## NOT VOTING—7

## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. COLLINS of Georgia) (during the vote). There are 2 minutes remaining.

□ 1628

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

### LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I rise for the purpose of inquiring of the majority leader the schedule for tomorrow, and I yield to the gentleman from California (Mr. MCCARTHY).

Mr. MCCARTHY. Mr. Speaker, tomorrow the House will vote on H.R. 1644, our North Korean sanctions bill. I do believe it is important that the House speak with one voice against the recent actions of the Kim regime.

Next, as I said in our colloquy on Friday, additional legislative items are possible. As soon as any items are added to our schedule, I will be sure to notify Members. However, Members should be prepared to be here and voting tomorrow.

Mr. HOYER. Mr. Speaker, I would hope the majority leader might give us some idea. Obviously, everybody in this town and around the country believes the possible legislation that might come forward is a version of, revision of, the American Health Care Act that has been pending for some time not necessarily on the House floor, but in this House.

Can the gentleman tell me whether or not Members ought to prepare for a debate on that bill tomorrow? And if so, does the gentleman know whether there will be a CBO score on the bill that might be brought to the floor, and thirdly, the timing for tomorrow so that Members might plan on what the schedule would be?

I yield to my friend.

Mr. MCCARTHY. I thank my friend for yielding. I appreciate his questions.

As has been reported in the press, we have made significant progress on our healthcare bill. When we are ready to bring the bill to the floor, I will make an announcement and relay scheduling information to all Members.

Mr. HOYER. I asked a question, though, you did not address. If, in fact, the healthcare bill were brought to the floor tomorrow, would it have a score from the Congressional Budget Office?

I yield to my friend.

Mr. MCCARTHY. I thank the gentleman for yielding.

As the gentleman clearly knows, there is a CBO score out there right now on the bill. As the gentleman knows, we are making progress; and as soon as we designate that, yes, we will move the bill, and I will notify the gentleman.

Mr. HOYER. Mr. Speaker, I presume, therefore, Members ought to be prepared for that bill to come forward, and what we hear, we don't know, is in a revised form.

Mr. Speaker, we hope, if it comes forward in a revised form, that it is ac-

companied with a Congressional Budget Office score so that Members on both sides of the aisle might know the ramifications of the changes in the bill.

Unless the gentleman wants to say anything further, I will yield back, but I hope that we can get as much notice and information as possible, Mr. Leader.

Mr. Speaker, I yield back the balance of my time.

### THE JOURNAL

The SPEAKER pro tempore. Without objection, 5-minute voting will continue.

There was no objection.

The SPEAKER pro tempore. The unfinished business is the question on agreeing to the Speaker's approval of the Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.
