa, and the Blank Park Zoo. One of his many words of wisdom he has offered to the magazine is to "remember the community that has made your life possible."

Mr. Speaker, I am proud to recognize Don for being named a "Sages Over 70" by *dsm Magazine*, and applaud him for his service to his community. I ask that my colleagues in the United States House of Representatives join me in congratulating Don for this outstanding achievement and in wishing him nothing but the best.

IN RECOGNITION OF LORI S. LIU

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 14, 2017

Ms. SPEIER. Mr. Speaker, I rise to honor Lori Liu who is leaving public service after four years on the Brisbane City Council, the last year as Mayor of this storied town near San Francisco Bay. Lori's deep commitment to public service is evident from her accomplishments and contributions to her community. She is a champion of education, children, the arts, recreation, economic development and the environment.

Lori was first elected to the council in 2013. While on the council, she served on, or as representative to, a number of organizations, including the Association of Bay Area Govern-

ments, the Peninsula Clean Energy Board of Directors, the County Library JPA, the council's Economic Development Subcommittee, the Health and Safety Subcommittee, the League of California Cities, the liaison to the Parks and Recreation Commission, the Airport Community Roundtable, the Planning Commission, the liaison to the Open Space and Ecology Committee, the Community Choice Energy Advisory Committee and many others. You may justifiably surmise from this lengthy list that Lori is well-versed in a variety of issues affecting the residents of Brisbane and the region.

Her leadership is notable as she tackled one of the most longstanding opportunities and challenges in the community, the Baylands Project. Lori was indefatigable as she conducted council meetings and listened closely to the community through hours of discussions involving possible offices, open space, housing, environmental cleanup and restoration, and the overall concept of a sustainable community. She carefully weighed the impacts of this project on Brisbane and our region.

She was instrumental in laying the groundwork to build a new library which will be constructed starting next year. Libraries are community spaces that connect generations and nurture life-long learning. The Brisbane Library will include a Maker's Space to spark the creativity of the next generation of innovators, spaces for children and teens, a quiet study area, an outdoor garden, a community center, and the first public arts project triggered by a city ordinance.

Lori has a long track record of working on environmental issues. In fact, when she moved to Brisbane in 2004, her very first volunteer activity was to attend an Earth Day clean up event. While on the council, she helped to secure a grant to renovate Crocker Park Trail. This funding will make the trail more usable for bicyclists, joggers and parents with strollers. It will also establish a safe pedestrian and bike-friendly connection between residential development at the Ridge and Lipman Middle School. Due in part to Lori's outstanding work, Brisbane received the Platinum level Spotlight Award from the Institute for Local Government for environmental leadership and best practices. With her support, the city signed up to have all municipal electric accounts serviced by 100 percent renewable energy.

Lori understands that a high quality of life for residents depends on a healthy balance of physical and financial security, education, functioning infrastructure, clean air and clean water, and recreation and entertainment. Life without music and fun would not be complete, so Lori supported the launch of two spectacular, family-friendly community events, the Marina Kite Festival and the Star City Music Festival. The kite festival celebrated its first anniversary this June and the music festival will have its premier in July next year.

Lori holds a B.A. from Tufts University and a J.D. from Northwestern University School of Law. She and her husband Raymond Liu live in Belmont with their two young children, Samantha and Noah.

Mr. Speaker, I ask the House of Representatives to rise with me to honor Lori Liu for her exemplary service on the Brisbane City Council. Her public service made Brisbane a better place to live, work and visit. I personally regret
