**HONORING MR. MARTIN TRUEX,
JR.**

HON. THOMAS MacARTHUR

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 19, 2017

Mr. MACARTHUR. Mr. Speaker, I rise today to honor Mr. Martin Truex, Jr., of Ocean County as the 32nd driver in the NASCAR Cup Series history to be crowned Champion. Since his Cup series rookie season in 2004, Martin has racked up 15 wins, 67 top 5's and 160 top ten finishes with 6,519 laps led throughout his hard fought and resilient career.

Beyond his great success on the race track, Martin is committed to giving back to his community. In 2007, he and his longtime girlfriend, Sherry Pollex started the Martin Truex, Jr. Foundation to support children with pediatric cancer. When not driving for Colorado based Furniture Row Racing team, Martin and Sherry devote much of their time together to furthering cancer research and awareness. The Martin Truex, Jr., Foundation has committed over one million dollars in aid to help grow the

emergency room at the Southern Ocean Medical Center in Manahawkin, New Jersey. Additionally, their efforts contributed to the grand opening of a new Pediatric Care Center at Southern Ocean Medical Center, in August of 2013.

Martin was raised in Mayetta, NJ, a very small and not so populated area inside of Stafford Township in southern Ocean County. In 1998, he graduated from Southern Regional High School, while racing for the Modified Division at Wall Stadium in Wall Township, always striving to accomplish his childhood dream, which was to become a NASCAR Cup Series Champion.

Mr. Speaker, the people of New Jersey's Third Congressional District are tremendously proud to have Mr. Martin Truex, Jr., as an involved member of their community. It is my honor to recognize his outstanding accomplishment of being crowned the 2017 Champion in the NASCAR Cup Series and his continued commitment to giving back to his community, before the United States House of Representatives.

**THANKING THEODORE R.
BECHTOL, JR. FOR HIS DEDICATED
SERVICE TO THE HOUSE**

HON. GREGG HARPER

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 19, 2017

Mr. HARPER. Mr. Speaker, I rise today to pay special tribute to one of the truly outstanding individuals who works at the U.S. Capitol, Mr. Theodore R. Bechtol, Jr.

Better known to many of us as the Superintendent of the U.S. Capitol Grounds, Ted is responsible for preserving and maintaining more than 290 acres of the historic landscape and infrastructure across the U.S. Capitol campus.

Prior to being promoted to his current position in 2007, Ted served as the Deputy Superintendent for U.S. Capitol Grounds. As part of Ted's responsibilities, he ensures the routine and periodic landscape maintenance, comprehensive tree care, and upkeep of the supporting infrastructure, vehicles, and equipment are completed. Additionally, snow removal, trash collection, and support for major events, such as the annual December Christmas Tree Lighting Ceremony, are key responsibilities for supporting our U.S. Capitol campus. In total, Ted has taken part in 13 U.S. Capitol Christmas Tree events.

Throughout Ted's years at the U.S. Capitol, he worked hard to bring recognition to the historical significance of the grounds and helped to produce cultural landscape reports. His depth of knowledge about Frederick Law Olmsted, the American landscape architect who designed the U.S. Capitol Grounds, has changed how each section of the grounds are cared for, with a focus on historical horticulture.

Ted has also consulted on historical horticulture work at many institutions throughout the east coast.

Under his leadership, the U.S. Capitol Grounds have received designation as an accredited arboretum, a notable industry standard.

On Friday, January 5, 2018, Ted Bechtol will retire from his position as Superintendent

of the U.S. Capitol Grounds for the Architect of the Capitol.

In retirement, he will be spending more time with his granddaughter, working on home improvement projects, and enjoy hiking and beach trips. He will continue to explore American history trails—he and his wife recently hiked Gettysburg and Civil War trails.

Although we are sad to see someone with Ted's accomplishments leave the service of the institution, I offer him my sincere best wishes in his retirement.

Tuesday, December 19, 2017

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor Helen Mackes, who will celebrate her retirement in January from her position as tax collector for Kunkletown, Pennsylvania. Helen has been a life-long resident of Kunkletown, Eldred Township, Pennsylvania.

Helen Mackes was a realtor, an elected tax collector, and the go-to person for information and assistance in her community for close to thirty years, and she was the recording secretary for a local political association for three decades as well. In addition to her service in government, Helen has always been very involved in her community in civic organizations, helping to preserve local history and important historic sites. As head of the Eldred Township Historical Society, she led the effort to secure a grant from the Commonwealth Finance Authority to renovate and restore the Kunkletown post office on Kunkletown Road.

In is an honor to recognize Helen Mackes for all the years of service she has given to the people of Kunkletown. I am grateful for both what she has done and what she has meant to this unique community. I wish her all of the best as she looks forward to an enjoyable and fulfilling retirement.

ACTIONS**

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 19, 2017

Mr. RUIZ. Mr. Speaker, I would like to commend the heroic actions of firefighter and paramedic James McDonald. His courage, calm demeanor, quick reflexes, and solution-based approach saved the life of Riverside County Sheriff's Deputy David Solis.

On the afternoon of May 25th, 2017, Mr. McDonald and the rest of the members of Fire Station 79 were dispatched across town to assist Deputy Solis who had been shot multiple times during a foot pursuit in the City of Coachella.

Mr. McDonald reacted immediately and medically assisted Deputy Solis. He assessed the injuries, directed the medical support, and requested an air ambulance to transport Deputy Solis to the nearest regional trauma center.

As an emergency room physician, I am aware that when an individual is severely injured by gunshots, every second is vital to save his or her life. Mr. McDonald remained calmed and focused throughout the operation, and his leadership was essential in saving Deputy Solis's life. His courage and agility of mind is commendable.

Throughout his two years working with the Riverside County Fire Department, Mr. McDonald has demonstrated a strong commitment to public safety, earning the respect and admiration of his colleagues. Before becoming a firefighter, Mr. McDonald served our community as a paramedic since 2000. HONORING DEPUTY LOPEZ ON BEING NAMED OFFICER OF THE YEAR FOR HER ALTRUISM AND HEROISM

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 19, 2017

Mr. RUIZ. Mr. Speaker, I would like to recognize an outstanding member of my Congressional district, Riverside County Sheriff's Deputy Alicia Lopez. Because of her extraordinary altruism, she was recently named Officer of the Year by the Palm Desert Police Department. Her story is an inspiration and today, I want to recognize her exceptional dedication of service and sacrifice.

Deputy Lopez and Community Service Officer Angelina Castleberry became close friends when they were both working at the Palm Desert Police Department. In 2014, Ms. Castleberry gave birth to beautiful twins. Unfortunately, one of them was born with a kidney deficiency. For three and a half years, little Matthew has been subject to multiple dialysis treatments, 14 surgeries, and weekly visits to the Loma Linda University Kidney Center.

Throughout the procedures, doctors advised Ms. Castleberry that Matthew may not survive for too long without a kidney transplant. When Deputy Lopez learned about Matthew's troubles, she decided to participate in a blood drive to see if she could be a match. In March 2017, the results indicated that she was in-

deed a match. Without any hesitation, Deputy Lopez decided to donate her kidney to save the life of little Matthew.

When Deputy Lopez enthusiastically shared the great news with Ms. Castleberry, she was overcome with tears of joy. On July 31, 2017, Deputy Lopez donated her left kidney to little Matthew, and the transplant surgery was successful. Her selfless generosity saved Matthew's life, who is now recovering well with his new kidney.

Deputy Lopez has dedicated her life to serving the residents of the Coachella Valley. Her valuable contributions and arduous work strengthening our community are inspiring. As exemplified in this story, she goes above and beyond the call of duty.

Mr. Speaker, on behalf of California's 36th Congressional District, I truly commend Deputy Lopez for her heroism and compassionate sacrifice. Her willingness to help little Matthew is an inspiration to us all. Her years of service and contributions to our community are an example of excellence and dedication that all should seek to emulate.
