So (two-thirds being in the affirmative) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

The title of the resolution was amended so as to read: "Condemning in the strongest terms the terrorist attacks in Manchester, United Kingdom, on May 22, 2017, and in London, United Kingdom, on June 3, 2017, expressing heartfelt condolences, and reaffirming unwavering support for the special relationship between our peoples and nations in the wake of these attacks."

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mrs. NAPOLITANO. Mr. Speaker, I was absent during rollcall votes No. 286 and No. 287 due to my spouse's health situation in California. Had I been present, I would have voted "yea" on H. Res. 354—Condemning the violence against peaceful protesters outside the Turkish Ambassador's residence on May 16, 2017, and calling for the perpetrators to be brought to justice and measures to be taken to prevent similar incidents in the future, as amended. I would have also voted "yea" on H. Res. 355—Condemning in the strongest terms the terrorist attacks in Manchester, United Kingdom, on May 22, 2017, expressing heartfelt condolences, and reaffirming unwavering support for the special relationship between our peoples and nations in the wake of these attacks, as amended.

PERSONAL EXPLANATION

Mr. BLUMENAUER. Mr. Speaker, had I been present for the vote on H. Res. 354, a resolution "Condemning the violence against peaceful protesters outside the Turkish Ambassador's residence on May 16, 2017, and calling for the perpetrators to be brought to justice and measures to be taken to prevent similar incidents in the future" (Rollcall Vote No. 286), I would have voted "aye."

I would have also voted "aye" on H. Res. 355, a resolution "Condemning in the strongest terms the terrorist attacks in Manchester, United Kingdom, on May 22, 2017, expressing heartfelt condolences, and reaffirming unwavering support for the special relationship between our peoples and nations in the wake of these attacks" (Rollcall Vote No. 287).

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 60

Ms. GRANGER. Mr. Speaker, I ask unanimous consent to remove my name as a cosponsor of H.R. 60.

The SPEAKER pro tempore (Mr. HIGGINS of Louisiana). Is there objection to the request of the gentlewoman from Texas?

RECOGNIZING THE DEBBIE'S DREAM FOUNDATION

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I would like to highlight the Debbie's Dream Foundation, an organization in south Florida that seeks to make the cure for stomach cancer a reality while also supporting patients, families, and caregivers who are impacted by this disease.

According to the NIH, Mr. Speaker, there are nearly 100,000 people living with stomach cancer in our great Nation, but despite these alarming numbers, Americans diagnosed with stomach cancer face a challenging battle, as it is difficult to find reliable information, good treatments, and valuable resources. Here is where Debbie's Dream Foundation steps in.

Debbie's Dream Foundation works with local communities, businesses, government agencies, and the scientific community to raise awareness about stomach cancer and promote research and cutting-edge treatment to improve the lives of those afflicted with this cancer.

Mr. Speaker, I would like to thank Debbie Zelman, the founder of this great organization, who is also undergoing treatment for this disease, for turning this tragedy into a positive change for others suffering from stomach cancer.

I also want to thank very much Debbie's wonderful parents and all of the advocates for their lifesaving efforts and unwavering commitment to defeat stomach cancer once and for all.

LEAVING PARIS AGREEMENT DAMAGING TO ENVIRONMENT

(Mr. KRISHNAMOORTHY asked and was given permission to address the House for 1 minute.)

Mr. KRISHNAMOORTHY. Mr. Speaker, abandoning the commitments we made in the Paris climate accord is a massive self-inflicted wound to our environment, our global influence, and our economy. The damage caused to our economy and environment by leaving the Paris Agreement is undeniable, but it was also completely foreseeable. That is why the first piece of legislation I wrote as a member of Congress called for our country to keep the pledges we made in this agreement, the promises we made to the world, and to ourselves.

Through his decision, the President is ceding American leadership in the green economy to China, and kneecapping the global effort to counter the effects of climate change. While the President has made his choice, the rest of us can make ours.

We must continue to resist global climate change by expanding our commit-

ments to green technology and sustainable practices. If we do so, we will not only address the challenges of our time, but also embrace its opportunities.

RECOGNIZING ESTHER BEGAM

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise today to recognize Esther Begam, a Holocaust survivor who recently received her high school diploma from Wayzata High School at the age of 88.

In 1942, Nazis invaded Poland and forced 11-year-old Esther and her family into a labor camp. Esther tragically lost her mother and her brother in Auschwitz, as well as her older sister in another labor camp.

After the war, she married another survivor and moved to Minnesota to start a family. In 2010, she was invited to share her story with the Wayzata High School history class, where she was asked what her biggest regret was, and Esther said she wished she had received her high school diploma.

So after hearing her story, the school was able to arrange a graduation ceremony. Last month, Esther was presented with a diploma in front of her children, her grandchildren, and her great-grandchildren, receiving a standing ovation that was 71 years overdue.

Mr. Speaker, I congratulate Esther Begam on her accomplishment after overcoming an incredibly difficult life challenge. She is truly an inspiration.

HONORING THE LIFE OF LONNY KAPLAN

(Mrs. WATSON COLEMAN asked and was given permission to address the House for 1 minute.)

Mrs. WATSON COLEMAN. Mr. Speaker, on Saturday, New Jersey's 12th Congressional District lost a man of great strength and valor. We lost a husband, a father, an activist. For many others, we lost a great friend.

Lonny Kaplan and I met in the 1970s and long maintained a friendship of love and mutual respect. He is not only a statesman, but a hero. His commitment to political activism, especially towards pro-Israel causes, made him instrumental in strengthening the relationship between the United States and Israel.

Lonny was a respected leader in the Jewish community both here in the state and nationally, and will long be revered by those who had the honor to know him. The loss we feel as a congressional district and as a nation is deep, but I know that Lonny will never be forgotten by the countless lives that he touched.

ALZHEIMER'S AWARENESS MONTH

(Mr. FITZPATRICK asked and was given permission to address the House for 1 minute.)
