NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2018

SPEECH OF

HON. GREGG HARPER

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 12, 2017

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2810) to authorize appropriations for fiscal year 2018 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes:

Mr. HARPER. Mr. Chair, I rise in strong support of the Harper/Brady Amendment, which is included in this en block package of amendments. Our amendment while simple is critical to the security of the House of Representatives and its information technology systems. This amendment allows the Speaker, with the concurrence of the Minority Leader, to request assistance from the Executive Branch, within the confines of current law, in the event there is a successful cybersecurity attack on the House of Representatives.

Three scenarios readily come to mind in which Executive Branch assistance would be critical.

The first scenario addresses a situation in which the House of Representatives has a suspicion that a nation-state sponsored actor has successfully infiltrated the House network. The House of Representatives would need assistance from the National Security Agency, the Department of Homeland Security, or possibly even the Department of Defense's Cyber Command to help identify, eliminate and remove the nation-state sponsored actor from our network systems. The House of Representatives would also need additional assistance from the intelligence community to identify and validate the nation-state sponsored actor and their associated tactics, techniques, and procedures.

The second scenario involves assistance from the appropriate law enforcement agency in the event the House of Representatives and its network systems are victims of criminal activity conducted by a malicious actor or actors.

Finally, the House of Representatives would need assistance from the Executive Branch if a catastrophic event occurred and compromised a significant amount of the House of Representatives' enterprise system, and could not guarantee the integrity of the legislative process. The House of Representatives would seek assistance from the National Security Agency, the Department of Homeland Security,

the intelligence community, or the Department of Defense's Cyber Command to identify the root cause of the compromise; protect existing House information systems; detect any collateral damage resulting from the incident; respond, resolve, and remove the incident from the House systems; and finally, restore the House of Representatives to an acceptable operational state.

The attempts to attack the House of Representatives are real. Every month, the House successfully defends against the three to four million cyber attacks against our networks. Before the July 4th recess, the House of Representatives successfully fought off a "brute force attack" in which more than 44,000 attempts to breach the networks occurred in just one day.

We are not dealing with hypotheticals. It may be just a matter of time before one of the millions of attempts is successful. The House of Representatives must be prepared.

I encourage my colleagues to support this amendment.

HONORING THE LIFE OF FRANK BARTLETT

HON. CHARLIE CRIST

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 13, 2017

Mr. CRIST. Mr. Speaker, I rise today to honor the life and accomplishments of one of the greatest of our generation, World War II veteran Frank Bartlett, who left us last week at the ripe old age of 104.

Serving as a surgical technician for the Ninth Infantry Division, Frank was a hero, awarded six bronze stars, one silver star, and an American Defense Service Medal for his dedication to saving lives on the battlefield.

During World War II, Frank served in the European theater, providing life-saving medical care to his fellow servicemen in North Africa, Sicily, France, Belgium, and Germany. As a surgical technician, Frank followed his brothers into battle, serving at their side so they might withstand the attacks of the enemy. On D-Day, Frank was one of the only surviving medics of the Battle of Normandy, risking his life to aid his fallen brothers in the face of incredible peril. His efforts went above and beyond—Frank would often offer his own blood for a patient's blood transfusion in times of need. A talented and tireless surgeon, Mr. Bartlett's courage and humility earned him the respect and gratitude of his commanding officers and his fellow soldiers.

Before joining the Army, Frank worked as a hair stylist in New York, a profession he returned to after completing his military service. Following his move to Pinellas County, Florida, Mr. Bartlett channeled his talent as an artist into opening his own kite shop, sharing the fruits of his creativity with the community he loved. Even after being declared legally blind, Frank's tenacious spirit drove him forward, running his small business, and hiking the mountains of Peru.

Mr. Speaker, at the incredible age of 104 years, Frank Bartlett passed away on July 8, 2017. He will be honored and laid to rest at Bay Pines National Cemetery. Supported by his loving friends, Frank lived out his final days in peace. Please join me in offering the deepest gratitude to Frank for his service to our country, his commitment to his brothers-in-arms, and his ceaseless dedication to his friends and community.

HONORING DALE HEMPHILL, FOUNDER OF THE SPIRIT OF AMERICA FOUNDATION

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 13, 2017

Mrs. WALORSKI. Mr. Speaker, I rise today to congratulate Dale Hemphill, a U.S. Navy veteran from Mishawaka, Indiana, on creating the Spirit of America Foundation and designing the Spirit of America flag to promote patriotism and appreciation for our nation's veterans.

The Spirit of America Foundation is a non-profit organization founded in 2001 that works to identify and prioritize veterans' health issues, create a network among other veterans service organizations, coordinate fundraising, establish support groups, and provide information and educational resources. The Spirit of America flag Dale created symbolizes the mission of the foundation and serves as a powerful tribute to the brave men and women who have sacrificed so much for our country.

Dale served in the U.S. Navy for six years and embodies the values of a true patriot. He designed the Spirit of America flag with great attention to detail: each aspect of the flag serves to commemorate what our veterans have done to preserve our freedom in a special way. For example, the color red on the banner symbolizes bloodshed, and the color blue represents valor and bravery. Not only does the flag honor our veterans by listing every conflict Americans have served in, it also recognizes the civilians, firefighters, police officers, and paramedics who died in the terrorist attacks of September 11, 2001.

Dale has given his flag to people all over the world, including four American presidents, every Indiana senator, governor, and representative, and the last surviving American WWI veteran, Frank Buckles. Nicknamed "Old Glory's Companion," this patriotic flag flies over multiple U.S. military bases.
