## MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Brian Pate, one of his secretaries.

REGULATORY ACCOUNTABILITY  
ACT OF 2017

## GENERAL LEAVE

Mr. GOODLATTE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous materials on H.R. 5.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

The SPEAKER pro tempore (Mr. ALLEN). Pursuant to House Resolution 33 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 5.

The Chair appoints the gentleman from Illinois (Mr. BOST) to preside over the Committee of the Whole.

## □ 1350

## IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 5) to reform the process by which Federal agencies analyze and formulate new regulations and guidance documents, to clarify the nature of judicial review of agency interpretations, to ensure complete analysis of potential impacts on small entities of rules, and for other purposes, with Mr. BOST in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Virginia (Mr. GOODLATTE) and the gentleman from Michigan (Mr. CONYERS) each will control 30 minutes.

The Chair recognizes the gentleman from Virginia.

Mr. GOODLATTE. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, it is a new day in America. For 8 years, the Obama administration has brought us one thing in response to the Nation's need for recovery from hard times—failure.

Bold, innovative measures to unleash American freedom, opportunity, and resourcefulness could have brought prosperity's return after the Great Recession, just as under Ronald Reagan following his era's recession.

But the Obama administration responded differently, with measure after overreaching measure, through regulation, taxes, and spending. It was consumed by the folly of trying to force transformation from the American people through command and control from Washington. Everywhere it went, it sought to choose the winners and losers.

When Washington tries to choose the winners and losers, we all lose. And lose we have. We have a national debt of \$20 trillion thanks to the outgoing administration's blowout spending. We have an economy that for 8 years has failed to produce enough good, new, full-time jobs to sustain growth and restore dignity to the unemployed. We
