□ 1645

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. GAETZ. Madam Speaker, had I been present, I would have voted “yea” on rollcall No. 180.

# ANNOUNCEMENT BY COMMITTEE ON RULES REGARDING AMENDMENT PROCESS FOR H.R. 1215, PROTECTING ACCESS TO CARE ACT OF 2017, AND H.R. 1304, SELF-INSURANCE PROTECTION ACT

Mr. SESSIONS. Madam Speaker, the Rules Committee will be issuing announcements outlining the amendment processes for two measures that will likely be before the Rules Committee next week.

An amendment deadline has been set for Monday, March 27, at 10 a.m., for H.R. 1215, the Protecting Access to Care Act of 2017; and H.R. 1304, the Self-Insurance Protection Act.

The text of these measures will be available on the Rules Committee website upon this announcement.

Please feel free to contact me or my staff if you have any questions.

Mr. MCGOVERN. Will the gentleman yield?

Mr. SESSIONS. I yield to the gentleman from Massachusetts.

Mr. MCGOVERN. I appreciate the gentleman informing us about next week, but I am concerned about this week still.

Can the gentleman inform me whether or not we will have a CBO score on the healthcare repeal bill that we are going to be taking up in the Rules Committee tomorrow?

Mr. SESSIONS. I appreciate the gentleman asking this question.

As the gentleman has previously asked at the Rules Committee, I advised the gentleman that tomorrow, at 10 a.m., the Rules Committee will be convening for the purpose of amendment and discussion of the text that will come, and it would be my belief that that would be available in the evening hour, as I assume we will still be in.

Mr. MCGOVERN. Will we have a CBO score before the Rules Committee meets?

Mr. SESSIONS. It is my belief that I will have one.

The gentleman does understand that the CBO, in order to get it correctly processed, we have not pushed them. They have advised us they would anticipate having a score, they believe, tomorrow evening.

Mr. MCGOVERN. I thank the gentleman.

But as I said in the Rules Committee, I just think, under regular order, we ought to have the score and know how many people will lose their health insurance before we consider it in the Rules Committee.

# QUADRENNIAL HOMELAND SECURITY REVIEW TECHNICAL CORRECTIONS ACT OF 2017

The SPEAKER pro tempore. Without objection, 5-minute voting will continue.

There was no objection.

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 1297) to amend the Homeland Security Act of 2002 to make technical corrections to the requirement that the Secretary of Homeland Security submit quadrennial homeland security reviews, and for other purposes, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. RUTHERFORD) that the House suspend the rules and pass the bill.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 415, nays 0, not voting 14, as follows:

[Roll No. 181]

□ 1655

So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. BRADY of Texas. Mr. Speaker, on roll-call no. 181, I was unavoidably detained to cast my vote in time. Had I been present, I would have voted "yes."

## CELEBRATING NATIONAL AGRICULTURE DAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, today marks the 44th anniversary of National Agriculture Day, which is celebrated in classrooms and communities across the country. This year's theme is "Agriculture: Food for Life."

Today marks a nationwide effort to tell the true story of American agriculture and remind citizens that agriculture is a part of all of us. The National Ag Day program encourages every American to understand how food and fiber products are produced; appreciate the role agriculture plays in providing safe, abundant, and affordable products; value the essential role of agriculture in maintaining a strong economy; and acknowledge and consider career opportunities in the agriculture, food, and fiber industry.

America's next wave of agriculture leaders are also in Washington today: members of the National FFA Organization, 4-H, Agriculture of America, and MANRRS. Their advocacy and leadership is critical to the future of agriculture.

Mr. Speaker, our farmers feed and agriculture plays a critical role in modern society. I would like to thank all Americans who work in this essential industry.

Happy Ag Day.

## REPEAL OF THE ACA

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, exactly 7 years after the Affordable Care Act became law, we now anticipate a vote this week on a Republican plan to gut it.

Mr. Speaker, the ACA expanded health coverage to 20 million people and expanded Medicaid to help our most vulnerable populations, changes that resulted in coverage for more than 100,000 Rhode Islanders.

Last week, I joined Democratic colleagues at a hearing to discuss the Republican plan, a hearing Republicans should have organized to assess the impact of their bill, which CBO estimates will result in 14 million additional uninsured by 2018 and 24 million people losing their health insurance by 2026.

Mr. Speaker, the Republican plan is not the solution to strengthen our health system. It ignores the sick, the poor, the disabled, and the elderly. Mr. Speaker, Americans cannot benefit from the systemic changes in care delivery, the breakthrough treatments of tomorrow, or improved access to today's therapies if the Republican plan is passed.

Mr. Speaker, we should be working in a bipartisan way to improve the Affordable Care Act, not gutting it.

## TAKING THE INNOCENCE OF A CHILD IS SHAMEFUL

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, a 14-year-old girl last week was kidnapped off the streets of Houston, Texas. After being held against her will for 5 days, she was taken to a motel, where she met a person named Denise Coronado.

But Coronado was no friend. Instead, she threatened the girl. Coronado ground cigarettes into the girl's body. She threatened everyone that the child loved. She published photographs of the girl on backpage.com, selling her on the marketplace of sex slavery. In a 1-week period, the young girl was forced to have sex with more than 20 men. Finally she escaped.

But, Mr. Speaker, the reality is that the victim sometimes never truly escapes. The horrors sometimes live with them forever. We can no longer be ignorant to modern day slavery. My legislation, the Shame Act, gives Federal judges the ability to publish the names and photographs of convicted buyers and sellers of humans.

Those who sell or buy the innocence of children should be shamed for all to see. Put their photographs on backpage.com.
