

HONORING RUDY CASTRO

HON. RAÚL M. GRIJALVA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 13, 2017

Mr. GRIJALVA. Mr. Speaker, I would like to take a moment to honor the life of Rudy Castro—a Marine Corps veteran, devoted educator, civic leader, and lifelong baseball player and coach.

Rudy was born and raised in Barrio Anita in Tucson, attended Davis Elementary, Roskrue Jr. High and graduated from Tucson High School in 1949. Since his first days playing with friends in Oury Park, Rudy's talent for baseball was clear; even at a young age, Rudy could be found playing with kids five years older than him just to find a challenge, and was so talented that he started playing with the Tucson High School varsity baseball team in 7th grade.

Rudy's remarkable athletic abilities were not just restricted to baseball—in high school, Rudy played football, baseball, and basketball, leading his teams to several championships all while serving on his school's student council and maintaining a high GPA. This earned him the attention of the baseball coach of Palo Verde Junior College who promptly offered him a baseball scholarship.

Rudy initially turned down the offer so that he could find a job and help support his family. Fortunately, when his mother heard about the scholarship, she immediately packed Rudy's bags for him. After just two years of junior college, Rudy joined the Marine Corps during the Korean War and served in the infamous "E Company" for the next four years.

In 1951, Rudy and 100 other young servicemen tried out for the Camp Pendleton Baseball team, and Rudy was one of just 20 to make the cut. After touring with his team across the country and winning All-Marine honors as an outstanding shortstop, Rudy went back to school to play baseball at the University of Arizona on another full-ride scholarship. After graduating, Rudy began his career as a teacher, teaching at Safford Junior High, Roskrue K-8, and finally became the baseball coach at Cholla High School.

After returning to school for a dual master's degree, Rudy was named Director of the Extended Day School at Tucson High School, where he spent a decade encouraging students to keep working toward obtaining their diplomas. He was a devoted coach and teacher even outside of school, spending his summers and free time coaching baseball and volunteering as a referee and umpire for high school games. In addition, he is remembered by his former players and students as a person who was always willing to listen to their problems and offer them advice as they became older.

A prominent member of the Tucson political community as well, Rudy served as a Tucson City Councilman for nine years, as well as serving on the Selective Service Board, Pima County Grievance Committee, and as the first chairman of the Pima County Sports Authority. In retirement, Rudy played baseball well into his 70's, earning him membership in the Senior League Baseball Hall of Fame and the Southern Pima County Sports Hall of Fame. As a political leader, education advocate, friend, and father, Rudy made a huge impact

on many lives and on the Tucson community at large—his passion for life and love for the people around him will never be forgotten.

He is survived by his wife, Carol; daughter, Linda (Tom) Spencer and son Rudy; daughters, Julie and Celina; sister, Alice Rice; brother, Rick (Helen) Acedo and half-brother, Albert; grandchildren, KC McCall, and Holly and Thomas Bolen as well as many other loving relatives. Rudy Castro's life is part of the unique and special character of Tucson, just as Rudy was a unique and special character himself.

HONORING DR. ANTOINETTE IADAROLA ON THE OCCASION OF HER RETIREMENT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 13, 2017

Ms. DeLAURO. Mr. Speaker, it is with my sincere thanks and heartfelt congratulations that I rise today to join staff, faculty, students, board members, and alumnae in paying tribute to Dr. Antoinette "Toni" Iadarola, President of Luralton Hall, as she marks her retirement from an auspicious career in education and administration. Toni's leadership and vision over the course of her tenure as President has ensured that Luralton Hall will continue to meet its mission of empowering young women for life.

Toni earned her bachelor's degree in history and political science at St. Joseph College, her master's and doctoral degrees in European diplomatic history from Georgetown University, and post-doctoral grants for studies at Yale and Fordham Universities. A former Fulbright scholar associated with Oxford University, Toni held an impressive list of academic and administrative posts before coming to Luralton Hall; Chair of the History Department and Coordinator of Women Studies at Saint Joseph College in Connecticut, Dean of Faculty at the College of Mt. St. Joseph in Ohio, and Provost at Colby-Sawyer in New Hampshire, and 16 years as President and Professor of History of Cabrini College.

Toni's background extends far beyond academia. Her passion for community service led to her participation as a volunteer consultant on several projects funded by the State Department: working with women NGOs in Belarus, discussing privatization issues in higher education in Russia, Kazakhstan and Kyrgyzstan. She was also invited to the United Nations to serve on the Commission for Disarmament Education, Conflict Resolution and Peace, an NGO established by the International Association of University Presidents, presenting on behalf of the Commission in South Africa, Australia, and Thailand. Toni has

also done volunteer work in orphanages in Swaziland and Guyana.

It was this awe-inspiring world of experiences that she brought with her as she took the helm at Luralton Hall in 2009 and that she has shared with faculty, staff, and students. Over the course of her eight-year tenure as President, she has focused her attention on modernizing the campus, which has not only met the needs of today's educators and students, but has made Luralton Hall more competitive as a whole. The creation of an Internet Cafe, a Center for Guidance and College Planning, the addition of an athletic practice field, classroom renovations to accommodate today's technologies, and the conversion of the carriage barn for the music program are just some of the projects that have been started or completed under her guiding hand. Toni has given Luralton Hall a solid foundation on which to continue its success in preparing young women for their future success.

I would be remiss if I did not extend a special note of thanks to Toni for her friendship over the years. Luralton Hall holds a special place in my heart—some of my fondest memories are of my time there. It has been an honor and privilege to work with Toni to build on the school's 108-year history and the incredible impact it has had on the young women who have matriculated there.

As an alumnus of Luralton Hall and as a friend, I am honored to stand today to express my deepest gratitude to Dr. Antoinette Iadarola for her outstanding contributions as President of Luralton Hall. She leaves a legacy that will continue to inspire staff, faculty, students, and alumnae alike. I wish her all the best for many more years of health and happiness as she enjoys her retirement.

HONORING JACK HEALY

HON. JAMES P. McGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 13, 2017

Mr. McGOVERN. Mr. Speaker, I rise today to honor the life of Jack Healy, former President and CEO of the Massachusetts Manufacturing Extension Partnership, who passed away in late April. The City of Worcester was shaped by its manufacturing heritage, and thanks to Jack, manufacturing remains a part of Worcester's future. I had the pleasure of working with Jack for many years and was proud to call him a partner in revitalizing our manufacturing base and creating good paying jobs across Massachusetts.

In 1999, after a long and successful career at Presmet Corp., LEGO Systems, Squibb-Beech-Nut Inc. and the Wellesley Group, Jack founded MassMEP to help manufacturers adapt to the evolving economic climate. Under Jack's guidance, many in-state manufacturers successfully pivoted to advanced manufacturing and management practices that helped them not only survive, but also grow.

Jack and MassMEP, through initiatives like the award-winning Mobile Outreach Skills Training (M.O.S.T.) Program, helped companies to compete with foreign advanced manufacturers by closing the skills gap, proving training and creating employment opportunities for people with little to no manufacturing experience. Thanks to the tireless work and dedication of Jack and the others at the Partnership, MassMEP has helped to create thousands of new jobs and has been recognized as a leader in manufacturing competitiveness. It's no wonder why Jack is known as the "voice of manufacturing" in Massachusetts.

Beyond his work with MassMEP, the City of Worcester is indebted to Jack for the key role he played in the "Manufacturing Our Future" effort in Central Massachusetts. These annual summits fostered partnerships between industry, academia, and government that have significantly advanced local manufacturing competitiveness. Notably, this partnership is responsible for developing Worcester's Gateway Park, formerly an underused, 11-acre industrial area, into a beautiful bioengineering research complex that is attracting significant private investment and generating hundreds of new jobs.

Jack had a razor sharp Irish wit matched with a New York City toughness that barely covered a heart of gold. His epic battles over federal funding for MassMEP are legendary, and showed what a tenacious and relentless advocate Jack was for the organization he led. He was among the most loyal and thoughtful business leaders I encountered, and he counseled and helped countless small manufacturers transition into the new reality of lean, precision manufacturing. He never lost sight of the worker on the shop floor who needed retraining and new job skills to survive and thrive in the age of automation.

Jack was a wonderful husband, father, grandfather, and great grandfather. He will be dearly missed by his beloved wife of over 60 years, Hilda, his children John, Robert, Mary, and Joseph, his son-in-law Dr. Mark Watkins, his daughters-in-law Grace, Paula, and Amy, and all of his grandchildren and great grandchildren.

Jack was an incredible partner in revitalizing the Massachusetts manufacturing base, and I'm proud to have called him a friend.

I ask my colleagues to join me in honoring the life of Jack Healy.

Mr. WILSON of South Carolina. Mr. Speaker, on June 7, 2017, a thoughtful memorial service was conducted by Dr. Carl J. Broggi at Arlington National Cemetery for American Hero Larry Sulc.

The following obituary, published in The Washington Post on February 12, 2017, clearly identifies his devotion to promoting freedom:
