

Texas to serve his nation as an enlistee with the United States Marine Corps. In 1993, on leave from Marine boot camp training, he married his high school sweetheart, Jacki. As a Marine, Iron Bill served 4 years, including a deployment to Somalia with I Marine Expeditionary Force in support of Operation Restore Hope, 1995. He returned home to Texas and to Jacki to begin his career and to start a family. Twenty-one years later, Captain Dowling and Jacki have three children: Forrest, Faith and Foster.

Iron Bill's patriotic spirit and love of the community led him to join the Houston Fire Department. He graduated from the Houston Fire Department Academy in 2000 and steadily rose through the ranks. He worked at Stations 12, 19, and 48 before making Captain at Station 68 in January of 2013. Firehouse 68 is located at the corner of Bissonnet and South Gessner in the heart of Southwest Houston. In 2013, the fire apparatus of Firehouse 68 made 14,847 responses, making it the third busiest fire station in the City of Houston. There, at Firehouse 68, Captain Dowling became known as Iron Bill, a fitting nickname to describe a strong and courageous hero.

It was just five months after he arrived at Station 68 that Captain Dowling and fellow firefighters received an alarm call that would take them to the gates of hell.

On that fateful day, in the heat of the Texas noonday sun, Captain Dowling along with the four other firefighters rushed into the hotel to find potential trapped guests. While the firefighters were in the hotel, the roof collapsed, trapping and killing Garner and Sullivan from Station 68 and Bebee and Renaud from Station 51. Captain Dowling's legs were crushed and burned, but he remained calm, radioed for help and waited for his brothers to pull him from the flames.

The attending physician in the ambulance said that Captain Dowling, though severely injured, kept asking about the condition of his crew. He was more concerned for the safety of others than himself, the testament of a true hero. He told the doctor, on the way to the hospital, to tell his wife and children that he would fight for them. Hearing this comes as no surprise to Captain Dowling's family; they know him as a fighter.

Captain Dowling was seriously injured with burns over thirty percent of his body, and he was placed in a medically induced coma for months at Memorial Hermann Hospital and Medical Center. He subsequently had both legs amputated and suffered brain damage. A long road of recovery was ahead for Captain Dowling, but surrounded by a team of doctors, his family, firefighter family, friends, church and the entire city and state of Texas, Iron Bill was not alone. Deserving, Captain Dowling became everyone's hero.

Since returning home, Jacki left her full time job at Frank Elementary to care for her husband full time. It's no surprise that as a Texas woman, she's strong and determined, but quite simply, the strength that she possesses is amazing. To keep the community updated on Iron Bill, she started blogging on a community Facebook page entitled "Capt. William Dowling Iron Bill". This blog allows the community to rally behind the Dowling family, cry with them, laugh with them, pray for them and see their hero survive.

In August of 2016, the Dowling family moved to Durango, Colorado in order for Cap-

tain Dowling to make the most of his journey in the great outdoors. He became hooked on skiing through Adaptive Sports. Jacki said he was the healthiest he had been in a long time and was thriving in the mountain air so Jacki returned to coaching volleyball.

On the morning of March 7, 2017 Jacki asked for prayers for Iron Bill, as she was worried about his recent spell with pneumonia. That evening Captain William Dowling took his final journey home into the arms of the Good Lord.

Captain Dowling will be remembered for his bravery, determination, and loyalty. He always put others ahead of himself and was dedicated to serving his community. The legacy Iron Bill leaves behind is one that his friends, family, and community will never forget.

Today, the entire city of Houston will pay tribute to the life of one of Houston's heroes, one of our finest.

Houston firefighters are grateful for the support of 174 firefighters from 30 Texas departments that will ride in Houston stations tomorrow so A-shift firefighters can attend the memorial service for Iron Bill Dowling. Thanks to firefighters from College Station, Plano, Montgomery County, Conroe, Weatherford, Pearland, New Braunfels, South Montgomery County, Fort Worth, Sugar Land, China Grove, Kemah, West University, Longview, Nacogdoches, Bexar County ESD 2, Lewisville, Galveston, Lubbock, Baytown, Southlake, Benbrook, Seguin, Austin, Dallas, Westfield, Waco, Hutchins, Tomball, and The Woodlands.

As the family of Iron Bill mourns the loss of a great man, I hope they know the community of Tomball, the greater Houston area and Texas' Second District will keep the family in their thoughts and prayers. Our community will always be grateful for his service and sacrifices. Once a hero, always a hero. That's the man we call Iron Bill.

And that's just the way it is.

#### CELEBRATING MAPLE SEASON IN NEW YORK'S 21ST DISTRICT

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 15, 2017*

Ms. STEFANIK. Mr. Speaker, I rise today to honor a time-honored tradition in New York's 21st district. Specialty crop products are a critical part of the North Country's economy, and maple holds a special and delicious place among them. Every year in late winter and early spring, the cultivation of maple tree sap gives residents a reason to celebrate.

New York State is home to the largest resource of tappable maple trees within the United States. Every year, our farms produce thousands of gallons of sap, which will then be made into syrup and other maple products. These products are not only a staple in households across the region, they also encourage tourism and support our small and local businesses.

The benefits of maple syrup production are a source of celebration for communities throughout the North Country. Throughout March, maple festivals are held across New York, with families and friends gathering to enjoy delicious products and attend tours of locally owned farms.

In our district, the Toad Hill Maple Farm has been producing high quality maple products for over 30 years. Utilizing more than 100 acres of land and currently standing as the largest maple producer in Warren County, the system used at Toad Hill can turn 1,000 gallons of sap into 25 gallons of syrup per hour.

Mr. Speaker, I am proud to stand on the House floor today to support our North Country maple farmers.

RICHARD BLANKENSHIP

**HON. BRAD R. WENSTRUP**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 15, 2017*

Mr. WENSTRUP. Mr. Speaker, I rise today to honor the life and memory of Richard Blankenship of Hillsboro, Ohio.

Richard's time here on earth will be remembered by many as serving both his community, and his country. He was a U.S. Army veteran, having served his country with dedication.

And that dedication and passion was felt in the Cincinnati and Hillsboro communities, where Richard served in a number of different roles, influencing the lives of many.

From the Cincinnati Bengals, to the Southern State Community College, to East Clinton High School, where he served as both a coach and a teacher. At Finneytown Local Schools, where he taught and held various coaching positions, teaching students important lessons of teamwork and leadership.

When Richard retired from teaching in Finneytown in 2003, he said "I will miss being with students and parents, but it's time to hang up my gym shoes."

Richard, our communities are better for having you here, teaching our children, students, and those around you, and changing their lives for the better.

My thoughts are with the Blankenship family.

HONORING THE LIFE OF MICHAEL  
F. RING

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 15, 2017*

Ms. STEFANIK. Mr. Speaker, I rise today to honor a remarkable man who dedicated his life to serving the 21st District of New York.

Michael Ring was a loving father and a successful business owner, but he was also a man who believed in public service and the importance of participatory government. Michael worked as a broadcast engineer throughout New York's North Country. However, this is only a portion of his immense contribution to the community.

Mr. Ring worked for the betterment of others during his time as an advisor to the Jefferson County Board of Cooperative Education Services as well as through his efforts as Co-Chair of the Watertown Area Emergency Alert System. His guidance and care could be seen in his time as a volunteer teacher, college student mentor and PTA member as well as through his participation in a multitude of groups that advocated for the importance of national security.

I first met Mike when he was a fellow candidate for Congress in 2013. I was immediately struck by Mike's genuine kindness,

generosity, warmth, and dedication to mentoring others. Mike made friends with people from around the globe and advocated on their behalf. He also was a self-published author of wonderful books. I will miss seeing Mike's smile at community events in Jefferson County.

I would like to extend my sincerest condolences to the family and friends of Michael Ring, especially his beloved wife Penny. Thank you for sharing him with us all.

HONORING THE LIFE OF CON-  
GRESSMAN ELIGIO "KIKI" DE  
LA GARZA

**HON. VICENTE GONZALEZ**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 15, 2017*

Mr. GONZALEZ. Mr. Speaker, I rise today to honor the life of Congressman Eligio "Kiki" de la Garza, who passed away this Monday, March 13, 2017.

De la Garza served as the federal representative for the 15th District of Texas from 1965 to 1997. During his Congressional service, he was Chairman of the Committee on Agriculture from 1981 to 1994 and Ranking Member of the Committee from 1995 to 1997. De la Garza was a founding member of the Congressional Hispanic Caucus.

At the age of 17, de la Garza joined the United States Navy and served for two years, including the final months of World War II. Upon returning home, he completed his high school education before attending Edinburg Junior College and St. Mary's University in San Antonio. While at St. Mary's, de la Garza was again deployed, this time to the Korean War where he was an artillery officer in the United States Army. He then earned his Juris Doctor from St. Mary's University in San Antonio. De la Garza was elected to the Texas House of Representatives in 1951, at the young age of 24, serving six terms before being elected to the U.S. House of Representatives.

During his tenure in the U.S. House of Representatives, de la Garza endeavored to improve the lives of rural Texans, working to expand and improve federal support for farmers and ranchers. He also stood up for the disenfranchised, supporting landmark civil rights legislation that led to important progress for our society. Born and raised in the Rio Grande Valley, de la Garza understood the importance of maintaining strong international relations and was a staunch supporter of the U.S.-Mexico relationship. He was the first Member of Congress to receive Mexico's Order of the Aztec Eagle Award and Israel's Vulcan Center's Lifetime Achievement Award—both awards recognized his efforts to cultivate stronger, more constructive ties between the United States and its allies. As a founding member and chairman of the Congressional Hispanic Caucus and the first Hispanic to chair a standing committee in the U.S. House of Representatives, he is an inspiration for the next generation of Latino leaders.

Mr. Speaker, this week our country lost a statesman, public servant, husband, father, grandfather, and friend, but his legacy will live on. It is a privilege to follow in the footsteps

of Eligio "Kiki" de la Garza, who was genuinely committed to empowering rural areas and the Hispanic community.
