OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mrs. DINGELL. Mr. Speaker, I rise today to recognize the writers and staff at the Trenton Trib for their work providing state and local news to the Downriver community. The newspaper provides important coverage of events and editorial perspectives to Trenton and residents in nearby areas.

Founded in 2010, the Trenton Trib is a monthly newspaper that covers current events and distributes information about the City of Trenton and the surrounding areas. The newspaper has grown and developed a loyal following since its establishment, and today boasts a monthly circulation of approximately 10,000 to residents and businesses throughout Trenton. The Trib covers local issues, including achievements by residents and events like the annual Trenton Summer Festival. The paper's columnists, Kathy Kane and Joe Hoshaw, also contribute original content and perspectives to provide context to issues facing the city. Additionally, the Trib issues an annual "Goodfellows" newspaper whose proceeds provide gifts and food to those in need during the holidays. Collectively, these efforts have helped inform the public while serving the community at large.

The Trenton Trib has filled a crucial need in Downriver by providing regular community-oriented news to area residents and businesses. The monthly publication both informs residents by providing unique local coverage and per-

spectives from Trenton residents and helps address issues in the community through its philanthropic initiatives. The growth and development of the Trenton Trib has enabled it to provide better coverage of area events while increasing circulation to better serve the city. The success of the publication is a credit to the hard work of the Trib's staff and underscores the continuing demand for high-quality local news, and it is my hope that the newspaper continues to effectively serve the area's residents in the coming years.

Mr. Speaker, I ask my colleagues to join me in honoring the Trenton Trib. The Trib's staff have served the community well through their coverage of local news and events.

STRENGTHENING CAREER AND TECHNICAL EDUCATION FOR THE 21ST CENTURY ACT

SPEECH OF

HON. MIKE JOHNSON

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 22, 2017

Mr. JOHNSON of Louisiana. Mr. Speaker, I rise today to express my deep concerns with H.R. 2353, the Strengthening Career and Technical Education for 21st Century Act, also referred to as the CTE Reauthorization Act. This bill reauthorizes the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins Act) to help more Americans enter the workforce with the skills necessary to compete for and succeed in high-skilled, in-demand careers. The bill also makes several other changes and funding modifications to the current program.

Louisiana highly values vocational and technical education and includes these skills in all public schools. These contributions are vital to Louisiana's Fourth Congressional District. With more than 25 schools in our district focused on careers in technical education, I am proud to represent many hardworking Louisianians who are skilled in hands-on labor. For these reasons, I cannot in good conscience support this bill knowing it could result in Louisiana losing critical funding over the next several years.

As well-intended as this legislation may be, it will not benefit all states equally. A study conducted by the Congressional Research Service examined the bill's modified formula for allocating grants under the Perkins Basic State Grants Program, and found that Louisiana will lose money in nearly every scenario it calculated. In fact, according to this analysis, Louisiana would face some of the most significant decreases among all states in each scenario examined. Decreasing our state's funding level for technical career education would be a great detriment to our efforts and exactly the opposite of what H.R. 2353 is intended to do.

Mr. Speaker, it is with great concern that I oppose the current CTE Reauthorization Act. I believe we can do better by the constituents in Louisiana's highly-skilled workforce. Moving forward, I will do everything in my power to work for our students and teachers of the technical education field to ensure they are not left behind and are provided the resources they need to keep our communities strong and our economy growing.

HONORING THE LATE MR. L.
PIERCE CARSON

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the late L. Pierce Carson. He passed away on May 20, 2017 at the age of 76. He was an impressive journalist who had a remarkable career at the Napa Valley Register. He possessed a cheerful and energetic personality in the Napa community and was a champion for local food, wine and art.

Pierce was born in Trenton, New Jersey in 1940 and attended Temple University in Philadelphia, Pennsylvania before serving our country in Vietnam from 1965 to 1966. After returning home, he began his career with the Napa Valley Register, a position he held for nearly fifty years before his passing last month. He will be remembered as a mentor of young journalists and for his sponsorship of the Tri-High Gazette, a student run section of the Register. Mr. Carson wrote about and loved Napa. In recent years, he found a second home in Prague where he enjoyed living part of each year.

In his nearly fifty years of work as a journalist, Mr. Carson showed himself to be a friend and champion of Napa Valley food, wine and art. For many years, he served on the board of the Napa Valley Symphony and made it his priority to review their performances. Pierce could always be counted on to lend his writing talents to good causes. Over a twenty-five year period he volunteered for the Napa Valley Academy Awards party to raise funds and awareness for AIDS and HIV prevention and treatment.

Mr. Speaker, Pierce Carson was generous, kind and an excellent writer. He brought our Napa Valley community together. His newspaper stories taught us the value of friendship, culture, generosity and good wine. Therefore, it is fitting and proper that we honor his life and legacy here today.

IN RECOGNITION OF THE DEDICATION AND SERVICE OF ERNIE ANASTOS

HON. SUSAN A. DAVIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mrs. DAVIS of California. Mr. Speaker, I rise to honor a widely respected public servant who is set to retire on June 30th. Through his inspirational leadership he has touched the lives of thousands of students in San Diego County.

It is fitting that at this time, as we celebrate the graduation of thousands of students across the nation, that I should rise to speak of Superintendent Ernest (Ernie) Anastos.

Ernie is a graduate of Brandeis University, and holds a master's degree in Special Education from Bridgewater State College. He has been a dedicated educator for over 45 years.

Ernie's life of public service began in 1972, as an elementary school teacher. His years of experience lent to a successful transition into school administration.

He served Sweetwater Union High School District for 20 years, working at Chula Vista High School, Hill Top High School, and Mar Vista High School. Ernie was named principal to National City Middle School in 1992, and to Rancho del Rey Middle School in 1997. Under his direction, both schools achieved the title of California Distinguished Schools.

His time at Sweetwater Union High School District also included a term as the Area Superintendent in charge of Instructional Support Services and Student Support Services from 2002 to 2005.

Ernie was named the Superintendent of Lemon Grove School District in 2005. On April 28th, 2017, the Association of California School Administrators named Ernie as Superintendent of the Year in the San Diego and Imperial Counties.

Under his leadership, Lemon Grove School District has created a number of highly successful, specialized schools including the Dual Immersion Academy at Mount Vernon Elementary, the San Miguel Arts Academy, and the Lemon Grove Academy of Sciences and Humanities. Ernie has been a stalwart in the push for quality public education.

The Lemon Grove Academy campus is an example of the success that arose as a result of Ernie's inventiveness. Ernie sought to create schools that could serve as community centers. Through a partnership with UC San Diego, and the Lemon Grove Library, a joint-use facility was created which featured medical and dental clinics to serve students and their families.

As I reflect on Ernie's career, I am inspired by his dedication to promoting student achievement. I am truly encouraged by his commitment to bettering the lives of those around him.

Ernie's dedication to students, commitment to excellence, and ingenuity truly made him a remarkable leader. Under his guidance, Lemon Grove School District has emerged as a mecca for innovative education. I wish him congratulations on his upcoming retirement.

HONORING ARMY SPECIALIST
HOWARD HERMAN HARGROVE

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor the memory of a remarkable person, U.S. Army Specialist 7 Retired Howard Herman Hargrove.

A native of Manson County, North Carolina, Spec 7 Hargrove moved to Mississippi in December 2005 to be near his only daughter, Gail Hargrove Marshall Brown. The late Spec 7 Retired Hargrove was a dedicated resident of the Second Congressional District in Clinton, Mississippi for five years.

Spec 7 Hargrove took great pride in exercising his right to vote and in serving his country. He served in the United States Army from January 14, 1948 to March 31, 1972 on several tours of duty. His military service included the Korean Conflict, from 1950 to 1951 with the 25th Infantry Division, U.S. Army Field Artillery Battalion and the Vietnam War where he served two tours in Vietnam and was proud to be honorably discharged without "a scratch or a wound".

Spec 7 Hargrove was among the thousands of Korean War Veterans who gathered in Washington, D.C. at the Pentagon on June 30, 2000. The ceremony was held at the Korean War Memorial on the National Mall to commemorate the 50th Anniversary of that war. The veterans were honored by President Bill Clinton who told them that this nation will never forget their bravery, service and sacrifice.

During his time as a Clinton, Mississippi resident, Spec 7 Hargrove actively attended Holy Temple Missionary Baptist Church in Jackson, Mississippi, pastored by the first female pastor of a Missionary Baptist Church in Jackson, Mississippi, Rev. Dr. Audrey Lynne Hall, who affectionately referred to him as "Papa Hargrove." During one of the church's Men's Day programs on Father's Day, Hargrove was recognized by the Pastor and the Church as its "Oldest Father".

As a member of Holy Temple, he contributed generously to the church financially. During a time when the small, but growing church's Kitchen Ministry was in need of a new stove, Spec 7 Hargrove found it in his heart to purchase a commercial stove for the church which is still being used by the Kitchen Ministry today. He also contributed financially to a Metro-Jackson Karate program at one of the local YMCA.

A quiet, friendly man, who believed heavily in the love and unity of family, Spec 7 Hargrove succumbed to complications due to Alzheimer's on June 27, 2010 at 2:30 a.m. in the VA Medical Center (Hospice Unit) in Jackson, MS. He had battled the horrific Alzheimer's disease for nearly half a decade.

His daughter, Gail, salutes his memory and legacy by being a strong advocate in the fight against Alzheimer's. She said, although he had forgotten who she was before he deceased, he never forgot the fact that he had proudly served his country in the military.

Mr. Speaker, I ask my colleagues to join me in recognizing the late Specialist 7 Howard Herman Hargrove as a remarkable person who made a difference in his community and our country.
