Mr. LONG. Mr. Speaker, I rise today to congratulate the Jordan Valley Innovation Center on 10 years of dedication to new and innovative ideas.

The Jordan Valley Innovation Center is a place where students at Missouri State University and the private sector come together and work towards creating and researching the development of new technologies. As technology continues to change, it's important to have hands-on opportunities like the ones provided by the Jordan Valley Innovation Center.

Construction began for the center in 2005 and two years later, construction was completed. Since then the Jordan Valley Innovation Center has been a vital part of southwest Missouri and its success.

I am honored to recognize Jordan Valley Innovation Center on its 10-year anniversary. I look forward to watching this center grow as it continues to be a place of learning and creating. On behalf of Missouri's 7th Congressional District, I ask all of my colleagues to join me in congratulating the Jordan Valley Innovation Center on all its success.

INTRODUCTION OF HOUSE RESOLUTION EXPRESSING THE SENSE OF THE HOUSE OF REPRESENTATIVES THAT THE SENATE SHOULD GIVE ITS ADVICE AND CONSENT TO THE RATIFICATION OF THE CONVENTION ON THE ELIMINATION OF ALL FORMS OF DISCRIMINATION AGAINST WOMEN (CEDAW)

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 24, 2017

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, I rise today to introduce the sense of the House of Representatives that the Senate should give its advice and consent to the ratification of the Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW).

CEDAW is a landmark international agreement that calls on governments to take appropriate measures to end discrimination against women in all areas of life. The Convention seeks to develop women's equality in legal status, human rights, political participation, employment, education and healthcare, while committing countries to change or eradicate discriminatory laws, customs, and practices.

Despite 189 countries ratifying CEDAW, the United States is the only industrialized country in the world that has not ratified the treaty, even though its fundamental principles of equality and nondiscrimination are paramount to the ideals of our nation. Other nations that have not ratified CEDAW include Somalia and Iran.

CEDAW is not self-executing, but would be a powerful statement uniting the U.S. with most of the world in its commitment to women's rights and equality. Any legislation the United States might adopt to comply with the treaty would have to go through the normal Congressional process.

Ratification of CEDAW would continue our nation's proud bipartisan tradition of promoting and protecting human rights. Senate action in favor of ratification of CEDAW would strengthen our standing as a global leader for the rights of women and girls. I hope my colleagues will cosponsor this important resolution that will benefit women in the U.S. and around the world.
