

forward to having the Senate move similar bipartisan legislation so we can get the job done. That is what it is all about.

So I want to thank the gentleman for his tireless commitment to getting this issue done.

Mr. Speaker, I urge my colleagues to support this bill again.

I yield back the balance of my time.

Mr. GENE GREEN of Texas. Mr. Speaker, I rise today in support of H.R. 338, to Promote a 21st Century Energy and Manufacturing Workforce Future Act.

For years, many of the industries I represent have complained of workforce shortages.

In East Houston and Harris County, if we were able to recruit every union electrician in the country, we would still have a shortage.

The same is probably true for pipefitters, welders, etc.

The economy in our part of the country is rapidly expanding thanks to the development of the Eagleford shale and the Permian Basin.

We must ensure that this economic prosperity is shared across all of our community. In Texas, workforce diversity has to be a reality.

I am pleased that Representative RUSH has crafted this legislation and I am proud to be an original co-sponsor.

I am also proud to support workforce development opportunities for Hispanics, African-Americans, and women in the energy field.

The industry needs skilled workers and we need to create opportunity for everyone, including many of those I represent in and around the area.

The bill will encourage the Department of Energy to conduct outreach to these communities to ensure they have access to the knowledge, skills and abilities required to fill high paying jobs in the energy field.

Thanks to efforts by ExxonMobil and the Texas Gulf Coast Community College Consortium, we are already addressing the workforce needs of our industries but more needs to be done and this bill will help us achieve these goals.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Michigan (Mr. UPTON) that the House suspend the rules and pass the bill, H.R. 338.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 4 o'clock and 45 minutes p.m.), the House stood in recess.
