

## EXTENSIONS OF REMARKS

RECOGNIZING THE DELAWARE & LEHIGH NATIONAL HERITAGE CORRIDOR AS A SMITHSONIAN AFFILIATE

**HON. CHARLES W. DENT**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 30, 2017*

Mr. DENT. Mr. Speaker, today I have the privilege of recognizing the Delaware & Lehigh National Heritage Corridor as it becomes an Affiliate of the Smithsonian Institution.

Earlier this year, the heritage corridor completed a five year merger process with the National Canal Museum. As a result of this merger, the Canal Museum's Smithsonian Affiliate status will transfer to the Delaware & Lehigh National Heritage Corridor.

The Delaware & Lehigh National Heritage Corridor, also known as the D&L Corridor, is part of our nation's National Heritage Area system. The corridor spans 165 miles from the mountains of northeast Pennsylvania through the Lehigh Valley, and it preserves and showcases the cultural resources that are an integral part of this region's history. As part of its efforts, the D&L Corridor has developed a curriculum offered to 4th and 5th grade students in the area, titled "Tales of the Towpath," which provides them with the opportunity to explore mid-19th Century life along the Lehigh and Delaware canals. By merging with the National Canal Museum, the D&L Corridor is able to utilize the museum's artifacts and exhibits—including Pennsylvania's only mule-drawn canal boat—to bring its curriculum to life.

In addition to the National Canal Museum, the D&L Corridor also includes other important sites such as the National Museum of Industrial History, Historic Bethlehem Museums and Sites, Mercer Museum and Fonthill Castle, and numerous other National Historic Landmarks. For these reasons, the D&L Corridor has achieved a Smithsonian-National Heritage Area Partnership, which is the first of its kind in the United States.

The D&L Corridor has worked tirelessly to preserve and promote the rich history and culture of our beloved region in Pennsylvania, and I am proud that it now has even greater resources to share with those who visit. I wish them the utmost success as they pursue this endeavor.

IN RECOGNITION OF MICHAEL SIMPSON FOR HIS WORK ON BEHALF OF THE DETROIT COMMUNITY

**HON. DEBBIE DINGELL**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 30, 2017*

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Michael Simpson, owner and proprietor of Nu Jazz Swingers. Mr. Simpson has

contributed to the vibrant jazz culture in Detroit through his work with NJS and in the community.

Originally founded in 1976 as the Flying Diamond, the club was renamed the Nu Jazz Swingers the following year and has established itself as one of the premier jazz clubs in southeast Michigan. NJS became a popular destination for African-American members of the United Auto Workers, who frequented the club after their shifts at nearby auto manufacturers. Michael Simpson, the club's owner and DJ, also played an important role in popularizing jazz music by featuring music played by Louis Armstrong, Michael Franks, Bob James and other prominent jazz performers. This helped the club cultivate a loyal following and a reputation as one of the leading juke joints in southeast Michigan. Additionally, Mr. Simpson and NJS are active in the surrounding community, hosting annual Halloween and Christmas parties for children and families in nearby neighborhoods. Mr. Simpson has also supported Detroit youth athletics through donations and sponsorships of local teams.

Mr. Simpson's work has been critical to creating a long-lasting establishment in NJS that has contributed to the cultural expression of the African-American community in Detroit. Through its popularization of jazz musicians, as well as its Jazzy ballroom nights and other events, NJS has become a well-known destination and has influenced the culture of Detroit and the surrounding areas. Mr. Simpson's charitable acts have also provided important aid to local families in need, and his holiday party raises thousands of dollars each year for individuals in the community. Collectively, Mr. Simpson's actions have had a significant impact on the City of Detroit and its residents and are worthy of commendation.

Mr. Speaker, I ask my colleagues to join me in honoring Mr. Michael Simpson. Mr. Simpson's work as an owner and DJ with NJS has been a key influence on Detroit's cultural life.

IN HONOR OF THE NIAGARA FALLS AIR RESERVE STATION ATTAINING 187,000 ACCIDENT FREE FLYING HOURS

**HON. CHRIS COLLINS**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 30, 2017*

Mr. COLLINS of New York. Mr. Speaker, I rise to recognize the Niagara Falls Air Reserve Station for their accomplishment of attaining a total of 187,000 accident free flying hours. Since I have been in Congress, Congressman BRIAN HIGGINS and I have worked together to ensure this base is protected for future generations.

The Niagara Falls Air Reserve Station sits near the North East international border, near one of the largest populated areas in Canada. In 1970, the base made the transition from the C-119 to C-130 aircraft; a large tactical air-

craft primarily used for troop transportation and supply drops, the C-130 can withstand rough terrain and has been a major tactical component for the Niagara Falls Air Reserve Station.

Not only does the Niagara Falls Air Reserve Station provide national security and give those in Western New York a chance to serve their county, it also provides a significant economic boost to Western New York. The base employs over 2,600 people and has an economic footprint of more than \$200 million in the Western New York Community. It has been an honor, alongside Congressman HIGGINS, to fight to protect this base, and keep its location in Niagara Falls.

These brave men and women were called to active duty to participate in Operations Desert Shield, Desert Storm, Iraqi Freedom and Enduring Freedom. Their professionalism, teamwork and pride for their country enabled them to achieve 187,000 accident free flying hours since 1961. These men and women are not just exemplary servicemen and women. They are your neighbors, your scoutmasters, your children's coaches, your friends. You notice when they are gone, because they bring their leadership and teamwork skills to everything they do.

The 914th Airlift Wing Vision statement is, "Attain the highest state of readiness in support of the nation and our community through the development of our Airmen to deliver exceptional performance." From the flight crew, to the maintenance crew, everyone must be fully prepared for whatever comes their way. In order for this to happen, they train efficiently, and regard safety as their top priority. I, along with Congressman HIGGINS, applaud their accomplishment, and thank them for their relentless commitment and service to our country.

### REMARKS IN OPPOSITION TO H.R.

1862

**HON. HENRY C. "HANK" JOHNSON, JR.**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 30, 2017*

Mr. JOHNSON of Georgia. Mr. Speaker, today I rise in opposition of H.R. 1862, the Global Child Protection Act of 2017.

Studies completed by the Centers for Disease Control show that 1 in 4 women and 1 in 6 men are sexually abused before the age of 18. Furthermore, these numbers may not be completely accurate—acts of child sexual abuse are often not reported, and experts agree that incidence is higher than what is discovered by authorities. These acts can be detrimental to youth, multiple studies have shown that child sexual abuse victims are twice as likely to develop mental health conditions. In my home state of Georgia, 800 children suffered from sexual abuse in 2015.

As a member of the Congressional Missing and Exploited Children's Caucus, I am in

strong support of giving law enforcement any and every legal tool they need to protect children and punish abusers. However, as someone who is passionate about criminal justice reform, I cannot support the current version of this bill.

Crimes against children are pathetic and disgusting, and those who hurt children must be prosecuted to the fullest extent of the law. While we want to protect these vulnerable individuals, it is also important to consider the legal ramifications of this bill. We are considering a bill that would impose a mandatory minimum sentence of life imprisonment in many cases. Repeat offenders should be prosecuted to the fullest extent of the law. However, I do not believe that mandatory minimum sentences are an effective solution. Congress does not know the facts of every case—but the judges will. That is why I do not support legally binding judges to give mandatory sentences—but instead giving the judges the freedom to consider each option available.

Again, I fully support the goal of this bill—punishing those who commit horrible crimes against children. However, if we are going to make such substantial changes to U.S. federal code, I believe that this bill requires more discussion. In its current form, I cannot support H.R. 1862.

I would encourage my colleagues to vote NAY on this resolution.

#### THE BALANCING TRADE ACT

---

#### HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 30, 2017

Ms. KAPTUR. Mr. Speaker, I rise today to introduce the “Balancing Trade Act,” an important bill that requires U.S. policy to take the trade deficit seriously.

This legislation provides actionable steps to re-balance our trade deficits with countries with which we have a deficit of \$10 billion or more for three consecutive years. Following the Trump administration’s recent Executive orders on U.S. trade policy, and recent letter to Congress to renegotiate NAFTA, this legislation offers actionable steps to the Administration.

Bad trade deals have contributed to a loss of nearly 4 million American jobs and a deficit of \$43.6 billion. President Trump promised a trade deal that would get Americans back to work and reduce our deficit. By prioritizing our worst trade deals, we are ensuring that some of these promises are met.

An old adage reminds us: there are two kinds of failures: “by those who think and don’t do, and the other by those who don’t think and do.” Our “free trade” deals have been a major failure of the second order.

Persistent, massive trade deficits are a drag on the U.S. economy and impair job creation. Now more than ever we need a trade policy that grows the economy and creates jobs in the United States.

#### RECOGNIZING DAVID FLAUM

#### HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 30, 2017

Mr. REED. Mr. Speaker, I rise today to congratulate David Flaum on receiving the prestigious Rochester Rotary Award.

Mr. Flaum currently serves as Chief Executive Officer and President of Flaum Management Company, which he founded in 1985. He has dedicated his career to managing and developing real estate, from retail centers to office buildings and industrial facilities. Mr. Flaum has been directly involved in the restoration of many commercial buildings in our region, which has created new jobs and contributed to the revitalization of our local economy.

In addition to his professional work, David and his wife, Ilene, have generously supported various charitable causes and organizations. Mr. and Mrs. Flaum established the Bob Witmer Campership Fund, which provides free summer camp experiences to underprivileged children, and the David and Ilene Flaum Eye Institute.

Mr. Flaum is the 80th recipient of the Rochester Rotary Award, which is the oldest civic award in our area. The award is given to outstanding individuals who exemplify the motto, “Service Above Self” and make significant business, professional, cultural, or civic contributions to our community. There is no question that David embodies these ideals. His vision, dedication, and generosity have made our region a better place to live and will continue to benefit local families and businesses for years to come. It is a privilege to call David my friend.

I ask my colleagues to join me in congratulating David Flaum on this well-deserved recognition and wishing him all the best in his future endeavors.

#### IN RECOGNITION OF MAE JEMISON FOR HER OUTSTANDING ACHIEVEMENTS AS AN ASTRONAUT AND SCIENTIST

---

#### HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 30, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize Mae Jemison, a physician, scientist and astronaut whose pioneering career has furthered our understanding of the world around us. Dr. Jemison has achieved excellence across a number of disciplines as a result of her hard work and perseverance.

After receiving a medical degree from Cornell Medical College and completing her medical training, Dr. Jemison served as a Peace Corps Medical Officer, treating Peace Corps volunteers in Liberia and Sierra Leone. She was then accepted into NASA’s astronaut program in 1987, providing launch support and assistance until her space mission aboard the Space Shuttle *Endeavor* in September 1992. During her mission, Dr. Jemison conducted scientific experiments on bone cell research and the effects of weightlessness on the human body, which contributed to advance-

ments in our understanding of life sciences. She then resigned in 1993 from NASA, and has since founded several companies, including BioSentient Corp. which develops treatments for chronic pain and stress disorders.

Dr. Jemison has had an extraordinary career and has affected countless lives through her work. In addition to breaking down barriers as the first black woman in space, Dr. Jemison has utilized her medical background and business acumen to develop novel medical treatments for a variety of illnesses. She has also excelled in academia, working as a professor at Dartmouth and Cornell, and is the founder of the Dorothy Jemison Foundation for Excellence, a nonprofit that promotes science education initiatives. Collectively, Dr. Jemison has had an indelible impact on a variety of disciplines through her work, and she continues to inspire new generations of scientists.

Mr. Speaker, I ask you to join me in honoring Dr. Mae Jemison for her outstanding career. Dr. Jemison’s work with NASA, in medicine and in business has impacted and inspired countless individuals.

#### REMARKS IN OPPOSITION TO H.R. 1842

---

#### HON. HENRY C. “HANK” JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 30, 2017

Mr. JOHNSON of Georgia. Mr. Speaker, today I rise in opposition to H.R. 1842, the Strengthening Children’s Safety Act of 2017.

Crimes against children are abhorrent, and those who commit them should be prosecuted to the fullest extent of the law. In 2015, in my home state of Georgia, 22,163 children were victims of abuse. Eight hundred of those children were subjected to sexual abuse. I recognize the merits of H.R. 1842. However, as a senior member of the Judiciary Committee, I cannot support a bill which brings sweeping changes to Federal code without a thorough review process. This bill creates mandatory minimum sentences, which will effectively remove discretion from the judges who should be making sentencing decisions—not Congress.

This bill has good intentions, and as a member of the Congressional Missing and Exploited Children’s Caucus, I am in favor of strengthening the laws that protect our nation’s children. However, this bill also enacts major changes in the criminal law, and I do not believe it is right for our committee to pass this bill without holding the appropriate hearings. I believe that the testimony of experts in the fields relevant to this bill would be of great
