NORTHEAST DISTRICT ELKS LODGES

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Monday, June 12, 2017

Mr. GALLAGHER. Mr. Speaker, I rise today in honor of the Northeast District Elks Lodges in Wisconsin's 8th Congressional district for their strong support of patriotism in their communities. In 1907, the Grand Lodge of the Benevolent and Protective Order of Elks designated Flag Day as June 14th. The Elks have paired their traditions and culture with that of our Country and made the American Flag a symbol of self-dedication to God, to Country, and to Fellowmen.

I would like to call attention to their dedication and passion to this nation and the flag that represents it. This year, members of Green Bay Elks Lodge 259 will be celebrating Flag Day for the 108th consecutive year. Members of Appleton Elks Lodge 337 are celebrating their chapter founding the oldest Flag Day parade since 1950.

Citizens from Oconto, Kaukauna, and Marinette are also given the chance to celebrate this important day. Oconto Elks Lodge 887, Kaukauna Elks Lodge 962, and Marinette Elks Lodge 1313 give Americans this opportunity.

Flag Day is a day honoring the symbolism the flag provides to all American citizens. It is my honor to report this type of patriotism displayed by constituents in northeastern Wisconsin.

IN RECOGNITION OF THE SIERRA CLUB OF MICHIGAN FOR 50 YEARS OF SAFEGUARDING THE ENVIRONMENT

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Monday, June 12, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize the Sierra Club of Michigan on the organization's 50th Anniversary. The Sierra Club has played a pivotal role in helping protect Michigan's environmental heritage.

Originally founded in 1967 as an all-volunteer organization, the Sierra Club of Michigan is today comprised of 10 different branches that further its mission of grassroots activism in defense of the state's environment. Through its advocacy and efforts, the Sierra Club has secured important protections and environmental safeguards that protect some of Michigan's most well-known landmarks and natural spaces, including the Pictured Rocks and the Sleeping Bear Dunes. Additionally, the organization has been instrumental in spurring Congress to ban drilling for oil under the Great Lakes and promoting environmentally sound resource management of the state's forests and fisheries. The Sierra Club has also played a key role in passing legislation to mandate the use of renewable energy and establish strong energy efficiency standards for the State of Michigan. These policy solutions have had a positive impact on the public health of Michigan's residents and the environment.

Careful stewardship of the environment is critical to the future of Michigan, and the Sierra Club of Michigan's efforts over the past 50 years have helped institute safeguards that protect health and safety for future generations. As the home of the Great Lakes and a wide variety of wildlife, Michigan's environmental legacy is fundamental to its economy and the well-being of its citizens, and it is critical that we continue to protect this important part of our state's identity. Sierra Club of Michigan's actions have been key to raising awareness and driving action to prevent harm to public health and the state's nature resources, and it is my hope that the organization continues its great work in the coming years.

Mr. Speaker, I ask my colleagues to join me in honoring the Sierra Club of Michigan on the 50th Anniversary of its founding. The group and its members have helped safeguard Michigan's environment and wildlife for future generations.

IN RECOGNITION OF TEAM MATHIAS

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 12, 2017

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize my constituents, Roya and Chris Giordano, and Team Mathias, an extraordinary non-profit organization located in Loudoun County, Virginia, for their work to increase awareness about pediatric cancer and also to support families whose loved ones are struggling with the disease. Team Mathias is

named after Mathias Giordano, whose determination to make a difference in the lives of other pediatric cancer patients resulted in the establishment of the organization, even as he struggled with bone cancer himself. Thirteen year old Mathias Giordano was a radiant light in this world whose optimism and valor gave assurance to young patients and their families that they are not alone in fighting the tragic disease of pediatric cancer that yearly afflicts over 10,000 children and remains the leading cause of death from disease among children in our nation.

Team Mathias, led by Roya and Chris Giordano and in collaboration with enthusiastic and diligent volunteers, annually hosts the Team Mathias Golf Tournament, and the Annual Team Mathias 5k Trail and Family Run that is taking place this year at the Evergreen Sportsplex in Leesburg. The proceeds from these events are used to increase awareness of all childhood cancers, raise funds for research, and make a donation to Special Love, a local non-profit that provides cancer families a community of support, made up of patients and families. In fulfillment of his own wishes, Team Mathias sends wonderful care packages to pediatric patients and their siblings, just as Mathias had specified.

Since my time in the Virginia General Assembly, advocating for those with pediatric cancer and working to find cures have been priorities of mine, and I take great pride in the number of family and community based organizations in Virginia's 10th District, like Team Mathias, that go above and beyond to spread awareness for those suffering from these illnesses. Mr. Speaker, I ask my colleagues to join me in recognizing and thanking Roya and Chris Giordano and their team of volunteers, for the incredibly compassionate work of supporting families with loved ones who are fighting pediatric cancer. I also ask my colleagues that we remember Mathias, who faced his battle with cancer with fearless courage, grace, and dignity.
