H.R. 2581

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Verify First Act”.

SEC. 2. VERIFICATION OF STATUS IN UNITED STATES AS CONDITION OF RECEIVING ADVANCE PAYMENT OF HEALTH INSURANCE PREMIUM TAX CREDIT.

(a) APPLICATION TO CURRENT HEALTH INSURANCE PREMIUM TAX CREDIT.—Section 36B of the Internal Revenue Code of 1986, as in effect for months beginning before January 1, 2020, is amended by redesignating subsection (g) as subsection (h) and by inserting after subsection (f) the following new subsection:

“(g) VERIFICATION OF STATUS IN UNITED STATES FOR ADVANCE PAYMENT.—No advance payment of the credit allowed under this section with respect to any premium under subsection (b)(2)(A) with respect to any individual shall be made under section 1412 of the Patient Protection and Affordable Care Act unless the Secretary has received confirmation from the Secretary of Health and Human Services that the Commissioner of Social Security or the Secretary of Homeland Security has verified under section 1411(c)(2) of such Act the individual’s status as a citizen or national of the United States or an alien lawfully present in the United States using a process that includes the appropriate use of information related to citizenship or immigration status, such as social security account numbers (but not individual taxpayer identification numbers).”.

The SPEAKER pro tempore. The gentleman from Texas (Mr. BRADY) and

the gentlewoman from California (Ms. SÁNCHEZ) each will control 30 minutes.

The Chair recognizes the gentleman from Texas.

GENERAL LEAVE

Mr. BRADY of Texas. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill currently under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

Mr. BRADY of Texas. Mr. Speaker, I yield myself as much time as I may consume.

Last month House Republicans took a significant step to return patient-centered healthcare to the American people. We passed the American Health Care Act. The American Health Care Act begins our step-by-step process to repeal ObamaCare and replace this collapsing law with a 21st century healthcare system that truly works for American families, job creators, our States, and our taxpayers.

Now, as work on the American Health Care Act moves forward in the Senate, we are moving forward on a parallel track to deliver more solutions for the American people. One of those is the Verify First Act, sponsored by Congressman LOU BARLETTA of Pennsylvania.

This legislation takes important action to protect taxpayer dollars from waste, fraud, and abuse. It prevents the American Health Care Act’s monthly tax credits and ObamaCare’s current subsidies from being dispensed until the legal status of an eligible recipient can be verified.

Under ObamaCare, people who are in the United States illegally are prohibited from receiving taxpayer-funded subsidies to help purchase health insurance; but like so many aspects of ObamaCare, there is a major defect. ObamaCare starts by assuming a person is a legal resident and sends the money right away even if the verification process is still incomplete.

As we have seen with so many Federal programs, it is all but impossible to get fraudulently claimed money back after it is already out the door. This flaw of ObamaCare is no different. It has resulted in taxpayer-funded subsidies being spent on people who are not in the United States legally and, therefore, not eligible to receive them.

My constituents in Texas and yours around the country work too hard to see their tax dollars wasted by Washington’s carelessness. The best solution to protect taxpayer dollars from waste, fraud, and abuse is to stop it before it occurs, and that is what the Verify First Act by Mr. BARLETTA will do.

This bill strengthens existing verification tools by making a commonsense change. Rather than sending the money first and confirming legal status later, it verifies legal status up
