

immerse ourselves in local demographic developments, and to collaborate on local economic development issues. He was instrumental as chair of the local committee that oversaw the return of federal property to the City of Warren for economic development during a Base Closure and Realignment Commission (BRAC) process. He was proactive in talking about the economic opportunities that exist in the defense sector for Macomb County and Southeast Michigan, and in ensuring a vital role for MCC in training and re-training efforts in this sector. In recent years, he has spoken out eloquently about the role of new immigrants in the County and at the College. Each of these examples highlights how Dr. Jacobs combines a unique ability to look to the future, with an appreciation of the past and always a grounding in the realities of working families. We have benefitted tremendously from his expertise, but more importantly from his passion and commitment for all of these issues.

While he is retiring from Macomb Community College, he will continue the important work to which he has been committed for five decades. He will join the Ralph C. Wilson Jr. Foundation, which focuses its philanthropic efforts in Southeast Michigan and in Western New York, advising it on how it can best support programs which will help working class families receive skills training and education to better secure their futures.

The President of the Center for Automotive Research, Jay Baron, told the Detroit Free Press, "Jim can talk to presidents and he can talk to the guy in the tool and die shop." Jim Jacobs has always known that presidents are important, but his life's work has been to help that person in the tool and die shop achieve economic security for his or her family in an ever-changing economy. Mr. Speaker, I encourage my colleagues to join me in thanking Dr. James Jacobs for his immeasurable contributions to Macomb Community College and to the people of Macomb County, and in wishing him the very best as he retires from the important institution which he served for 50 years.

HONORING CLAUDE CARTER

HON. ANDY BARR

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Mr. BARR. Mr. Speaker, I rise to honor a very special person, Mr. Claude Carter, of Bath County, Kentucky. Mr. Carter, a veteran of World War II, is a member of the Greatest Generation.

Mr. Carter enlisted in the United States Navy at the age of 18. After completing basic training at the Great Lakes Naval Base in Illinois, he was then placed on a troop transport train to San Francisco. There, he received hatchman and winchman training. The sailors were trained to load and unload tons of supplies from the merchant ships as quickly as possible. Mr. Carter and 3,000 others then boarded the U.S.S. *Pondera* for Honolulu. There they were transferred to a naval supply depot where they were in charge of transporting supplies to ships outside the harbor. Mr. Carter and others were struck by the destruction left following the attack on Pearl Har-

bor, and were always mindful of the sacrifices made there on December 7th, 1941. During his time in Hawaii, the names of all those in his company were listed on the wall, and every other man was chosen to transfer to Iwo Jima or Okinawa. Mr. Carter was not chosen and stayed on the island to finish his service. He reached the rank of 3rd Class Boatswain's Mate Coxswain and was discharged in June of 1946.

Mr. Carter returned home where he attended Tennessee Tech, worked at the family hardware store, and built electricity and telephone line systems. He and his wife Lena have lived in Owingsville for 22 years where they enjoy retirement.

Mr. Carter and so many other men and women accepted the call of their country and volunteered to serve. Their sacrifice protected freedom and preserved it for future generations. Mr. Carter is truly an American patriot. I am honored to recognize Mr. Claude Carter before the United States House of Representatives.

COMMEMORATING THE FRIENDSHIP CENTERS OF EMMET COUNTY'S 50TH ANNIVERSARY

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Mr. BERGMAN. Mr. Speaker, it's my honor to recognize the Friendship Centers of Emmet County as they celebrate 50 years of meaningful work in Michigan's First Congressional District. Families throughout Michigan understand how important it is to have quality and compassionate care for seniors, and we are grateful for the Friendship Centers of Emmet County's half-century of community service.

The Friendship Centers of Emmet County date back to 1960 when a small group of friends in the basement of a Petoskey church decided to gather for social activities on a regular basis. Eight years later, the group of friends, which had grown significantly and formed a "Steering Committee for a Drop-in Center," successfully petitioned the city for the use of space in the old Petoskey City Hall building. In 1988, the Friendship Center of Petoskey was officially reincorporated as the Friendship Centers of Emmet County (FCEC) with three satellite locations in Alanson, Harbor Springs and Pellston, aimed at serving the educational, social, and physical needs of senior citizens. The Friendship Center of Petoskey remained at the old city hall for the next thirty years until it moved to its current location on Anderson Road in December of 1999.

In addition to offering a fun and social space for senior citizens to gather, the Friendship Centers of Emmet County have consistently proven to be leaders in the community through targeted initiatives that enhance the wellbeing of elderly citizens. Programs like "Sit and Be Fit" and Tai Chi classes help members stay healthy, engage seniors in activities that enhance their standard of living, and prepare them for an active lifestyle in their later years. The FCEC also hosts several special guest speakers who provide lectures to seniors on topics ranging from health and volunteerism to the arts and environmental issues. This program is one of several that exemplify the FCEC's tremendous efforts to foster continued academic growth within the community, and promote lifelong scholarship in a robust social setting.

Mr. Speaker, I want to congratulate the Friendship Centers of Emmet County for 50 years of service in the Emmet County communities. Northern Michigan residents can take great pride in knowing that Emmet County is a better place thanks to the work and dedication of the Friendship Centers. On behalf of my constituents across Michigan's First District, I thank the Friendship Centers of Emmet County for their work and look forward to their continued success.

Furthermore, the Boys and Girls Club of Camarillo has a youth employment program that connects its teens with job opportunities in the community. Every child deserves a great future, and the Boys and Girls Club of Camarillo has succeeded in creating a positive, fun, and safe environment for our community's youth to reach their fullest potential. For these reasons, it is my sincere pleasure to honor the Boys and Girls Club for its exceptional 50 years of service to our community's youth and developing our future leaders.

Ms. STEFANIK. Mr. Speaker, I rise today to honor a remarkable man who has shown a strong dedication to educating the students of New York's 21st District.

Growing up in the historic foothills of the Adirondack Mountains, Matthew Rozell's surroundings inspired in him a deep interest in the past. IN RECOGNITION OF STUART VOGT

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize and congratulate Mr. Stuart Vogt of Vienna, Virginia. Born in 1920, Mr. Vogt lived through some of the most uncertain times in American history during which he not only endured, but flourished. And throughout his illustrious career he has always put his country and community first.

Mr. Vogt graduated from Lehigh University in 1942 with a B.S. in Electrical Engineering. With the war effort furiously ramping up, there was a demand for young, aspiring engineers. He was recruited by Westinghouse in Lima, Ohio, near Army Air Force headquarters at Wright-Patterson AFB, to join Westinghouse's brand new Aviation Engineering Department. While there he designed dynamos and generators for World War II P40 fighters and B17 & B24 bombers. After the war, Mr. Vogt moved to Virginia to work with Naval Air Systems Command on aircraft electric motors. However, after only a few years there he was given a unique opportunity to work on NASA's Launch Operations' Saturn rockets. During his time at NASA, he worked in conjunction with Werner Von Braun and other scientists in Huntsville and Cape Canaveral. Before retiring thirty years ago, Mr. Vogt returned to Naval Air Systems Command where he installed aircraft carrier computer upgrades to accommodate new carrier-based F14 Tomcat fighters, S-3 Viking submarine trackers and E-2C Hawkeye early warning radar aircraft.

In retirement Mr. Vogt shifted from serving his country to serving his community. He was the Chairman of his local chapter of the National Active and Retired Federal Employees, and today he remains a very active member of Our Lady of Good Counsel Catholic Church in Vienna. Mr. Vogt has a selfless desire to serve and to give back to his community, and this attitude inspires the same in all who meet him. He is a leader and I know he passes on the same selfless qualities to all he meets.

Beyond his duties within his community and long career in the defense and aerospace industries, Mr. Vogt was a loving husband to his
