

Specifically, Jack spearheaded several inter-governmental agreements with surrounding cities and school districts, including an agreement with the City of Westminster, which was the first of its kind in Colorado. These agreements helped better coordinate planning in terms of costs, revenue and future growth areas among Thornton's neighboring communities.

In addition, these agreements helped make Thornton's city services more efficient and cost-effective including snow and ice control removal on shared streets, special transit services for seniors and low-moderate income residents, and coordination of transportation planning. The Denver Regional Council of Governments and the Colorado Municipal League have recognized several of these programs virtually every year since 1986.

Jack's vision, leadership, and commitment to public service and his local community has been recognized by a wide variety of organizations and awards including: Metro North Chamber of Commerce's Economic Developer of the Year; Denver Federal Executive Board's Distinguished Local Government Award; and 1986 Man of the Year by the Northglenn-Thornton Sentinel.

I extend my deepest appreciation to Jack Ethredge for his service and commitment to the City of Thornton and I wish him all the best in retirement.

#### TESTIMONY OF SHELTA WILSON ON THE POSITIVE IMPACT OF THE AFFORDABLE CARE ACT

#### HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 20, 2017*

Ms. DELAURO. Mr. Speaker, it is with great pride that I enter the powerful words of my constituent, Shelta Wilson, who supports the Affordable Care Act and the protections it provides our most vulnerable citizens.

"Let me introduce myself. My name is Shelta Wilson. I am 37 years old, and I operate a home daycare business in New Haven, Connecticut. It would be my pleasure to tell you why affordable healthcare is important to me. A couple of years ago, I was diagnosed with type 2 diabetes. At that time, I have no health insurance, and my health was seriously declining. It was impossible for me to run my business with these health issues.

Through networking, I was informed on where to go for affordable healthcare. It is called Access Health Exchange, and I was approved by them immediately. I was able to get the supplies and medication I needed to run by business. As of right now, I am 100% free of diabetes and the medication that went with it. I feel good and truly know that without Access Health Exchange and the Affordable Care Act, I would not be able to stand here and talk to you guys today about how important it is to have affordable health care. Having health insurance truly saved my life."

#### RECOGNIZING DIRK NOWITZKI'S 30,000 POINT MILESTONE

#### HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 20, 2017*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, it is with great pride for my hometown Dallas Mavericks and my good friend Dirk Nowitzki that I celebrate his 30,000th career point. On March 7th, 2017, with a baseline jump shot we have seen so many times, Dirk Nowitzki joined the ranks of NBA legends Kareem Abdul-Jabbar, Karl Malone, Kobe Bryant, Michael Jordan and Wilt Chamberlain in the 30K points club. I could not be happier for my friend.

In 1998, Dirk Nowitzki, who was born in Germany, was drafted into the NBA and immediately traded to the Dallas Mavericks. Since then, he has played 19 seasons with the same team, and in that time won an MVP award, a national championship, and touched the minds and hearts of so many Dallasites, basketball fans and not. His professional dedication to our city is unmatched these days in professional sports, and so is his charm and sense of humor.

But even more important than any basketball achievement, Dirk Nowitzki is a kind and good-natured person. He has made Dallas his home, and does not rest until all of its citizens enjoy better opportunities in their lives. He impresses me on the basketball court, but off the court, with people, is where his true splendor is showcased. Mr. Speaker, may the record celebrate this historic accomplishment for a man who will be destined for history no matter what he does.

#### PAYING TRIBUTE TO DR. WILBUR WILLIAMS FOR HIS 50 YEARS OF SERVICE

#### HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 20, 2017*

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to celebrate the retirement of Dr. Wilbur Williams from Indiana Wesleyan University in Marion, Indiana. Dr. Williams is a beloved member of the Indiana Wesleyan community, as well as the greater Marion community. Through his 50 years of teaching, he has taught over 17,000 students, led over a hundred trips to the Bible lands, and is an accomplished author. The people of Indiana's Fifth Congressional District are forever grateful for Dr. Wilbur Williams' commitment to educating the next generation of Indiana students to be knowledgeable, passionate, and active members of their community and the world.

Born in Gas City, Indiana to William and Idelta Williams, Dr. Williams is a life-long Hoosier. He graduated from Fairmount High School and later attended Marion College, now Indiana Wesleyan, for his undergraduate studies. He married Ardelia Lee Williams, another beloved faculty member of Indiana Wesleyan, in 1953. After his undergraduate studies, Dr. Williams was a pastor at Sheridan Wesleyan Church in Sheridan, Indiana from 1953 to 1958. In 1957, during his time as pastor, Dr. Williams earned a Master of Science from Butler University. He then went on to become the Assistant General Manager of the Higley Press and Publishing Company from 1959 to 1960 then Plant Manager at the Economy Printing Concern from 1960 to 1961. Dr. Williams was then the Circulation Manager of the Christian Freedom Foundation from 1961 to 1966 as well as was the Editor of the Evangelical Sunday School commentary from 1960 through 1973. He earned his Master of Arts from New York University in 1965 and shortly thereafter, he came back home to Indiana and began his long career as an associate professor, teaching Old Testament and Archaeology, for Indiana Wesleyan University. Dr. Williams earned his Doctorate of Divinity from Oklahoma Wesleyan University in 1992.

Dr. Williams is perhaps one of the most well-known professors in Indiana Wesleyan history. Many students have taken his course, Old Testament Survey, where he has been known to incorporate his 40 plus years' experience in Israel Archeological excavations into the material he teaches. Not only is he a long serving professor, he is beloved by his students. He has been elected "Professor of the Year" eight times, most recently in 2009 and 2010. Dr. Williams for many years taught for only a \$1 annual salary, so that the money
