

In mid-February, Sergeant Troy Titchenell and Officer Paul Fox responded to a call that a boy had fallen through the ice on Iroquois Lake. Sergeant Titchenell, without concern for himself, first on the scene, immediately got a life ring from a local resident and walked onto the ice. Officer Fox then arrived and walked onto the ice to take the rope attached to the life ring.

While towing the young man to safety, the ice broke and Sergeant Titchenell was submerged in the water up to his chest. With Officer Fox pulling on the rope and Sergeant Titchenell supporting the boy in the water, both were able to rescue the young man. I believe they saved a life that day.

This incident exemplifies the risks police officers will take to protect all of us. Their daily acts of bravery must be recognized. I am proud to highlight the actions of these courageous officers, and I am grateful to recognize their service to our community.

IN SUPPORT OF THE GREAT LAKES RESTORATION INITIATIVE

(Mr. SCHNEIDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Mr. Speaker, I rise today in defense of one of our most magnificent natural wonders: the Great Lakes. They contain a fifth of the world's freshwater and are vitally important to the economy and the quality of life in my district.

The Great Lakes Restoration Initiative, which has received strong support from both sides of the aisle, works to clean up the Great Lakes, control invasive species, restore habitats, and reduce runoff. Yet we have heard that President Trump may virtually eliminate this critical program with an eye-popping irresponsible 97 percent cut to the budget; \$300 million in funding would be reduced to just \$10 million.

At the same time, his administration may gut EPA funds for climate science, clean air, and safe water.

Let me be clear. I am adamantly opposed to these cuts and will do everything in my power to stop them.

Tomorrow, on Great Lakes Day, the President is expected to release a budget proposal. I urge him to include robust funding for the Great Lakes Restoration Initiative and the EPA programs and ensure we pass on a sustainable, healthy planet to our children.

IMPROVE THE AMERICANS WITH DISABILITIES ACT

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, Original Pizza in Broomfield, Colorado, has been in business since the 1990s. Now they are being sued.

The plaintiff claims they do not have ADA-accessible parking signage or proper insulation wrapped around the pipes under the restroom sink.

The claims waged against Original Pizza are mostly false. The sink is compliant, and the parking issue could be fixed with a better sign and a bit of paint. Not to mention, Original Pizza was never notified of the alleged violations by the plaintiff.

Now the plaintiff is demanding money to pay or a lawsuit will be filed. The same plaintiff has filed over 70 other lawsuits against businesses for alleged ADA violations.

Plaintiffs and attorneys hope companies will decide to settle rather than face an expensive court trial.

The ADA Education and Reform Act will require giving businesses notice and time to fix the alleged infraction before the lawsuit is filed. Notice and cure are a fair way to handle ADA violations.

And that is just the way it is.

CELEBRATING ADMIRAL LLOYD "JOE" VASEY'S 100TH BIRTHDAY

(Ms. HANABUSA asked and was given permission to address the House for 1 minute.)

Ms. HANABUSA. Mr. Speaker, I rise today to send my warmest aloha to Admiral Lloyd "Joe" Vasey on his belated 100th birthday celebration tonight in Honolulu.

After graduating from the United States Naval Academy in 1939, Admiral Vasey joined the submarine service and served under John S. McCain, Jr., father of United States Senator JOHN MCCAIN.

After the war and a long and distinguished service to our Nation, Admiral Vasey formed the CSIS Pacific Forum, with the goal of promoting peace in Asia Pacific. He is why we call the men and women of his time the Greatest Generation.

I encourage my colleagues to join me in honoring the admiral by working to help make his dream of a Pacific War Memorial at Pearl Harbor a reality.

In his words: "There is no recognition for well over 150,000 brave Americans who were lost in the Pacific War. We need to honor them, and their families need a place to mourn."

Admiral Vasey's patriotism, devotion to duty, and desire for peace should be an example for us all.

Happy birthday, Admiral Vasey, and may you continue to have fair winds and following seas.

DENNIS COUNIHAN SELECTED AS SAVANNAH'S ST. PATRICK'S DAY PARADE GRAND MARSHAL

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to congratulate Mr. Dennis Counihan for being named

grand marshal of Savannah's 2017 St. Patrick's Day Parade. The annual St. Patrick's Day Parade in Savannah has been a beloved local tradition and an important family affair since its beginning in 1824.

Welcoming visitors from all over the world to celebrate its Irish heritage, Savannah astonishingly hosts the third largest St. Patrick's Day Parade in the world and the second largest in the United States. As such, the position of grand marshal is not to be taken lightly. This year there were a record-setting six nominees vying for the position, but Mr. Counihan rose above the rest due to his experience and dedication to Savannah.

Mr. Counihan's love for his community is emphasized through his work with the Hollander Senior Living company, where he purchases old real estate to be redesigned as nursing homes.

It seems as if Mr. Counihan was destined to be grand marshal, considering his family's role in the parade over the years. His brother Brian is currently the parade chairman, and his father, Michael, served as the parade's grand marshal in 1988.

Mr. Counihan has been on the parade committee since 1980. He certainly knows the dedicated effort that goes into making this event special and successful.

Congratulations, Mr. Counihan, on this great honor. I look forward to seeing the new additions you will bring to the parade.

INVESTING IN AMERICA'S INFRASTRUCTURE

(Mr. PANETTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PANETTA. Mr. Speaker, I rise today to advocate for a national infrastructure plan.

I represent the central coast of California, and this winter we got rain. We got a lot of rain. So much so that it caused millions in damage to the area, including the closure of the famous Highway 1 in Big Sur, with major mudslides in the south and the loss of the 315-foot Pfeiffer Canyon Bridge in Big Sur.

That damage has left 450 people isolated: kids can't get to school; families are separated; and employers and employees are suffering, including the loss of \$8 million in 1 month in the off-season.

But the effects of that damage extend beyond Big Sur to the surrounding towns, counties, and, actually, the entire State of California. People from all over the world come to Big Sur. They drive down from San Francisco. They drive up from Los Angeles. They patronize towns all along their way to Big Sur.

We understand why. It is the most beautiful place in the world. It is my home. And we want it to be open to all of you.

It is time that the Congress and our President help Americans by investing in our American infrastructure.

THE IMPORTANCE OF MAINTAINING DACA

(Mr. LOWENTHAL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LOWENTHAL. Mr. Speaker, today I rise to stress the importance of maintaining Deferred Action for Childhood Arrivals, commonly known as DACA.

DACA recipients were brought here to the United States as children, and in most cases America is the only home they have ever known. They want to contribute to our economy, to our society, and our country; and they will, unless we are foolish enough to stop them.

Taking any step against DACA would not only hurt DACA recipients, it would hurt the United States. Let's protect these promising youth and keep this program intact while we work out a humane path to citizenship.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. POE of Texas). Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote incurs objection under clause 6 of rule XX.

Record votes on postponed questions will be taken later.

ARBUCKLE PROJECT MAINTENANCE COMPLEX AND DISTRICT OFFICE CONVEYANCE ACT OF 2017

The SPEAKER pro tempore. When the House adjourned on Wednesday, March 8, 2017, there was a pending motion by the gentleman from Florida (Mr. WEBSTER) to suspend the rules and pass the bill (H.R. 132) to authorize the Secretary of the Interior to convey certain land and appurtenances of the Arbuckle Project, Oklahoma, to the Arbuckle Master Conservancy District, and for other purposes.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The gentleman from Florida (Mr. WEBSTER) has 16 minutes remaining, and the gentleman from California (Mr. HUFFMAN) has 19 minutes remaining.

Without objection, the gentleman from Maryland (Mr. BROWN) will control the time of the gentleman from California.

There was no objection.

The SPEAKER pro tempore. The Chair recognizes the gentleman from Florida.

Mr. WEBSTER of Florida. Mr. Speaker, I ask unanimous consent that the

gentleman from Colorado (Mr. TIPTON) be allowed to manage the remainder of the time for the majority.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. TIPTON. Mr. Speaker, I yield myself such time as I may consume.

H.R. 132, sponsored by Congressman TOM COLE of Oklahoma, conveys two buildings and two acres of land of the federal Arbuckle Project to the Arbuckle Master Conservancy District in Oklahoma. The district has operated and maintained the project for decades, and completed repayment of its capital costs for the project in 2012.

While non-controversial, legislation is necessary in order to facilitate this and other Bureau of Reclamation title transfers. Under current law, these buildings and land remain in federal ownership until legislation is enacted to transfer the title to the District. Mr. COLE's bill achieves this objective.

This title transfer is a win-win for the District and the federal government. The District will no longer be subject to certain federal paperwork requirements and the federal government will be relieved of all future liability and financial responsibilities associated with these facilities and land.

I urge adoption of the measure, which overwhelmingly passed the House on a bipartisan basis in the last Congress.

Mr. Speaker, I reserve the balance of my time.

Mr. BROWN of Maryland. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 132 would allow a title transfer of two Federal buildings to the Arbuckle Master Conservancy District in south central Oklahoma. These buildings are part of the Arbuckle Project, which is a water project authorized by Congress in 1962 to provide flood control, recreational opportunities, and municipal water supply.

Nearly all of the facilities within the Arbuckle Project were already transferred to the Arbuckle Master Conservancy District in 2012 after the district finished repaying what it owed the Federal Government for construction. However, due to some overly narrow language in the legislation authorizing the Arbuckle Project, two buildings within the project have yet to be transferred.

Transferring the two remaining buildings will save taxpayer money that would otherwise be needed to operate and maintain the buildings and will also relieve the Federal Government of any potential future liability associated with the buildings. This is straightforward legislation that should be quickly passed.

Mr. Speaker, I yield back the balance of my time.

Mr. TIPTON. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. WEBSTER of Florida). The question is on the motion offered by the gentleman from Florida (Mr. WEBSTER) that the House suspend the rules and pass the bill, H.R. 132.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the yeas have it.

Mr. TIPTON. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

APPROVING THE LOCATION OF A MEMORIAL TO COMMEMORATE AND HONOR THE MEMBERS OF THE ARMED FORCES WHO SERVED ON ACTIVE DUTY IN SUPPORT OF OPERATION DESERT STORM OR OPERATION DESERT SHIELD

Mr. TIPTON. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the joint resolution (S.J. Res. 1) approving the location of a memorial to commemorate and honor the members of the Armed Forces who served on active duty in support of Operation Desert Storm or Operation Desert Shield, and ask for its immediate consideration in the House.

The Clerk read the title of the joint resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

The text of the joint resolution is as follows:
