HONORING THE LIFE OF ALMON WILLIAM MARTIN

HON. JAMES B. RENACCI

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, June 2, 2017

Mr. RENACCI. Mr. Speaker, I rise today to pay tribute to the life of Sergeant Almon William Martin, father of William Martin, Craig Martin, and Leslie Lederer and husband of Audrey June Martin. Sergeant Martin dedicated his life to serving his community and our Nation, serving in World War II as a tech sergeant in Europe and was interred at Arlington National Cemetery upon his passing in 2008.

Before serving in the United States Army, Sergeant Martin studied at Ohio Wesleyan University in Delaware, Ohio and completed his B.A. in Business Administration shortly after the conclusion of WWII. He then worked for the Gleasner Corporation/Ingersoll Rand in Buffalo, New York where he advanced to the position of vice president and divisional manager for the state of New York and Northern Pennsylvania. Sergeant Martin stayed with the company until his retirement in 1985. Throughout his retirement, Sergeant Martin also served as a mentor to upcoming businessmen through the Small Business Administration Volunteer program and used his business experience to help small businesses in the Fort Myers area start up, organize, and expand.

Sergeant Martin was an active member of his community, serving in organizations like Amigos, Central Park Men's Club, Chi Phi Fraternity, Lions Club, Kenmore Rotary Club, and the Buffalo Kiwanis Club. Martin also served in the Construction Industry Association and was the vice president of the University Club of Buffalo, New York. An engaged citizen, Martin was active in politics and encouraged his neighbors to engage in politics at the local level. He coached little league baseball and football and was an active member of the Kenmore United Methodist Church.

Mr. Speaker, it is my honor to recognize a life so fully lived. Almon Martin instilled the values of service, hard work, integrity, and service into his children, employees, and mentees, values that we should all strive to uphold in our daily lives. I ask my colleagues in the House to join me in paying tribute to a valued soldier and citizen, Sergeant Almon William Martin.

HONORING GONZALES CHIEF OF POLICE PAUL D. MILLER

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 2, 2017

Mr. PANETTA. Mr. Speaker, I rise today to recognize Gonzales Chief of Police Paul D. Miller on the occasion of his retirement after thirty-four years of distinguished service to the community of Gonzales.

Chief Miller has dedicated his entire career to the people of Gonzales, and our communities on the central coast of California. His career began in the Monterey County Sheriff's Explorer Program in 1978 where Chief Miller achieved the rank of Captain, the highest rank in that program. After completing the Explorer Program, Chief Miller joined the Gonzales Police Department (GPD), first as a reserve officer, and then a full-time officer in 1985. After being recognized as the Department Officer of the Year in 1987 and 1991, Chief Miller was promoted to the rank of Sergeant in 1992. He was recognized a third time as Officer of the Year in 1995, and as Department Supervisor of the Year in 2006 and 2007. In 2010, he was appointed as Chief of Police for the City of Gonzales, where he served with distinction for seven years.

A champion of proactive community policing, Chief Miller provided important leadership that helped the GPD make important strides in reducing gang violence and maintaining Gonzales as one of the safest cities on the Central Coast. Under the leadership of Chief Miller, the GPD weathered one of the toughest recessions in history, coordinated the construction of a new 10,000 square-foot police station, and took a leadership role in securing key grants for the police departments of South Monterey County. Chief Miller also guided the department as the lead South County police agency in securing several important grants that helped provide important tools to help break the cycle of gang violence that continues to plague our communities on the central coast. One of these key grants included \$500,000 in funding for the city of Gonzales through the California Gang Reduction Intervention and Prevention (CalGRIP) Program.

Mr. Speaker, as a former prosecutor who has worked closely with local police to prosecute violent criminal gang members, I know from experience that the work of taking and keeping these and other dangerous people off the streets of our communities is not easy. It requires dedication, perseverance, and the selfless willingness to put oneself in harm's way in service to others. Chief Paul Miller certainly embodies these qualities, and I wholeheartedly thank him for this service, and congratulate him on his well-deserved retirement. There is no doubt that his commitment to justice, security, and prosperity for his community will be missed.

IN RECOGNITION OF SAINT LAURENCE PARISH

HON. PATRICK MEEHAN

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 2, 2017

Mr. MEEHAN. Mr. Speaker, I rise today to congratulate the Saint Laurence Parish in Upper Darby, Pennsylvania as it celebrates its 100th anniversary on June 10, 2017.

In 1917, Reverend Maurice C. Cowl became the first pastor of the Saint Laurence Parish.

As Delaware County grew, the parish school opened its doors in 1919 and soon served many families.

The Saint Laurence School is still an award-winning institution in the community, committed to academic excellence. The parish school seeks to integrate Catholic values of service and respect. With the dedication and devotion of nearly ten pastors in the last hundred years, the Saint Laurence Parish is proud to serve nearly two thousand registered households in the Upper Darby and Havertown areas today.

Mr. Speaker, we are grateful for the work of the Saint Laurence Parish, its parishioners, and Reverend Sean F. O'Neill and I hope the church will continue to grow and thrive.

RETIREMENT OF PATRICIA BROUGHTON

HON. NANETTE DIAZ BARRAGÁN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 2, 2017

Ms. BARRAGÁN. Mr. Speaker, I rise today to recognize Patricia Broughton, a dedicated public servant who is retiring after serving five members of Congress in the Los Angeles Harbor Region. This week is Patricia's last week as my San Pedro caseworker. I like to call her a miracle worker.

Patricia is retiring after a 29 year long distinguished career advocating for the interests of constituents and our community. I extend my sincerest appreciation to her for her decades of dedicated service to the Los Angeles Harbor Region and our nation.

Patricia was born in Uniontown, Pennsylvania. She spent her formative years in Japan and returned to the United States in 1963. After her studies, she moved to Long Beach, California, and began her congressional career in 1989.

Over the years, Patricia has developed a reputation in the Los Angeles Harbor Region as a champion for constituents. My predecessors—including former Representatives Janice Hahn, Jane Harman, the late Steve Horn, and the late Glen Anderson—and I have received countless letters of appreciation from those whose lives were positively impacted by Patricia, and in 2011 the Wilmington Coordinating Council awarded her their "Outstanding Civil Servant" award.

As I mentioned, Patricia is a miracle-worker, and has handled virtually every type of case that is referred to a congressional office. She has solved complex Social Security and Medicare claims for seniors, helped disabled veterans who were not receiving their earned disability checks, and assisted those who had trouble with the Immigration and Naturalization Service and the Internal Revenue Service.

Patricia has been a voice for those in need and a source of comfort for those trapped in the bureaucratic maze that is the federal government. For example, Patricia successfully

helped a Vietnam veteran get compensation with the Department of Veterans Affairs for a \$200,000 claim.

Among her many other responsibilities and accomplishments include organizing workshops for Deferred Action for Childhood Arrivals beneficiaries, and resolving thousands of casework files.

Patricia is also devoted to the humane treatment of animals. She heroically rescued a dog that was hit by a car and abandoned in front of my predecessor's district office, taking the injured dog home and making it a part of her family.

Her coworkers and I have enjoyed working with her and will miss her warm heart and signature elegance. Her compassion, persistence, and dedication have left a lasting mark on thousands of residents in my district and the Los Angeles Harbor Region.

I am sure that I speak for the dozens of people who have worked with Patricia throughout her career in congratulating her upon her retirement and extending our heartfelt gratitude for her remarkable dedication to public service.

HON. BARBARA COMSTOCK

OF VIRGINIA

Friday, June 2, 2017

Mrs. COMSTOCK. Mr. Speaker, I am honored to use this time to recognize the 2nd Annual Barn Blast, a local fundraising event in Leesburg, Virginia, for the INMED Family & Youth Opportunity Center. The INMED Opportunity Center is a program aimed to liberate children from the irreparable damages of hunger, abuse, and insecurity. They strive to equip struggling children with the skills and vision they need to build a future filled with opportunity and hope, and I am grateful for their service to our youth, the next generation of leaders.

The INMED Partnerships for Children was founded with the goal of tackling the pressing needs of children in the developed and developing world. The Opportunity Center serves as a crucial part of this larger organization as it offers a plethora of programs to support families in need in Loudoun County. Some examples include after-school academic and enrichment programs, summer camps, family education and support, career skills training, homelessness support, and mentoring.

This second annual fundraiser is an event that has garnered a great deal of popularity and community involvement. Located at the Murray Hill Estate in Leesburg, the event features live music, barbecue, dancing, and live and silent auctions. It is entertaining, community events, like the 2nd Annual Barn Blast event, that have helped this organization thrive and build its essential presence in our community.

TOWN OF MILAN, MAY 28, 2017

HON. JOHN J. FASO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, June 2, 2017

Mr. FASO. Mr. Speaker, I include in the RECORD a speech I delivered in Milan on May 28, 2017.

Memorial Day. A day of remembrance to our fallen soldiers. A day when all Americans are reminded of those who gave their lives to defend our freedoms. This day is perhaps best honored by the phrase uttered by Abraham Lincoln at Gettysburg. They gave to the cause of liberty, he said, "their last full measure of devotion."

Memorial Day is significant in that it is an enduring reminder of those who gave their lives for our nation. We live in a time when only a small percentage of American fami-

lies have someone who is serving on either active duty or in the reserves. As such, it is all the more important that we gather together on this solemn day to honor their sacrifice.

So on this day, our obligation is not just to remember. It is also to teach our children and grandchildren that our liberty is more than just the words of the Declaration of Independence, and the Constitution and its Bill of Rights. Those documents are the foundation stones of our system of government and the truth that governments derive their powers from the people and not the other way around. And further that the inalienable rights we enjoy as a free people come from God and not from government.

But none of this would be possible without the sacrifice of those we remember today. Inscribed on statuary at the National Archives Building in Washington is the phrase "Eternal Vigilance is the Price of Liberty." We need to constantly remind ourselves that freedom is not free. Our liberties are guaranteed us by our Constitution and Bill of Rights; but they were also made possible by the determination of multiple generations of Americans who answered their nation's call and who defended our liberties to the last breath on the fields of battle.

We stand on the shoulders of the fallen today. We owe them our eternal gratitude; our respect; and that their collective sacrifice is forever etched onto our collective memories.

I recently read a quote attributed to the son of a U.S. soldier killed in Afghanistan. He said of his father: "his life was not taken: it was given to his country."

His life was not taken: it was given to his country. He gave his life to defend our nation, so that others of us can live in freedom and liberty. That truly sums up what we should always remember about those we honor on Memorial Day. May God Bless our fallen soldiers; may God Bless our Veterans; and may God Bless the United States of America.

HONORING NATHAN RILEY

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, June 2, 2017

Mr. GRAVES of Missouri. Mr. Speaker, I proudly pause to recognize Nathan Riley. Nathan is a very special young man who has exemplified the finest qualities of citizenship and leadership by taking an active part in the Boy Scouts of America, Troop 1376, and earning the most prestigious award of Eagle Scout.

Nathan has been very active with his troop, participating in many scout activities. Over the many years Nathan has been involved with scouting, he has not only earned numerous merit badges, but also the respect of his family, peers, and community. Most notably, Nathan has served his troop as the Senior Patrol Leader, become a Brotherhood member of the Order of the Arrow, and earned the rank of Warrior in the Tribe of Mic-O-Say. Nathan has also contributed to his community through his Eagle Scout project. Nathan led a team in constructing a 52-foot free span truss bridge, first by removing the old, deteriorated wooden bridge, then designing and constructing two concrete revetments, assembling 2,800 pounds of steel trusses, decking the bridge, and having it all laid into place by a 90-ton crane. The project earned Nathan the Eagle
