

HONORING THE LATE MR. L.
PIERCE CARSON

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the late L. Pierce Carson. He passed away on May 20, 2017 at the age of 76. He was an impressive journalist who had a remarkable career at the Napa Valley Register. He possessed a cheerful and energetic personality in the Napa community and was a champion for local food, wine and art.

Pierce was born in Trenton, New Jersey in 1940 and attended Temple University in Philadelphia, Pennsylvania before serving our country in Vietnam from 1965 to 1966. After returning home, he began his career with the Napa Valley Register, a position he held for nearly fifty years before his passing last month. He will be remembered as a mentor of young journalists and for his sponsorship of the Tri-High Gazette, a student run section of the Register. Mr. Carson wrote about and loved Napa. In recent years, he found a second home in Prague where he enjoyed living part of each year.

In his nearly fifty years of work as a journalist, Mr. Carson showed himself to be a friend and champion of Napa Valley food, wine and art. For many years, he served on the board of the Napa Valley Symphony and made it his priority to review their performances. Pierce could always be counted on to lend his writing talents to good causes. Over a twenty-five year period he volunteered for the Napa Valley Academy Awards party to raise funds and awareness for AIDS and HIV prevention and treatment.

Mr. Speaker, Pierce Carson was generous, kind and an excellent writer. He brought our Napa Valley community together. His newspaper stories taught us the value of friendship, culture, generosity and good wine. Therefore, it is fitting and proper that we honor his life and legacy here today.

IN RECOGNITION OF THE DEDICATION AND SERVICE OF ERNIE ANASTOS

HON. SUSAN A. DAVIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mrs. DAVIS of California. Mr. Speaker, I rise to honor a widely respected public servant who is set to retire on June 30th. Through his inspirational leadership he has touched the lives of thousands of students in San Diego County.

It is fitting that at this time, as we celebrate the graduation of thousands of students across the nation, that I should rise to speak of Superintendent Ernest (Ernie) Anastos.

Ernie is a graduate of Brandeis University, and holds a master's degree in Special Education from Bridgewater State College. He has been a dedicated educator for over 45 years.

Ernie's life of public service began in 1972, as an elementary school teacher. His years of experience lent to a successful transition into school administration.

He served Sweetwater Union High School District for 20 years, working at Chula Vista High School, Hill Top High School, and Mar Vista High School. Ernie was named principal to National City Middle School in 1992, and to Rancho del Rey Middle School in 1997. Under his direction, both schools achieved the title of California Distinguished Schools.

His time at Sweetwater Union High School District also included a term as the Area Superintendent in charge of Instructional Support Services and Student Support Services from 2002 to 2005.

Ernie was named the Superintendent of Lemon Grove School District in 2005. On April 28th, 2017, the Association of California School Administrators named Ernie as Superintendent of the Year in the San Diego and Imperial Counties.

Under his leadership, Lemon Grove School District has created a number of highly successful, specialized schools including the Dual Immersion Academy at Mount Vernon Elementary, the San Miguel Arts Academy, and the Lemon Grove Academy of Sciences and Humanities. Ernie has been a stalwart in the push for quality public education.

The Lemon Grove Academy campus is an example of the success that arose as a result of Ernie's inventiveness. Ernie sought to create schools that could serve as community centers. Through a partnership with UC San Diego, and the Lemon Grove Library, a joint-use facility was created which featured medical and dental clinics to serve students and their families.

As I reflect on Ernie's career, I am inspired by his dedication to promoting student achievement. I am truly encouraged by his commitment to bettering the lives of those around him.

Ernie's dedication to students, commitment to excellence, and ingenuity truly made him a remarkable leader. Under his guidance, Lemon Grove School District has emerged as a mecca for innovative education. I wish him congratulations on his upcoming retirement.

HONORING ARMY SPECIALIST
HOWARD HERMAN HARGROVE

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor the memory of a remarkable person, U.S. Army Specialist 7 Retired Howard Herman Hargrove.

A native of Manson County, North Carolina, Spec 7 Hargrove moved to Mississippi in December 2005 to be near his only daughter, Gail Hargrove Marshall Brown. The late Spec 7 Retired Hargrove was a dedicated resident of the Second Congressional District in Clinton, Mississippi for five years.

Spec 7 Hargrove took great pride in exercising his right to vote and in serving his country. He served in the United States Army from January 14, 1948 to March 31, 1972 on several tours of duty. His military service included the Korean Conflict, from 1950 to 1951 with the 25th Infantry Division, U.S. Army Field Artillery Battalion and the Vietnam War where he served two tours in Vietnam and was proud to be honorably discharged without "a scratch or a wound".

Spec 7 Hargrove was among the thousands of Korean War Veterans who gathered in Washington, D.C. at the Pentagon on June 30, 2000. The ceremony was held at the Korean War Memorial on the National Mall to commemorate the 50th Anniversary of that war. The veterans were honored by President Bill Clinton who told them that this nation will never forget their bravery, service and sacrifice.

During his time as a Clinton, Mississippi resident, Spec 7 Hargrove actively attended Holy Temple Missionary Baptist Church in Jackson, Mississippi, pastored by the first female pastor of a Missionary Baptist Church in Jackson, Mississippi, Rev. Dr. Audrey Lynne Hall, who affectionately referred to him as "Papa Hargrove." During one of the church's Men's Day programs on Father's Day, Hargrove was recognized by the Pastor and the Church as its "Oldest Father".

As a member of Holy Temple, he contributed generously to the church financially. During a time when the small, but growing church's Kitchen Ministry was in need of a new stove, Spec 7 Hargrove found it in his heart to purchase a commercial stove for the church which is still being used by the Kitchen Ministry today. He also contributed financially to a Metro-Jackson Karate program at one of the local YMCA.

A quiet, friendly man, who believed heavily in the love and unity of family, Spec 7 Hargrove succumbed to complications due to Alzheimer's on June 27, 2010 at 2:30 a.m. in the VA Medical Center (Hospice Unit) in Jackson, MS. He had battled the horrific Alzheimer's disease for nearly half a decade.

His daughter, Gail, salutes his memory and legacy by being a strong advocate in the fight against Alzheimer's. She said, although he had forgotten who she was before he deceased, he never forgot the fact that he had proudly served his country in the military.

Mr. Speaker, I ask my colleagues to join me in recognizing the late Specialist 7 Howard Herman Hargrove as a remarkable person who made a difference in his community and our country.

IN MEMORY OF HORACE SELLERS
MERRILL

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 23, 2017

Mr. ROGERS of Alabama. Mr. Speaker, I ask for the House's attention to recognize the life of Mr. Horace Sellers Merrill of Heflin, Alabama. Mr. Merrill passed away on February 17, 2017 at the age of 80.

Horace was born on October 15, 1936 in Micaville to Emory Joseph and Grace Allen Merrill. He graduated from Cleburne County High School in 1954 lettering in baseball and football. He attended Southern Union Junior College in Wadley, Alabama on an athletic scholarship until an automobile accident ended his athletic career in 1957.

Horace started work at Dixie Mines Mica Mining Company and married Mary Inez Thompson of Anniston, Alabama on June 1, 1963.

Mr. Merrill always held a strong interest in politics. In 1964, he was elected Circuit Clerk

of Cleburne County and served for 12 years. During this time, he participated in the Lions Club, Jaycees and Athletic Boosters Club and was president of each. He also assisted in the organization of the first youth baseball program in Heflin, where he officiated and coached in the 1960s and 1970s and was the public address announcer for Little League Football and junior high football games.

After completing two terms as Circuit Clerk, he was elected Probate Judge and Chairman of the Cleburne County Commission in 1976, a position he held for one six-year term. While serving as Probate Judge, he led the effort to purchase land and develop plans for the construction of the State of Alabama Welcome Center and Rest Area on I-20. He had a vision for a county-wide water system to service all citizens of Cleburne County through the Dyne Creek Watershed project that was supported by Congressman Bill Nichols and Senator Howell Heflin that he was not able to complete before the end of this term.

Mr. Merrill was an active participant in the Cleburne Baptist Association, and served as an officer and pastor of several churches. His pastorates included Happy Hill, Cedar Creek, Pinetucky (Interim), Chulafinnee and Edwardsville Baptist Churches. As a member of Heflin Baptist for over 50 years, Mr. Merrill served as a Deacon, Sunday School Superintendent, Sunday School Teacher, Church Training Director and Sanctuary Choir member.

Horace and Mary enjoyed 53 years of marriage and were blessed with two children and four grandchildren: Alabama Secretary of State John Harold Merrill (Cindy) and Audrey Merrill Gillis (Stephen), Pelham Brooks Merrill, Alexandra Grace Merrill, Mary Kathryn Gillis and Sarah Sellers Gillis.

Mr. Speaker, please join me in celebrating the life of Horace Merrill. He will be greatly missed.

MODIFICATIONS OF CREDIT FOR PRODUCTION FROM ADVANCED NUCLEAR POWER FACILITIES

SPEECH OF

HON. KYRSTEN SINEMA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 20, 2017

Ms. SINEMA. Mr. Speaker, I rise today in support of H.R. 1551, which improves the Section 45(J) nuclear production tax credit (NPTC), as authorized by the Energy Policy Act of 2005. I am proud to be a cosponsor of this bipartisan legislation and thank Congressman RICE of South Carolina and Congressman BLUMENAUER of Oregon for their leadership on this issue.

The NPTC encourages the development of advanced nuclear power plants that make strides in safety and reliability but is limited to the first 6,000 megawatts of new generating capacity constructed by 2020. Since passage of the Act, more advanced reactors, including small modular reactors (SMRs), have moved steadily through the research and development stage and could be ready for commercial deployment by the middle of the next decade.

Once approved by the Nuclear Regulatory Commission (NRC), these technologies will provide reliable, carbon-free baseload elec-

tricity with safety features that nearly eliminate the possibility of a radiological release. The first SMRs in the United States will most likely be in the West. Arizona energy providers like the Salt River Project and Arizona Public Service are both evaluating the potential use of small modular reactors as they replace aging generation capacity.

When the NPTC expires in 2020, it will likely do so without reaching the megawatt cap. H.R. 1551 makes the remaining credit available beyond 2020, providing a powerful incentive for the next generation of advanced nuclear and SMR projects. I strongly support these efforts and encourage you to consider the positive impact these changes would have on incentivizing a new generation of safe, reliable, and carbon-free advanced nuclear power.

I urge my colleagues to support this bipartisan legislation and to move America toward energy independence.
