COMMEMORATING PHYLLIS
SCHLAFLY AND HER WORK ON
BEHALF OF INVENTORS AND
THE U.S. PATENT SYSTEM

HON. DAVE BRAT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 18, 2017

Mr. BRAT. Mr. Speaker, I rise to commemorate an outstanding conservative leader with whom I had the privilege of working with and learning from over my political career: Phyllis Schlafly. Her efforts advocating for America's inventors and the patent system that protects their inventions will be highlighted at an upcoming event of the Eagle Forum Education & Legal Defense Fund entitled "Phyllis Schlafly: Celebrating an Untiring Advocate of Inventors and the Economic Freedom to Invent." Therefore, I wish to add a word commemorating the contribution of this bold patriot who was an indispensable force to our great nation's success.

America has long been a haven for innovations in the marketplace. Through the years, American inventors have looked to Article I, Section 8 of our U.S. Constitution and its power vested in Congress to protect creators' "exclusive Right to their respective Writings and Discoveries." As a result, America has held the distinction of being a global leader in cutting-edge innovations and novel inventions.

Phyllis Schlafly recognized this vital part of our free enterprise system and was a strong voice on behalf of American inventors. She was quick to praise the American patent system, which was unique when the Founding Fathers put it into the U.S. Constitution and is still unique today. She decried other nations that advance themselves by stealing American designs while clutching to inferior patent systems that punish inventors and stymie progress.

Phyllis Schlafly understood that the superiority of American ingenuity is not a matter of happenstance, but the product of a bold and inspired precedent set by our Founding Fathers and enshrined in our Constitution. Only through patent protection, the right to private property, and the free market can America motivate inventors to stretch the boundaries of what is possible and create the products that increase productivity, save time, and save lives every day. From the traffic light and GPS navigation, to the microwave oven and the Internet, every American has benefitted from our unique patent system.

For more than seventy years, Phyllis Schlafly was a tireless advocate for our patent system. I am proud to honor her and the many inventors she fought to protect.

IN RECOGNITION OF SARA
ABLARD

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 18, 2017

Mrs. COMSTOCK. Mr. Speaker, I am honored to use this time to recognize an outstanding constituent in Virginia's 10th District, Sara Ablard, who has had an incredible impact on increasing awareness for children with cleft palates and cleft lips. Working closely with the Smile Train, an organization that helps cover the \$250 surgery for infants with the birth defect known as cleft lip or cleft palate, Ms. Ablard founded the Sadie's Smile Foundation in honor of her daughter Sadie who passed away six years ago during a roller skating accident.

Ms. Ablard always remembers Sadie's beautiful smile and her compassion for other children. One day while walking through Dulles Town Center, Sadie saw a poster of a boy with a cleft palate and was intrigued and curious as to how she might be able to help him and others. That Christmas, Sadie and Ms. Ablard asked for donations instead of presents, and they were able to raise \$500, which fully funded two surgeries for infants with cleft palates and lips.

Sadie truly wanted to give others the chance to smile, as she once did so brightly and proudly, and when she passed away, Ms. Ablard made it her life goal to preserve Sadie's legacy through helping others. She started the Sadie's Smile Foundation, which, this year, is hosting its 6th Annual 5K & Kids Fun Run for Smile Train, with the goal of raising \$478,250, signifying \$250 for each day her daughter was alive and smiling. The 5K and Fun Run not only increase awareness and raise money for the Smile Train organization, but the event also helps us all remember Sadie and bring the community together.

Mr. Speaker, I now ask that my colleagues join me in recognizing Sara Ablard's heroic actions and the memory of her beloved daughter, Sadie. Individuals, like Sara, who overcome terrible tragedies in their own lives and go on to help others, truly make me proud to serve Virginia's 10th District, and today, we honor and celebrate her contributions to our community and to those less fortunate. I wish Sara all the best in her future endeavors.

RECOGNIZING SPECIALIST JAMES
STEVENS' SERVICE

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 18, 2017

Mr. LAHOOD. Mr. Speaker, today, I would like to honor Specialist James Stevens as he selflessly defended our nation.

A native of Knoxville, Iowa, Specialist Stevens grew up playing with "GI Joe" action figures and watching war movies, dreaming that one day he too would become a soldier. In 2010, James enlisted in the U.S. Army and then graduated from Infantry School at Fort Benning, Georgia, achieving his childhood dream. During his time at Infantry School, James learned how to defend this nation and

the importance of brotherhood. Two years later, Specialist Stevens deployed to Afghanistan where he was stationed at Combat Outpost Zerok. In support of Operation Enduring Freedom, Specialist Stevens and his infantry unit were responsible for guard duty and combat patrols. Stevens' valor and leadership led him to serve as a decorated hero receiving the Afghanistan Campaign medal with Campaign Star, Army Commendation Medal, NATO Medal, and the Combat Infantryman's badge.

Currently a veteran, Stevens continues to serve members of his community in East Peoria, Illinois. As a proud father, he raises his two girls, Kirstin and Madison, and teaches his daughters the same lessons learned while serving aside his Army brothers at Fort Riley: loyalty, duty, respect, and honor. In addition, Stevens volunteers with the Habitat for Humanity Greater Peoria Area where communities come together to build homes for veterans and military families.

Specialist James Stevens is an American hero, who has dutifully served his nation and continues to proudly serve his family and community. Thanks to Specialist Stevens for his service and sacrifice. This country is blessed to have servicemen, like James Stevens, who selflessly devoted their careers to protecting this country. We owe him a debt that can never be repaid.

HONORING THE TOUGALOO COLLEGE/DELTA HEALTHPARTNERS
HEALTHY START INITIATIVE

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 18, 2017

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable public health program designed to reduce infant mortality in the Mississippi Delta, the Tougaloo College/Delta HealthPartners Healthy Start Initiative.

This initiative is one of the 100 Healthy Start Initiatives throughout the nation working endlessly to give every child a healthy start in life. The Delta HealthPartners' Healthy Start program is housed under the auspices of Tougaloo College within the George A. and Ruth B. Owens Health and Wellness Center, under the direction of Dr. Sandra Carr Hayes, the executive director. The program serves a rural population in a seven county area in the Mississippi Delta (Tunica, Coahoma, Quitman, Tallahatchie, Sunflower, Bolivar, and Washington counties). These counties are among the poorest and most medically underserved in Mississippi and the nation.

The Healthy Start Initiative was implemented in 1999 with funding from the Health Resources and Services Administration under the leadership of Dr. Beverly W. Hogan, who now serves as President of Tougaloo College. Today, Ms. Arletha Howard serves as the project director. Ms. Howard is a registered nurse with over 28 years of experience in oncology, burn trauma, intensive care unit, pediatrics, home health, maternal and child health. She has worked with the Healthy Start Initiative for 16 years. In 2014, under Mrs. Howard's leadership, the Healthy Start Initiative was upgraded from a Level I individual based program to a Level II community based program.

Since its inception, the Healthy Start Initiative has provided case management services through a home visiting model to: (1) high-risk pregnant women of childbearing age 10–44 years, (2) their infants; and (3) fathers/co-parents.

Over the past 16 years, the program has achieved several major accomplishments: The Healthy Start Initiative has case managed over 900 mothers and infants just this past calendar year (January 1, 2015 to December 31, 2015).

The Healthy Start Initiative has created the Coahoma County Community Action Network is responsible for opening the first Diaper Bank in the state of Mississippi funded by charitable donations and Northwest Mississippi Foundation.

The Healthy Start Initiative serves as the lead agency in partnership with the Mississippi State Department of Health in the Mississippi Delta Regional Fetal Infant Mortality Review program.

The Healthy Start Initiative has created Memorandums of Understandings (MOU) with 22 partnering schools in the Mississippi Delta to provide peer support groups to pregnant/parenting teens and co parents.

The Healthy Start Initiative has been featured in numerous publications and articles (USA Today, Hechinger Report, Huffington Post, Clarksdale Press Register, Tunica Times, and WABG TV Interview) highlighting the comprehensive services of the project.

The Healthy Start Initiative has partnered with Parents for Public Schools to provide trainings for project parents on advocacy skills and educating and mobilizing parents to strengthen public schools.

The Healthy Start Initiative promotes breastfeeding in two (2) clinic sites by providing health education by project's Certified Lactation Counselors (Women's Clinic—Clarksdale, MS and Gamble Clinic—Greenville, MS).

The Healthy Start Initiative hosts a Community Baby Shower in partnership with local hospitals, Federally Qualified Community Health Centers (FQHC), other health care providers and key stakeholders each year in September to promote awareness of infant mortality during National Infant Mortality Awareness Month.

The Healthy Start Initiative has implemented a male outreach initiative to address parenting issues among male co-parents and hosts an Annual 5k Walk in June to promote Men's Health Awareness.

Mr. Speaker, I ask my colleagues to join me in recognizing The Tougaloo College Delta HealthPartners Healthy Start Initiative for its continued efforts to reduce infant mortality in the Mississippi Delta.

TRIBUTE TO LYNN UBBEN

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 18, 2017

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize Perry Community Schools Superintendent Lynn Ubben upon her retirement at the end of the 2016–2017 school year.

Lynn has been in education for 41 years, starting as a Special Education Teacher at

Fredericksburg Community School in 1976. Lynn taught as she continued her own education. She completed her Masters of Arts in Elementary Special Education at Northwest Missouri State University in 1998 and later her Certificate of Advanced Studies in Education Administration and her Principal Endorsement at Iowa State University. After serving as a principal and a superintendent at other Iowa schools, Lynn came to Perry to serve as Superintendent in 2009 when she saw just how much the school board cared about the kids. And to Lynn, that is what it is about—the kids. She strives to build those close-knit relationships with her students, whether it's in the hallways of the school, or cheering from the stands at a sporting event or other extra-curricular activity. While she may be retiring and spending more time with her family, there is no doubt that Lynn will still be there cheering on “her kids.”

Mr. Speaker, I congratulate Lynn for her 41 years as an educator, and I ask that my colleagues in the United States House of Representatives join me in congratulating her on a successful career and in wishing her nothing but the best in her retirement.

RECOGNITION OF FIRST BAPTIST CHURCH (CENTRALIA)

HON. A. DONALD McEACHIN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 18, 2017

Mr. McEACHIN. Mr. Speaker, historic First Baptist Church (Centralia)—originally known as Salem African Baptist—was established in 1867, in Centralia, Virginia by freedmen from Salem Baptist Church. The mother Church is located two miles west of this site—on a hill by the railroad near the intersection of Centralia and Chester Roads.

Members of the first Board of Trustees—Daniel Wilkerson, Wilson Lewis, Lemuel Dodson, James White, and Emanuel Johnson—received the deed of trust for this plot of land from Mr. & Mrs. P. A. Chalkley of Salem Baptist. Mr. Ben Duval, also from Salem Baptist, donated lumber for the Church. Prior to the erection of the first modest sanctuary in 1867, the first worship services were held in a brush arbor at this sacred site.

Between 1867 and 1949, the Church prospered under the leadership of eleven pastors including Reverend Lewis Branch who was the first, Reverends Ned Bland; Eli Saunders; J. E. Brown; T. H. Johnson (1897 to 1906); William Thomas (1906 to 1915); H. M. Chapman (1915 to 1919); J. H. Binford (1919 to 1929); C. A. Cobbs (1929 to 1931); C. J. Washington (1932 to 1934); and W. B. Ball (1934 to 1949).

In the early 1900's during the pastorates of Reverend T.H. Johnson and J.H. Binford, the second edifice was erected and renovated into the edifice of historic and architectural significance for which it is renowned: Historic First Baptist (Centralia).

Per O'Dell (1983; pp. 346 and 356), “Another church departing somewhat from the standard plan is . . . First Baptist Church of Centralia, erected by a black congregation in the 1910s.” Known for its twin towers, and architectural elements that included Gothic Revival, Colonial Revival, and Shingle styles, the edifice was according to O'Dell, “larger than

any in the county at the time . . .” Also, the exterior decoration was reported to be “more elaborate than that on most rural churches of the period.”

Needing more space for a growing discipleship, in 1963 under the leadership of Dr. Samuel Moss Carter, the twelfth pastor who served for forty years (1950 to 1990), First Baptist (Centralia) moved to its current edifice at 2920 Kingsdale Road—two miles northeast of the historic site at 4412 Centralia Road, Chester, VA.

On April 16, 1996, Historic First Baptist Church (Centralia) was razed by arson. Led by Divine intervention and forgiveness of the arsonists, the current and thirteenth pastor—Dr. Wilson E.B. Shannon (who was installed in 1991) and the congregation that included professionals with architectural drafting, brick masonry, plastering, and contracting—reconstructed Historic First Baptist (Centralia) to authentic specifications within one year (1997) of her being destroyed.

In July 2012, following an historic exposé designed for the Chesterfield Historical Society of Virginia (CHSVA), First Baptist Church (Centralia): Yesterday, Today, and Tomorrow (at which time, CHSVA recognized her historic and architectural significance), the Church was invited to apply for Chesterfield Historic Landmark status.

Designated as a Chesterfield County (VA) Historic Landmark in June 2014, the Church was also granted one of the highly coveted Virginia Historical Highway Markers by the Virginia Department of Historic Resources in December 2014. The marker was installed in November 2015 at a grand ceremony marking this epic achievement. While First Baptist (Centralia) is the third church in Chesterfield to earn distinction as an historic landmark, First Baptist (Centralia) is the first African American Church in Chesterfield to earn this distinction.

To further address family-life ministry and community needs, the shared vision of disciples and Dr. Shannon and First Lady Cynthia Smith Shannon—who just celebrated their 26th anniversary at First Baptist—includes expansion of the Samuel Moss Carter Family Life Center to a 45,000 square ft. edifice encompassing banquet facilities for 750 occupants, an indoor Olympic sized swimming pool, and other amenities supportive of family life ministry.

First Baptist Church (Centralia) has been blessed over the last 150 years to have been a spiritual beacon for her members, the Church community and beyond—supporting them through the challenges of independence, the Great Depression, societal changes, physical growth, world wars, arson, and familial joys and sorrows. She welcomes the next 150 years—Magnifying God's Word, Blessing His Name, and Aspiring to Exalt His Kingdom on Earth.
