INTRODUCTION OF THE ENSURING SUCCESSFUL REENTRY ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 21, 2017

Ms. NORTON. Mr. Speaker, today, I introduce the Ensuring Successful Reentry Act, a bill to eliminate so-called “subsistence fees.” Federal law currently requires the Federal Bureau of Prisons (BOP) to impose a subsistence fee on the income of returning citizens living in residential reentry centers (RRCs), supposedly to promote financial responsibility by requiring RRC residents to pay a portion of their housing costs. The fee is currently 25 percent. However, many returning citizens living in these centers often work minimum wage jobs, so the loss of 25 percent of their paychecks is a significant hurdle to successful reentry, and it makes it extremely difficult for them to save money for rent, pay child support, or fines and fees associated with their conviction (such as restitution). Only last year, BOP eliminated the subsistence fee for returning citizens on home confinement, who cost BOP nothing for maintenance. Far from promoting financial responsibility, subsistence fees actually prevent returning citizens from meeting their financial obligations.

The Department of Justice (DOJ) has already recognized how “counterproductive” subsistence fees are, both for returning citizens and BOP. In a November 2016 memo, then-Deputy Attorney General Sally Q. Yates noted that BOP’s “process for collecting these subsistence fees is costly and administratively burdensome for both RRC’s and [BOP],” and called for DOJ to “develop a plan to limit the

use of counterproductive ‘subsistence’ fees imposed on indigent residents.” BOP can already waive subsistence fees in certain situations for residents of RRCs, but only a change in federal law can remove this unnecessary barrier to reentry.

We should not be imposing additional burdens on returning citizens, setting them up to fail, especially those who are employed and working toward independence from the criminal justice system. Jobs and affordable housing are crucial components in ensuring successful reentry—charging subsistence fees is antithetical to this goal. I urge my colleagues to support this bill.

MODIFICATIONS OF CREDIT FOR PRODUCTION FROM ADVANCED NUCLEAR POWER FACILITIES

SPEECH OF

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 20, 2017

Mr. MARCHANT. Mr. Speaker, as an original cosponsor of H.R. 1551, I would like to thank Mr. RICE and Mr. BLUMENAUER for authoring this bill that modifies the credit for energy production from advanced nuclear facilities. I would also like to thank Chairman KEVIN BRADY for guiding this legislation favorably through the Committee on Ways and Means, and House leadership for helping to bring it to the floor today.

My congressional district in North Texas is home to many people that are currently employed and actively engaged in the planning, approval, and construction of advanced nuclear facilities. One such constituent company, Fluor Corporation, is headquartered in Irving, Texas. This US-based engineering and construction company employs 15,000 employees working on energy and power, infrastructure, mining, and industrial projects in Texas alone. Currently, Fluor supervises the construction of the four reactors at two sites employing almost 6,000 people.

Employees at this and other companies nationwide work to advance the construction of these nuclear facilities. Finishing these projects is crucial for the employees, engineers, and the industrial base that we need to retain in the United States.

I believe, and I am sure my colleagues agree, that the impacts of these projects are important for both our civilian and military markets. In addition, the changes presented in H.R. 1551 will potentially benefit many companies involved in design, fabrication, and construction of additional nuclear units.

Mr. Speaker, I strongly support this legislation and urge my colleagues to do so as well.

HONORING THE WAUKEGAN TO COLLEGE (W2C) PROGRAM

HON. BRADLEY SCOTT SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 21, 2017

Mr. SCHNEIDER. Mr. Speaker, I rise today to honor Rafael Aguilera, Guadalupe Bueno, Ezau Calderon, Elisa Flores, Juan Carlos Flores, Elijah Glaze, Jared Herrera-Sanchez, Estrella Limon, Anjelica Linares, Ivan Martinez, Veronica Martinez, Sebastian Salgado-Gonzalez, Tamara Sanchez, and Emily Sostre for their admittance into the Waukegan to College (W2C) program.

A year-round college readiness service, W2C launched in 2009 and seeks to advance local students’ intellectual and emotional development, cultivating a strong commitment to community and a profound belief that they can build a brighter future for themselves, their families and their communities. By establishing high academic expectations and counseling students and their families on the college application process, W2C helps students realize their full potential by making the dream of college a reality.

All of these students will be the first in their families to attend college, and were selected for the W2C program due to both their impressive academic achievements as well as their contributions to their communities. As leaders inside and outside the classroom, these students show tremendous dedication and potential.

Strengthening our communities requires rebuilding the ladders of opportunity so that all Americans have the opportunity to succeed and thrive. This begins with providing each and every child, regardless of zip code, access to a high quality, affordable education, continues by ensuring all families can afford to send their sons and daughters to college.

When our nation’s talented young people pursue their passions and follow their dreams, they accomplish far more than personal growth. They serve as role models in their communities and their achievements inspire and motivate other young people to equally strive and achieve.

These students truly are Champions of Change. I wish them the very best of luck in their higher education and in all their future endeavors.

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 21, 2017

Mr. SHUSTER. Mr. Speaker, I rise today to celebrate the achievements of the Central High School Varsity Baseball team of Martinsburg, Pennsylvania. The countless hours of commitment required by the players and coaches was rewarded by their PIAA, 3A State Championship win on Thursday, June 15th. The Scarlet Dragons defeated Holy Redeemer High School with a final score of 8-3 in the team's first-ever state championship. The Dragons finished the season with a record of 24-3.

The team represented Pennsylvania's Blair County at Penn State's Medlar Field at

Lubrano Park. The town of Martinsburg, PA is small but mighty, much like that of the 40 player team led by their head coach AJ Hoenstine. Coach Hoenstine has led the Dragons as a head coach for 10 years, and is a Central High School Baseball alum himself.

The 2017 varsity team was home to 11 seniors with a solidly backed line up of underclassmen. The game's star pitcher was a junior named Preston Karstetter. Karstetter took over for the team's ace Jarret Imler after the Dragons made it to the final game of the playoffs. The rest of the starting line-up from the Championship Game included Alex Hoenstine, Chase Smith, Josh McKnight, Michael Speck, Noah Muthler, Hunter Liebal, Larry Corle, Jacob Muthler, Brady Nicewonger, and Brice Brumbaugh.

Mr. Speaker, I am privileged to congratulate the players and coaches of the Central High School's Varsity Baseball team on their championship win. The type of dedication and hard work required to achieve this level of victory will surely follow these young men throughout the rest of their lives.

He was 18 years old when he trained for the U.S. Army Infantry. Mr. Cummings excelled during his military service as a Squad Leader. He achieved the rank of Staff Sergeant (SSG).

He spent a total of nine months in hospitals in Europe and the U.S. After his recovery, Mr. Cummings continued to serve our nation guarding Prisoner of War (POW) camps from Mississippi to California. EXPO 2017

HON. DANA ROHRABACHER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 21, 2017

Mr. ROHRABACHER. Mr. Speaker, over the 25 years of Kazakhstan's independence, that country has become a valued member of the international community. Its commitment to building a relationship with the United States has resulted in stronger ties and a strategic partnership rooted in shared interests.

After the Soviet Union dissolved, Kazakhstan inherited the fourth largest nuclear stockpile in the world. Through President Nursultan Nazarbayev's leadership, this nuclear arsenal was decommissioned and the steadfastness of their government in this matter has become a key part of our bilateral relations.

Today, I would like to call my colleagues' attention to the international Expo 2017 which recently opened in the capital city of Astana. This unique event is focused on addressing the challenging issues of our time, especially the need for improved energy solutions. Expo 2017 is expected to draw nearly five million visitors over just a few months.

I congratulate the leaders and the people of Kazakhstan on the opening of Expo 2017 and wish them success as public audiences visit the exposition and the nation of Kazakhstan.
