

This plan is going to collapse on its own. We invite them to come to the table to help us fix this because this is for all Americans, not just Republicans. It is for all Americans—Republicans, Democrats, Independents, everybody. I would hope they would come and help us do this.

I think the last thing, Mr. Speaker, is this is a historic opportunity. The Wall Street Journal said never before has there been a chance to change a program as significant as what we are getting ready to do. We are the ones who are going to lead this effort to bring healthcare stability to the American people.

I look forward to the discussions in the future. I ask the American people to believe in the people you sent up here to fix this. We are going to get it right.

One last thing. I will guarantee you that this bill will be read before it is passed, and we will know how it is going to work.

Mr. Speaker, I yield back the balance of my time.
